Subject: Resignation - Dori Miles

Dear Sid and Lee:

Please accept my resignation, effective immediately, as a Commissioner on the City of Palm Springs Human Rights Commission. I will be having heart surgery in September and I am unable, at this time, to make any commitments necessary to render the required service.

I have tremendously enjoyed serving with each and every one of my colleagues on the Commission and contributing to the important work the Commission does. I believe the struggle for human and civil rights and improved human relations is ongoing and am hopeful that if a vacancy on the Commission exists when I am fully recovered, I may be able to reapply and resume my involvement.

I hope to stay in touch and if I can be of any help regarding my replacement or any other matter related to the Commission's work, please let me know.

Very truly yours,

Dori Miles, Commissioner
City of Palm Springs
Human Rights Commission
