

NOTICE OF CONSTRUCTION

Location: **Within the Vicinity of Raymond Cree Middle School, and Cahuilla, Cielo Vista, Katherine Finchy, and Vista Del Monte Elementary Schools**

Start of Construction: Monday, March 14, 2016

Duration: Approximately 6 weeks

Lane Restrictions: Traffic may be restricted at spot locations for a few hours. Please follow posted detour signs.

Construction Hours: 7:00 a.m. to 4:00 p.m. Mon-Fri (Except legal holidays or inclement weather)

Funding: Construction cost is approximately \$450,000 using federal Safe Routes to School Funds and Gas Tax. No Measure J or General Fund are being expended for this project.

Description of Work: Construction of pedestrian safety improvements including installation of curb and gutter, sidewalk, ADA curb ramps, crosswalks, bulb-outs, chokers, pedestrian countdown traffic signals, and traffic striping and signage for bicycle lanes, and all other appurtenant work.

Contacts:

Construction Company: All American Asphalt, (951) 736-7600

City Represented Construction Inspector: Tim Sullivan, Interwest Consulting Group, (248) 930-2298

City Project Manager: Savat Khamphou, City of Palm Springs, (760) 323-8253 ext. 8744

A major portion of the construction work will commence during the Palm Springs Unified School Districts Spring break between the periods of March 21 thru April 1, 2016 to minimize disruption to the students. Please take extra time, avoid the construction area, if possible, or seek alternate routes for the duration of work to minimize delays.
