JAMES THOMPSON
CITY CLERK

Dear Mr. Mayor and City Council,

Thank you for allowing me the opportunity to serve on the Coachella Valley Mosquito and Vector Control District's Board. The support you and the staff provided during those first few stressful years was greatly appreciated and provided the impetus for change to begin and continue to grow. Without that support the District would not have achieved the status and recognition of being a truly outstanding organization throughout California. The District has been presented with numerous certificates and awards for outstanding accounting practices, product application evaluation, outreach programs and improvement of personnel programs.

It is with mixed emotions that I will not seek re-appointment in December 2015. My term expires December 31, 2015.

Again, thank you for this opportunity and support. To watch this District grow and expand into what it is today was a most rewarding experience.

Sincerely,

Sharon Lock
