Dear Palm Springs Human Rights Commission Chair Wilson Barton,

It is with a heavy heart that I write this letter to let you know that i must tender my resignation from my appointment as commissioner of the Palm Springs Human Rights Commission. I believe that my ability to meet the expectations for this position are compromised by the direction I need to pursue towards my professional development.

I want to express my deepest sense of gratitude to the Chair and all the commissioners for their support and encouragement; their example of selfless labor will be a constant source of inspiration.

I will continue my responsibilities until our next meeting, March 14, 2016.

Thank you all for having awarded me this opportunity to become more involved with our community.

Sincerely,  
Eduardo Carriazo.
