“I am announcing today that Wessman Development has agreed to remove the Town and Country Center from the Desert Fashion Plaza Revitalization Plan. I will be recommending to the City Council on July 20 that Town and Country Center be excluded from any financial agreement to be considered. This reinforces the Council’s commitment to completing the revitalization of Desert Fashion Plaza by the end of 2014. I am excited about the project and what it will mean for our downtown and the future of our City.”
