## SUMMARY

The City Council will consider directing staff to study the current Zoning Code requirements regarding churches.

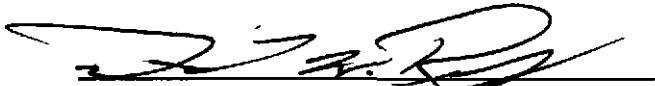

## RECOMMENDATION:

Initiate a Zone Text Amendment pursuant to Palm Springs Zoning Code Section 92.07.01.A.1.b regarding churches and refer to the Planning Commission.

## STAFF ANALYSIS:

Churches are currently allowed in 13 of the City's zones. In some cases, the use is by-right in others the use requires a CUP. Requests have been made for equity with assembly uses.
