## SUMMARY

The City Council previously established Community Facilities District 2005-1 (Public Safety Services) (CFD 2005-1) in September 2005, to levy a special tax on properties located on "fee status" (non-Indian Allottee Leased or non-Tribal Trust properties) located within the City, to provide a financing mechanism to sustain the delivery of public safety services to new residential developments located on those properties. This action declares the City Council's intention to annex additional properties identified as Annexation No. 9 (for Tract Map No. 32736 – Vibrante), Annexation No. 10 (for Tract Map No. 33575 – Cameron), Annexation No. 11 (for Tract Map No. 36738 – Palm Ridge), and Annexation No. 12 (for Tract Map No. 36737 – Via Olivera); the action also schedules a Public Hearing for September 2, 2015, to officially annex these additional properties into CFD 2005-1.

## RECOMMENDATION:

Adopt Resolution No. \_\_\_\_\_, "A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALM SPRINGS, CALIFORNIA, DECLARING ITS INTENTION TO ANNEX TERRITORY INTO A COMMUNITY FACILITIES DISTRICT AND TO AUTHORIZE THE LEVY OF SPECIAL TAXES FOR CITY OF PALM SPRINGS COMMUNITY FACILITIES DISTRICT NO. 2005-1, (PUBLIC SAFETY SERVICES), ANNEXATION NO. 9, VIBRANTE, TRACT MAP NO. 32736;" and

#### STAFF ANALYSIS:

The City Council created Community Facilities District 2005-1 (Public Safety Services) (CFD 2005-1) to allow the City to levy a special tax on certain properties located on "fee status" (non-Indian Allottee Leased or Tribal Trust properties) located within the City, to provide a financing mechanism to sustain the delivery of public safety services to new residential developments located on those properties. This type of financing program, which is authorized under the Mello-Roos Community Facilities Act of 1982, envisioned the participation of all future new residential development projects on "fee status" lands, either by formation of new Districts or as an annexation into the original CFD 2005-1.

As new residential developments on "fee status" lands have been approved by the City, they are conditionally approved with a requirement to annex into CFD 2005-1. CFD 2005-1 was specifically established separately from the City's other District, Community Facilities District 2007-1 (Public Safety Services) (CFD 2007-1), for developments located on Indian Allottee Leased or Tribal Trust lands, and cannot be annexed into the existing CFD 2005-1 due to their unique ownership status.

At this time, four residential developments approved on "fee status" lands are recommended for annexation into CFD 2005-1:

- Annexation No. 9 – Tract Map No. 32736, identified as "Vibrante," a residential development consisting of 41 multi-family units; and
- Annexation No. 10 – Tract Map No. 33575, identified as "Cameron," a residential development consisting of 80 multi-family units and 26 live/work units; and
- Annexation No. 11 – Tract Map No. 36738, identified as "Palm Ridge," a residential development consisting of 40 single family units; and
- Annexation No. 12 – Tract Map No. 36737, identified a "Via Olivera," a residential development consisting of 5 single family units.

The location maps for each development are included in this report.

**Location Map  
Annexation No. 12  
“Via Olivera,” Tract Map No. 36737**

Vicinity maps illustrating a 500 foot radius boundary from each development are included as **Attachment 1**.

In order to commence the annexation process, the City Council is required to adopt a Resolution of Intention for each of the annexations. This Resolution sets forth terms and conditions for annexing properties into CFD 2005-1 and includes the rate and apportionment of the special tax to be levied. This Resolution also schedules a Public Hearing on the proposed annexations, which by statute must be held within 30-60 days following the adoption of this Resolution. In accordance with this requirement, staff recommends that the Public Hearing be scheduled for September 2, 2015. Pursuant to the Mello-Roos Community Facilities Act of 1982, there are less than 12 registered

voters in each of the properties to be annexed into CFD 2005-1; therefore, the special election will be a landowner vote within each annexation.

Prior to the public hearing, property owners within each annexation will return a petition with waivers to the City, waiving certain timing and noticing requirements related to Election Code, which will enable the City to expedite the annexation process by conducting the special election during the September 2, 2015, Public Hearing. Included with each Resolution of Intention, the City Council also establishes the boundaries of the territory to be annexed into CFD 2005-1; the Resolutions will be recorded with the County Assessor's Office upon adoption.

The special tax that is currently being assessed on properties within CFD 2005-1 is based upon a Fiscal Impact Analysis that was prepared by MuniFinancial. Based on this analysis, the current special tax for a single-family residence is \$408.43 per year, and will increase by the annual escalation factor until it reaches the maximum of \$500. The current special tax for a multi-family residence is \$344.25, and cannot exceed the maximum of \$500. The special tax is collected as part of the annual property tax.

ENVIRONMENTAL IMPACT:

The requested City Council action is not a "Project" as defined by the California Environmental Quality Act (CEQA). Pursuant to Section 15378(a), a "Project" means the whole of an action, which has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment. The requested action is to authorize annexation of certain properties into CFD 2005-1, and is exempt from CEQA pursuant to Section 15378(b), in that a "Project" does not include: (5) Organizational or administrative activities of governments that will not result in direct or indirect physical changes in the environment.

FISCAL IMPACT:

Following annexation of these four residential developments into CFD 2005-1, after construction of the units (issuance of building permits), the special tax to be levied within these developments will generate an additional \$68,663 annually to be used specifically for public safety services.

RESOLUTION NO. \_\_\_\_\_

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALM SPRINGS, CALIFORNIA, DECLARING ITS INTENTION TO ANNEX TERRITORY INTO A COMMUNITY FACILITIES DISTRICT AND TO AUTHORIZE THE LEVY OF SPECIAL TAXES FOR CITY OF PALM SPRINGS COMMUNITY FACILITIES DISTRICT NO. 2005-1, (PUBLIC SAFETY SERVICES), ANNEXATION NO. 9, VIBRANTE, TRACT MAP NO. 32736.

**WHEREAS**, under the Mello-Roos Community Facilities Act of 1982 (Sections 53311 and following, California Government Code; hereafter referred to as the "Act"), the City Council of the City of Palm Springs (the "City") previously conducted proceedings to establish the City of Palm Springs Community Facilities District No. 2005-1 (Public Safety Services) (the "District"), and

**WHEREAS**, under the Act, this City Council is the legislative body for the proposed annexation of territory to the District and is empowered with the authority to annex territory to the District and levy special taxes within the annexation territory; and **WHEREAS**, this City Council now desires to commence proceedings to consider the annexation of territory to the District.

**THE CITY COUNCIL OF THE CITY OF PALM SPRINGS, CALIFORNIA, HEREBY RESOLVES, DETERMINES AND APPROVES AS FOLLOWS:**

Section 1. The City Council proposes to begin the proceedings necessary to annex territory to the District pursuant to the Act.

Section 2. The name of the existing District is City of Palm Springs, Community Facilities District No. 2005-1 (Public Safety Services).

Section 3. A general description of the territory included in the existing District is shown on the amended boundary map recorded in the office of the County Recorder for the County of Riverside on November 1, 2005, in Book 64 at Pages 71-77 of Maps of Assessments and Community Facilities Districts, to which map reference is hereby made.

Section 4. The territory now proposed to be annexed to the District is shown on Annexation Map No. 9 of the District on file with the City Clerk, a copy of which is attached hereto as **Exhibit A**, which Exhibit is, by this reference, incorporated herein. The boundaries of which territory are hereby preliminarily approved and to which map reference is hereby made for further particulars. The City Clerk is hereby directed to record, or cause to be recorded, said Annexation Map No. 9 of the District in the office of the County Recorder of the County of Riverside within fifteen days of the date of

adoption of this Resolution. The Tract Map for the territory proposed to be annexed, is attached in **Exhibit B**.

Section 5. The types of services to be funded by the District and pursuant to the Act consist of those services (the "Services") described in Resolution No. 21402 entitled "A Resolution of the City Council of the City of Palm Springs, California, Declaring its Intention to Establish Community Facilities District No. 2005-1 (Public Safety Services) to Authorize the Levy of Special Tax Therein to Finance Certain Services" adopted by the City Council on September 7, 2005, (the "Resolution of Intention"), which Resolution of Intention is, by this reference, incorporated herein. It is presently intended that the Services will relate to the existing territory in the District and the territory proposed to be annexed to the District.

Section 6. Except to the extent that funds are otherwise available to the District to pay for the Services, a special tax sufficient to pay the costs thereof, secured by recordation of a continuing lien against all non-exempt real property in the District (including the property being annexed thereto), will be levied annually within the District and collected in the same manner as ordinary ad valorem property taxes, or in such other manner as this City Council shall determine, including direct billing of the affected property owners. The rate and method of apportionment of the special tax among the parcels of real property within the District, as now in existence and following the annexation proposed herein, in sufficient detail to allow each landowner within the territory proposed to be annexed to the District to estimate the maximum amount such owner will have to pay, is attached in **Exhibit C**.

Section 7. The special tax proposed to be levied for Services to be supplied within the proposed territory to be annexed will be equal to the special taxes levied to pay for the same Services in the District, except that a higher or lower special tax may be levied within the proposed territory to be annexed to the extent that the actual cost of providing the Services in that territory is higher or lower than the cost of providing those Services in the District. Notwithstanding the foregoing, the special tax may not be levied at a rate which is higher than the maximum special tax authorized to be levied pursuant to the rate and method of apportionment of the special tax.

Section 8. Notice is given that on Wednesday, September 2, 2015, at 6:00 p.m. or as soon thereafter as the matter may be heard, in the regular meeting place of this City Council in the Council Chambers, at 3200 East Tahquitz Canyon Way, Palm Springs, California, 92262, and the same are hereby appointed and fixed as the time and place when and where this City Council, as legislative body for the District, will conduct a public hearing on the annexation of territory to the District and consider and finally determine whether the public interest, convenience, and necessity require said annexation of territory to the District and the levy of said special tax therein.

Section 9. The City Clerk is hereby directed to cause notice of said public hearing to be given by publication one time in a newspaper published in the area of the District. The publication of said notice shall be completed at least seven days before the date

herein set for said hearing. The notice shall be substantially in the form of Exhibit D hereto.

Section 10. This Resolution shall take effect upon its adoption.

PASSED, APPROVED, AND ADOPTED BY THE PALM SPRINGS CITY COUNCIL THIS 15<sup>TH</sup> DAY OF JULY, 2015.

RATE AND METHOD OF APPORTIONMENT**

A Special Tax of Community Facilities District No. 2005-1 (Public Safety Services) of the City of Palm Springs (the "District") shall be levied on all Assessor's Parcels in the District and collected each Fiscal Year commencing in Fiscal Year 2006-07 in an amount determined by the City through the application of the rate and method of apportionment of the Special Tax set forth below. All of the real property in the District, unless exempted by law or by the provisions hereof, shall be taxed for the purposes, to the extent and in the manner herein provided.

**A. DEFINITIONS**

The terms hereinafter set forth have the following meanings:

**"Acre of Acreage"** means the land area of an Assessor's Parcel as shown on an Assessor's Parcel Map, or if the land area is not shown on an Assessor's Parcel Map, the land area shown on the applicable final subdivision map, other final map, other parcel map, other condominium plan, or functionally equivalent map or instrument recorded in the Office of the County Recorder. **WHEREAS**, under the Mello-Roos Community Facilities Act of 1982 (Sections 53311 and following, California Government Code; hereafter referred to as the "Act"), the City Council of the City of Palm Springs (the "City") previously conducted proceedings to establish the City of Palm Springs Community Facilities District No. 2005-1 (Public Safety Services) (the "District"), and

**WHEREAS**, under the Act, this City Council is the legislative body for the proposed annexation of territory to the District and is empowered with the authority to annex territory to the District and levy special taxes within the annexation territory; and **WHEREAS**, this City Council now desires to commence proceedings to consider the annexation of territory to the District.

**THE CITY COUNCIL OF THE CITY OF PALM SPRINGS, CALIFORNIA, HEREBY RESOLVES, DETERMINES AND APPROVES AS FOLLOWS:**

Notwithstanding the foregoing, the special tax may not be levied at a rate which is higher than the maximum special tax authorized to be levied pursuant to the rate and method of apportionment of the special tax.

Second, if the Special Tax Requirement has not been satisfied by the first step, then the Special Tax shall be levied each Fiscal Year on each Assessor's Parcel of Entitled Property up to 100% of the applicable Maximum Special Tax for Entitled Property. Lastly, if the first two steps have not satisfied the Special Tax Requirement, then the Special Tax shall be levied each Fiscal Year on each Assessor's Parcel of Undeveloped Property up to 100% of the applicable Maximum Special Tax for Undeveloped Property.

### **E. APPEALS**

Any tax payer that believes that the amount of the Special Tax assigned to an Assessor's Parcel is in error may file a written notice with the District Administrator appealing the levy of the Special Tax. This notice is required to be filed with the District Administrator during the Fiscal Year the error is believed to have occurred. The District Administrator or designee will then promptly review the appeal and, if necessary, meet with the taxpayer. If the District Administrator verifies that the tax should be changed the Special Tax Levy shall be corrected and, if applicable in any case, a refund shall be granted.

### **F. EXEMPTIONS**

#### **1. Residential Property**

Residential Properties which annually meet one or more of the following standards shall be exempt from payment of the Special Tax:

The City is authorized and directed to promulgate administrative rules and procedures for verification of eligibility for the exemptions referred to in section F.

**G. MANNER OF COLLECTION**

Special Tax as levied pursuant to Section D above shall be collected in the same manner and at the same time as ordinary ad valorem property taxes; provided, however, that the District Administrator may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet the financial obligations of the District or as otherwise determined appropriate by the District Administrator.

**H. TERM OF SPECIAL TAX**

Every Five years after the establishment of the District, the City Council may reexamine, if deemed necessary by City Council, the necessity of the continuance of the Special Tax through the preparation of a Fiscal Impact Analysis, otherwise the Special Tax shall be levied in perpetuity.

RESOLUTION NO. \_\_\_\_\_

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALM SPRINGS, CALIFORNIA, DECLARING ITS INTENTION TO ANNEX TERRITORY INTO A COMMUNITY FACILITIES DISTRICT AND TO AUTHORIZE THE LEVY OF SPECIAL TAXES FOR CITY OF PALM SPRINGS COMMUNITY FACILITIES DISTRICT NO. 2005-1, (PUBLIC SAFETY SERVICES), ANNEXATION NO. 12, VIA OLIVERA, TRACT MAP NO. 36737.

**WHEREAS**, under the Mello-Roos Community Facilities Act of 1982 (Sections 53311 and following, California Government Code; hereafter referred to as the "Act"), the City Council of the City of Palm Springs (the "City") previously conducted proceedings to establish the City of Palm Springs Community Facilities District No. 2005-1 (Public Safety Services) (the "District"), and

**WHEREAS**, under the Act, this City Council is the legislative body for the proposed annexation of territory to the District and is empowered with the authority to annex territory to the District and levy special taxes within the annexation territory; and **WHEREAS**, this City Council now desires to commence proceedings to consider the annexation of territory to the District.

**THE CITY COUNCIL OF THE CITY OF PALM SPRINGS, CALIFORNIA, HEREBY RESOLVES, DETERMINES AND APPROVES AS FOLLOWS:**

Section 1. The City Council proposes to begin the proceedings necessary to annex territory to the District pursuant to the Act.

Section 2. The name of the existing District is City of Palm Springs, Community Facilities District No. 2005-1 (Public Safety Services).

Section 3. A general description of the territory included in the existing District is shown on the amended boundary map recorded in the office of the County Recorder for the County of Riverside on November 1, 2005, in Book 64 at Pages 71-77 of Maps of Assessments and Community Facilities Districts, to which map reference is hereby made.

Section 4. The territory now proposed to be annexed to the District is shown on Annexation Map No. 12 of the District on file with the City Clerk, a copy of which is attached hereto as **Exhibit A**, which Exhibit is, by this reference, incorporated herein. The boundaries of which territory are hereby preliminarily approved and to which map reference is hereby made for further particulars. The City Clerk is hereby directed to record, or cause to be recorded, said Annexation Map No. 12 of the District in the office of the County Recorder of the County of Riverside within fifteen days of the date of

adoption of this Resolution. The Tract Map for the territory proposed to be annexed, is attached in **Exhibit B**.

Section 5. The types of services to be funded by the District and pursuant to the Act consist of those services (the "Services") described in Resolution No. 21402 entitled "A Resolution of the City Council of the City of Palm Springs, California, Declaring its Intention to Establish Community Facilities District No. 2005-1 (Public Safety Services) to Authorize the Levy of Special Tax Therein to Finance Certain Services" adopted by the City Council on September 7, 2005, (the "Resolution of Intention"), which Resolution of Intention is, by this reference, incorporated herein. It is presently intended that the Services will relate to the existing territory in the District and the territory proposed to be annexed to the District.

Section 6. Except to the extent that funds are otherwise available to the District to pay for the Services, a special tax sufficient to pay the costs thereof, secured by recordation of a continuing lien against all non-exempt real property in the District (including the property being annexed thereto), will be levied annually within the District and collected in the same manner as ordinary ad valorem property taxes, or in such other manner as this City Council shall determine, including direct billing of the affected property owners. The rate and method of apportionment of the special tax among the parcels of real property within the District, as now in existence and following the annexation proposed herein, in sufficient detail to allow each landowner within the territory proposed to be annexed to the District to estimate the maximum amount such owner will have to pay, is attached in **Exhibit C**.

Section 7. The special tax proposed to be levied for Services to be supplied within the proposed territory to be annexed will be equal to the special taxes levied to pay for the same Services in the District, except that a higher or lower special tax may be levied within the proposed territory to be annexed to the extent that the actual cost of providing the Services in that territory is higher or lower than the cost of providing those Services in the District. Notwithstanding the foregoing, the special tax may not be levied at a rate which is higher than the maximum special tax authorized to be levied pursuant to the rate and method of apportionment of the special tax.

Section 8. Notice is given that on Wednesday, September 2, 2015, at 6:00 p.m. or as soon thereafter as the matter may be heard, in the regular meeting place of this City Council in the Council Chambers, at 3200 East Tahquitz Canyon Way, Palm Springs, California, 92262, and the same are hereby appointed and fixed as the time and place when and where this City Council, as legislative body for the District, will conduct a public hearing on the annexation of territory to the District and consider and finally determine whether the public interest, convenience, and necessity require said annexation of territory to the District and the levy of said special tax therein.

Section 9. The City Clerk is hereby directed to cause notice of said public hearing to be given by publication one time in a newspaper published in the area of the District. The publication of said notice shall be completed at least seven days before the date

herein set for said hearing. The notice shall be substantially in the form of Exhibit D hereto.
