JAMES THOMPSON
CITY CLERK

Ms. Michele Mician,

I would like to extend **my** appreciation to the City of Palm Springs for allowing me to assist in the city's efforts to lead the nation in sustainability. I believe it is time to let other community activists utilize their passions to share a role in furthering Palm Springs **Sustainability**. Therefore, please accept my resignation from the Palm Springs **Sustainability** Commission. I plan to follow the **Commission's** progress and hope to volunteer on a subcommittee as a citizen, should the need arise.

Sincerely Yours,

Terri Mettie
