

## CITY COUNCIL STAFF REPORT

DATE: March 19, 2014 CONSENT CALENDAR  
SUBJECT: VIDEO CAMERAS, EXTERIOR MONITORING OF PARKS RESTROOMS  
FROM: David H. Ready, City Manager  
BY: Special Projects Coordinator

---

### SUMMARY

The proposed action would approve the installation of video cameras to monitor the exterior of parks restrooms.

### RECOMMENDATION:

1. Authorize the issuance of purchase and installation of video cameras to monitor the exterior of various parks restrooms from Systems Integration Corp. in an amount not to exceed \$38,000.

### STAFF ANALYSIS:

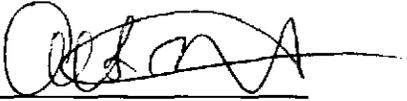

A funded Measure J project in the current budget year is the installation of video cameras to monitor the exterior of parks restrooms at Sunrise Plaza, Ruth Hardy Park and Demuth Park. This installation is an expansion of the current city wide wireless video system which was installed and maintained by Systems Integration Corp.

Systems Integration Corp. has provided a proposal to install the cameras in the three parks for \$26,207.09; see attached proposal. Under the special expertise provisions of the Procurement Ordinance the City may sole source with the original vendor of a system that is being expanded, as is the case here. Staff is working with Systems Integration to provide a revised price to include Victoria Park.

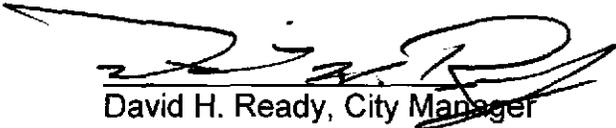

ITEM NO. 2J

**FISCAL IMPACT:**

The project is budgeted under Measure J, account 260-4500-59431 for a total of \$75,000.

Allen F. Smoot, Special Projects Coordinator

David H. Ready, City Manager
