Michelle:

Please see the attached letter.

Thank you

Mark

Dear Michelle:

It is with regret that I write to inform you that, effective with this letter, I resign my position as Sustainability Commissioner with the Palm Springs Sustainability Commission.

Due to a change in my assignment at work and the associated time commitment which includes travel throughout this year, I do not believe I will be able to continue to dedicate the time and effort necessary to the Sustainability Commission and the people of Palm Springs that is most certainly deserved.

I have also spoken to Chair Jackson and will provide him with contacts and information for items that I was working on as part of the commission's Waste sub-committee.

Thank you so much for providing me the opportunity to participate in the commission over the last three years. It has been a rewarding and interesting experience.

Sincerely,

Mark Polischak
