MEANS TO PROVIDE ADDITIONAL ECONOMIC DEVELOPMENT INCENTIVES:

Craig Ewing, Director of Planning Services, provided background information as outlined in the staff report dated October 5, 2011.

Councilmember Foat requested staff address the funding and uses of the in-lieu parking fee, and recommended the City provide a period of time to waive the in-lieu parking fee, and look at other requirements such as lease of parking or the use of valet parking, recommended the City Council reduce or put the fee on hold for a certain period of time, until such time as staff can work on a program.

Councilmember Mills commented on the development of the current fee structure, commented on the risk factors associated with waiving the fee, stated he is not in support of waiving the fee, and recommended the City Council look at allowing financing or reducing the in-lieu fee, and noted several options if the City could provide free parking in the Downtown area.

Councilmember Hutcheson stated a large fee reduction may be appropriate while the City studies the issue.

Mayor Pro Tem Weigel stated the process for a reduction or waiver has to be a fair process, and recommended the City Council reduce or postpone the fee until further study of the parking issues.

Councilmember Foat stated she is not supportive of eliminating the fee, but requested deferral until other solutions are created, and commented on different programs to that end.

Councilmember Mills commented on various elements with respect to calculating the fee.

ACTION: Direct staff to return to the City Council with program options. **By consensus of the City Council.**
