Re: Planning Commission

Dear Mr. Thompson:

I hereby submit my resignation from the Planning Commission effective as of today.

It has been my pleasure to serve the City of Palm Springs for the last ten years. First as a member of the Historic Site Preservation Board and for the last five years on the Planning Commission.

During that time, I served on committees that developed the City's first Historic Site Survey, established the Downtown Urban Design Plan and finally, recommended updates to the City's General Plan.

It is time for me to retire from public service to spend more time with my family.

With best wishes,

William P. Scott
