

CITY OF PALM SPRINGS
DEPARTMENT OF PLANNING SERVICES
MEMORANDUM

Date: June 13, 2012
To: Planning Commission
From: Edward O. Robertson, Principal Planner 
Subject: August, 2012 Meetings

Staff is seeking the Commission's directions on the scheduled meetings for the month of August 2012. From staff's perspective, looking at the future agenda list that is prepared every other week, it appears August agenda is very light. As of now there are no cases that will require your immediate review, so the Commission may wish to go dark in the month of August.

This matter is being brought before you for discussions and a decision whether to go dark in August in view of the information provided above.
