Date: January 11, 2012

Case No.: 5.1255 – CUP AMEND

Type: Conditional Use Permit Amendment

Location: 610 South Belardo Road

APN: 513-290-014

Applicant: The Center (formerly Golden Rainbow Center)

General Plan: MU / MU (Mixed Use / Multi-Use)

Zone: PD-77 (Planned Development 77)

From: Craig A. Ewing, AICP, Director of Planning Services

Project Planner: David A. Newell, Associate Planner

PROJECT DESCRIPTION:

The applicant has requested an amendment to an existing Type II Conditional Use Permit (CUP) approved to operate a food bank and distribution facility to economically disadvantaged / disabled senior citizens at 610 S. Belardo Road. The proposed amendment is to change the day and hours of the operation from Sunday mornings between 8:00 a.m. and 10:00 a.m. to Thursday evenings between 6:00 p.m. and 8:00 p.m.

RECOMMENDATION:

That the Planning Commission approve the amendment to modify the day and hours of operation for the Type II Conditional Use Permit at 610 South Belardo Road.

PRIOR ACTIONS:

On December 8, 2010, the Planning Commission reviewed the Conditional Use Permit for the food bank and distribution facility and recommended approval to the City Council.

On January 5, 2011, the City Council approved the proposed food bank and distribution facility at 610 S. Belardo Road.

BACKGROUND AND SETTING:

The subject property is approximately 4.4 acres in size and adjacent to commercial uses to the north and east; residential uses to the west; and vacant land exists to the south. The property is a fully developed shopping center. The existing site layout contains two main buildings with an alley and parking. The two main parking lots front both Palm Canyon Drive and Belardo Road.

Table 1: Adjacent General Plan Designations, Zones and Land Uses:

	General Plan	Zoning	Existing Land Uses
North	CBD (Central Business District)	PD-82 (Planned Development District 82)	Multi-tenanted Commercial
South	MU / MU (Mixed Use / Multi-Use)	R-3 (Multiple-family Residential and Hotel) & C-2 (General Commercial)	Vacant
East	TRC (Tourist Resort Commercial)	PD-187 (Planned Development District 187)	Resort Hotel (Motel 6)
West	LDR (Low Density Residential)	R-2 (Limited Multiple-family Residential)	Single-family Residences

The Center is a non-profit 501(c)(3) organization that provides health, wellness, and social programs to the Lesbian, Gay, Bisexual, and Transgender (LGBT) community in the Coachella Valley. They have an office at 611 South Palm Canyon Drive, Suite 201, and offer food distribution to economically disadvantaged / disabled senior citizens at 610 S. Belardo Road.

ANALYSIS:

The applicant is proposing to change the day and time that the food bank and distribution operation serve their clients. The existing approved operational hours are from 8:00 a.m. to 10:00 a.m. on Sundays only. The proposed hours would be from 6:00 p.m. to 8:00 p.m. on Thursdays only.

The Conditional Use Permit authorizing this land use imposed certain Conditions of Approval, including a restriction on operational days and hours as follows:

PLN 1. Hours / Days of Operation. The applicant shall be required to maintain the opening hours as stated on the Conditional Use Permit application. Hours of operation shall be from 8:00 a.m. to 10:00 a.m. on Sundays only. Any future modifications to the hours of operation shall require prior approval by the Planning Commission and the City reserves the right to modify or restrict the business hours based upon documented operational circumstances.

As mentioned above, the days and hours of operation may be approved by the Planning Commission. The applicant states that they have consulted with the neighboring residential tract to the west and the Historic Tennis Club Neighborhood Organization regarding the operation, and it was determined that the proposed modification would have less negative impact on the neighborhood.

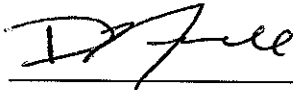

Staff reviewed the findings made by the Council when approving the CUP and determined that they still apply to the proposed amendment (see attached City Council Resolution). The only modification would be to the third sentence in finding number 3, which states, "*The proposed use will operate in a 1,500 square foot tenant space and only on Sunday mornings when offices are typically closed.*" This would be modified to read, "*The proposed use will operate in a 1,500 square foot tenant space and only on **Thursday evenings** when offices are typically closed.*" All other findings would not change.

CONCLUSION:

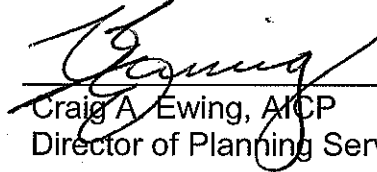

The proposed amendment is similar to the original CUP and may be approved by the Planning Commission as conditioned in the Council's Resolution of Approval. Since the findings generally remain the same, staff is recommending approval of the proposed amendment to the day and time changes for the food bank and distribution facility.

NOTIFICATION:

Notification of this public hearing was sent to property owners within a 400 foot radius of the subject parcel. As of the writing of this report, staff has received written correspondence from the public, which is attached to this staff report.

WHEREAS, notice of public hearing of the Planning Commission of the City of Palm Springs to consider the application for Conditional Use Permit Case No. 5.1255 was given in accordance with applicable law; and

WHEREAS, on December 8, 2010, a public hearing on the application for Conditional Use Permit Case No. 5.1255 was held by the Planning Commission in accordance with applicable law; and

WHEREAS, on December 8, 2010, the Planning Commission recommended approval of Conditional Use Permit Case No. 5.1255 to the City Council; and

WHEREAS, notice of public hearing of the City Council of the City of Palm Springs to consider the application for Conditional Use Permit Case No. 5.1255 was given in accordance with applicable law; and

WHEREAS, on January 5, 2011, a public hearing on the application for Conditional Use Permit Case No. 5.1255 was held by the City Council in accordance with applicable law; and

WHEREAS, the proposed project is considered a "project" pursuant to the terms of the California Environmental Quality Act ("CEQA"), and has been determined to be Categorically Exempt as a Class 1 exemption (Existing Facilities) pursuant to Section 15301(e) of the CEQA Guidelines; and

WHEREAS, the City Council has carefully reviewed and considered all of the evidence presented in connection with the hearing on the project, including, but not limited to, the staff report, and all written and oral testimony presented.

THE CITY COUNCIL OF THE CITY OF PALM SPRINGS DOES HEREBY RESOLVE AS FOLLOWS:

SECTION 1. This project is categorically exempt from environmental review pursuant to Section 15301(e) (Class 1 – existing facilities) of the California Environmental Quality Act (CEQA).

SECTION 2. Section 94.02.00(B)(6) of the Zoning Code requires the Planning Commission not approve a Conditional Use Permit unless it finds as follows:

1. That the use applied for at the location set forth in the application is properly one for which a conditional use permit is authorized by this Zoning Code.
2. That the use is necessary or desirable for the development of the community, is in harmony with the various elements or objectives of the general plan, and is not detrimental to existing uses or to future uses specifically permitted in the zone in which the proposed use is to be located.
3. That the site for the intended use is adequate in size and shape to accommodate such use, including yards, setbacks, walls or fences, landscaping, and other features required in order to adjust such use to those existing or permitted future uses of land in the neighborhood.
4. That the site for the proposed use relates to streets and highways properly designed and improved to carry the type and quantity of traffic to be generated by the proposed use.
5. That the conditions to be imposed and shown on the approved site plan are deemed necessary to protect the public health, safety and general welfare and may include minor modification of the zone's property development standards. Such conditions may include:
 - a. Regulation of use
 - b. Special yards, space and buffers
 - c. Fences and walls
 - d. Surfacing of parking areas subject to city specifications
 - e. Requiring street, service road, or alley dedications and improvements or appropriate bonds
 - f. Regulation of points of vehicular ingress and egress
 - g. Regulation of signs
 - h. Requiring landscaping and maintenance thereof
 - i. Requiring maintenance of grounds
 - j. Regulation of noise, vibrations, odors, etc.
 - k. Regulation of time for certain activities
 - l. Time period within which the proposed use shall be developed
 - m. Duration of use
 - n. Dedication of property for public use

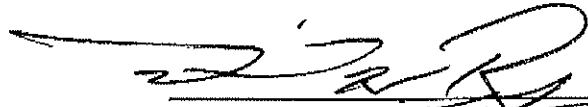

- o. Any such other conditions as will make possible the development of the city in an orderly and efficient manner and in conformity with the intent and purposes set forth in this Zoning Code, including but not limited to mitigation measures outlined in an environmental assessment.

SECTION 3. Based upon the foregoing, the City Council finds as follows:

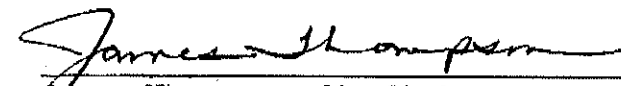

1. Pursuant to Section 94.02.00(A)(2)(f) of the Palm Springs Zoning Ordinance, an institution of charitable nature is authorized within the PD-77 Zone with the approval of a Type II Conditional Use Permit. Planned Development District 77 does not expressly prohibit institutions of a philanthropic or charitable nature.
2. The General Plan designation of the subject site is MU / MU (Mixed Use / Multi-Use). The General Plan states, "Specific uses intended in these areas include community-serving retail commercial, professional offices, service businesses, restaurants, daycare centers, public and quasi-public uses." The proposed use is the distribution of food bags to senior or disabled citizens; this can be categorized as a service business.
3. The project does not propose any exterior changes to the site. The existing site is a large mixed-use commercial complex with a variety of office and commercial uses. The proposed use will operate in a 1,500 square-foot tenant space and only on Sunday mornings when offices are typically closed. Therefore, the site for the intended use is adequate in size and shape to accommodate such use to those existing or permitted future uses of land in the neighborhood.
4. The project site is located along South Palm Canyon Drive, which is a Major Thoroughfare, and South Belardo Road, which is a Collector Street, according to the General Plan Circulation Element. Both of these two-way streets are fully paved and include sidewalks. The food distribution services will be held on Sundays for two hours only. The proposed use will be adequately served by the existing parking on the site, and the use is expected to generate minimal traffic.
5. There are no changes proposed to the existing site plan. Staff has included Conditions of Approval such as restricting hours and days of operation, prohibiting outdoor storage, requiring property maintenance by owner/tenant and others to insure the proposed use will protect the public health, safety and general welfare.

NOW, THEREFORE BE IT RESOLVED that the City Council approves Conditional Use Permit Case No. 5.1255, subject to those conditions set forth in Exhibit A, which are to be satisfied unless otherwise specified.

ADOPTED THIS 5TH DAY OF JANUARY, 2011.

Case 5.1255 CUP

Dear City Council and Planning Commission:

I am writing to ask for approval to a change in the time and day of our operation as allowed by PLN1 in our conditional use permit for the *Sustenance for Seniors* food bank. Rather than operating on Sunday mornings from 8:00am to 10:00am, we would like to operate on Thursday evenings from 6:00pm to 8:00pm.

The request for this change was decided upon in consultation with the HOA of the Canyons residential community (across the street from our facility at 610 S. Belardo, unit 201) and the Tennis Club neighborhood association. Our landlord has consented to amend our lease to allow for the change. The discussion is that an operation at the proposed time and day would have less negative impact on the neighborhood than operating on Sunday morning.

Attached to this letter of request are the materials required to appropriately notify all property owners within a 400 foot radius of our facility.

I respectfully request that this matter be considered at the soonest possible time by the Commission and the Council so as to operate in better harmony with our neighbors. Thank you very much for your consideration.

Truly,

John O'Connor

Dear Mr. Ewing:

Re: CUP 5.1255

The Golden Rainbow Food Distribution in the Sun Center was granted a two year CUP in January of 2011.

Below are four conditions of the CUP wherein the Food Distribution, does not comply

- Cause no disturbance
- No food consumption on the premises
- No offsite parking
- Hours 8 to 10 on Sunday

Cause no disturbance

The adjacent community of The Canyons has reported music, socializing, dog calling, public urinating and vehicle noise on Sunday mornings before, during and after the food distribution times.

No Food Consumption on the Premises

The managers arrive early and set up coffee and chairs, so that a social situation is created rather than an 'in-out' which was described to the neighbors in the meeting at City Hall in January of 2011.

No Offsite Parking

The clients of the food distribution park along both sides of Belardo starting early in the morning and continuing throughout the prescribed hours.

Hours 8 to 10 on Sunday

The staff arrives around 6:00 am to set up. Clients arrive shortly thereafter and enjoy coffee sitting on the chairs which have been provided by the staff, thus extending the hours from 6 to 10, minimally on Sundays.

The Golden Rainbow Food Distribution is clearly a victim of its success in attracting needy seniors. With the economy showing minimal improvement, services like this food distribution will grow and continue to serve a target population.

Historic Tennis Club Neighborhood Organization
611 S Palm Canyon Dr., Box No. 7220, Palm Springs, CA 92264

HTCNO

The conditional use permit should be revoked because they are not in compliance with the above four conditions nor can they mitigate these conditions with a growing clientele.

This type of business should be moved to the Palm Springs Mall which will be empty for years where there is parking and a buffer between the adjacent residential area.

Note that neighbors met with two members of the Golden Rainbow management, one council member (Ginny Foat), the city manager (David Ready) and the interim police chief (Al Franz) in January 2011. At that meeting, we agreed to revisit the food distribution in six months. It is past that period of review and definitely can say that the food distribution CUP should not be in this location which was designed for professional offices.

Sincerely,

Marshall Roath
