I. INTRODUCTION

This is a Request for Proposals (RFP) by the Housing Successor Agency to the Redevelopment Agency of the City of Palm Springs (“Housing Successor Agency”) inviting proposals from qualified Proposers to purchase property located in the City of Palm Springs at El Dorado Boulevard near West Tramview Road, Assessor Parcel Number 669-401-039 (Property).

The former Redevelopment Agency of the City of Palm Springs owned the Property until the Redevelopment Agency was dissolved pursuant to ABX1 26 amended by AB 1484 and SB 107 (collectively the “Dissolution Law”) and codified in the California Health and Safety Code dissolved redevelopment agencies in California as of February 1, 2012. The Housing Successor Agency is now responsible for disposing of the Property, which was originally purchased with the intent of developing the property for residential use that would be affordable to low to moderate income families.

II. DUE DATE AND TIME

Proposals are due **THURSDAY DECEMBER 7, 2017, by 3:00 P.M.**

III. BACKGROUND

The City of Palm Springs is a Charter City and was incorporated in 1938. Palm Springs is nestled at the base of the San Jacinto and Santa Rosa Mountains, approximately 60 miles east of Riverside. The City is a well-known resort destination with a year round population of approximately 46,600 and a seasonal population that nearly doubles. Palm Springs not only prides itself on its resort amenities, but also on the village character it has been able to maintain. At the same time, Palm Springs has many major amenities typically found in cities with much larger populations, such as the Palm Springs International Airport, Convention Center, Palm Springs Art Museum, Aerial Tramway, Desert Regional Medical Center, a broad range of public services, and diverse residential neighborhoods. Open space and mountainous areas comprise almost half of the City’s total area and provide treasured natural recreation opportunities and habitat areas.

The City of Palm Springs is seeking interested parties to purchase a 0.18 acre (8,000 square ft.) vacant single family residential lot located at El Dorado Boulevard near West Tramview Road, in the Desert Highland Estates Neighborhood in Palm Springs, California (see Attachment A with map, legal description, and photographs). The Property is located within the former Palm Springs Redevelopment Project Area and was acquired by the former Redevelopment Agency through a land swap with an adjacent property owner in November 2004. The property used in the land swap was purchased using low to moderate income housing funds. This single family residential lot was acquired for inclusion in the Desert Highland Infill Program. The Desert Highland Infill Program was targeted at moderate-income families that had become priced out of the single-family market in Palm Springs. Ultimately, only five homes were built on scattered lots within the Desert Highland Estates Neighborhood as part of the program and the subject lot is a remnant that was never developed.

The Property is surrounded by primarily single family residential uses and is located in the Desert Highland Estates neighborhood.

IV. PROPOSAL REQUIREMENTS

The Housing Successor Agency is seeking proposals from qualified Proposers to purchase the Property at not less than fair market value. The property was originally acquired by the Palm Springs Community Redevelopment Agency in 2004 through a land swap. An appraisal completed in March 2017, estimated the Property to be worth \$35,000.

Completing sale of the Property in a timely manner is especially important to the Housing Successor Agency and the City Council.

Closing shall be on an all cash basis (i.e. if money is borrowed, based on established credit via credit line on another property or personal line of credit), not later than one hundred eighty (180) days following approval of the Proposer's offer by the City Council.

Sale of the Property is to be done expeditiously and in a manner aimed at maximizing the value to the Housing Successor Agency's low to moderate income housing fund.

No warranty, express or implied, other than clean title will be provided by Seller.

Proposals are required to meet the requirements of this RFP.
