## **READER'S GUIDE TO THE BUDGET DOCUMENT**

---

This budget document is divided into nine tabbed sections. The following information will explain the content and purpose of each section:

### Budget Summary

This first section of the budget document contains the budget message, which highlights the fiscal outlook and strategies to be implemented for this budget year. The budget message also summarizes the final budget results regarding revenues, expenditures, transfers in and out, personnel changes, capital projects, and the enterprise funds. Also in this section is the City's Vision, Mission Statement and any budget awards the City has received.

### Budget Overview

The Budget Overview section contains both general budget information and summarized financial information. The summarized financial information first concentrates on reporting the "operating" revenue and expenditure balances both in report and graph formats. In Palm Springs, operating funds include the General Fund. The Budget Summary-Operating Funds report shows the final budgeted operating revenues and expenditures, transfers in and out, and any projected savings. This report also identifies any surplus or deficit. The operating revenue graph is categorized by eleven major revenue sources, such as property taxes and sales/use taxes. The operating expenditures graph is summarized by seven service area categories, such as administration, growth management, and public safety. Following the operating report and graphs is the Appropriation Summary - All Funds. This report is a summary of all appropriations (exclusive of the Redevelopment Agency, which has its own section) and is categorized by five fund groupings and various service area categories. The five fund groupings include the operating, special revenue, enterprise, internal service, and debt service fund categories. An Appropriations Detail report follows the above report and identifies the appropriations at the departmental level. The information on the Appropriations Detail report further ties to the individual department sheets located in the Department Summaries section. Concluding the Budget Overview section is a graph showing the breakdown of the internal service funds and a graph showing the distribution of authorized positions by service area.

### City Information

This City Information section contains general city information along with the City's organizational chart. The Vision and Mission Statement are also included in this section.

### Management & Budget Policies

The Management & Budget Policies section contains various city policies such as the legal requirements regarding the annual budget, controls and accounting basis, description of reporting entities, general management and budget policies, the revenue and reserves policies, capital improvement policy, investment policy, debt and grant administration policies, cost accounting policy, the Articles XIII B Appropriations Limit and the source of funds by department.

### Fund Summaries

The Fund Summary section begins with a combined summary of revenues, expenditures, transfers & fund balances for all Fiscal Year 13-14 funds within the city (exclusive of the Successor Agency.) This combined fund summary report is followed by summaries of each individual fund.

The Individual Fund Summaries shows the sources (revenues) and uses (expenditures) detail for each fund within the City. The fund title and account number are identified at the top of each fund sheet. These sheets also identify the transfers in and out as well as the ending balance for each fund and also provide a 5- year picture of each fund.

### Department Summaries

The Department Summaries section explains the purpose and task of each department, identifies the department's objectives and prior year's accomplishments, reports the current year's approved expenditure budget and shows the prior two years' budget and actual expenditures for comparison purposes, and concludes with identifying the authorized employee positions for that department. The Redevelopment Agency is excluded from this section. The current year adopted budget information ties to the Appropriations Detail report located in the Budget Overview section and the employee positions tie to the allocated position report located in the Appendix section.

### Successor Agency

This section reports the departmental information as identified above for the late Redevelopment Agency and the newer areas of the Successor Agency.

### Capital Improvements / Measure J Capital

The Capital Improvement section identifies those specific projects that were approved in this year's budget. This section includes the City's Measure J Funds as well.

### Appendix

The Appendix section contains population, statistical, demographical, and general City information. Examples of items covered in this area include an authorized personnel report, Benefit Rate sheet, budget resolutions; property tax distribution graphics, GANN appropriations limit information, various City statistics, frequently asked questions, a glossary and acronyms listing.

## FY 2015-2016 BUDGET OVERVIEW

The budget process is the key to the development of Palm Springs' strategic plan – allowing departments the opportunity to reassess goals and objectives and the means for accomplishing them. Though the budget is reviewed by the Council in late March and adopted as early as May but not later than June 30, its preparation begins several months prior, with projection of City reserves, revenue and expenditure forecasts, and citizen commissions and departmental needs assessment. It is with this groundwork that departmental expenditure requests are made and subsequently reviewed.

In the middle of December, prior year through January, each department assesses its current activities and reviews its spending records provided through the City's Finance department. This information is used as a base for developing the following year's plan. Department Heads confer with their staff to develop a work plan and to estimate necessary financing. Revenue estimates are developed by the Finance Department, with the help of other departments that generate fees and/or charges. In February, the departmental budget assessments are returned to the Finance Department for review and compilation. During the month of February, the City Manager, Assistant City Manager, Chief of Staff, Finance Director and Senior Financial Analyst, meets with the department directors to discuss their requests and gather additional budget information. This information is then compiled into a rough draft assessment for each department.

Also in February, the departments return the Capital Improvement Budget requests to the Finance Department for review and compilation. These requests consist of the Measure J and Other Capital Budget Worksheets. Requests are then taken to the City Manager, Assistant City Manager, Chief of Staff and Finance Director. Preparation for discussion and review with the Measure J Committee and then City Council continue throughout the Budget process.

After the review of each departmental budget and the Capital Improvement Budget, the desired changes are then incorporated into the preliminary budget document in early April. The Preliminary Budget document is then submitted to the City Council at the first Council Meeting in April.

Budget documents are available to the general public and the citizens of Palm Springs on the City's website.

Throughout the months of April and May, the Finance Department conducts Council Meetings and Study Sessions on the departmental budgets and the Capital Improvement Budget for the Public and the City Council. All Council and City Manager changes are then incorporated into the Proposed Budget document. The Proposed Budget document is then presented to City Council as early as May but no later than the first City Council meeting in June, where a public hearing is conducted. After receiving citizen input, and any additional Council input, the budget is adopted at this meeting or a subsequent meeting prior to June 30.

At each step of the budget process, the information is stored through the City's electronic data processing system. Changes can be made easily and the remaining information stored for the next budget cycle. After approval of the budget, the adopted revenue and appropriations are automatically posted in the City's accounting ledgers.

All City departments are required to monitor their budgets and spend only amounts allocated by the City Council. However, during the year, unforeseen costs arise which cannot be accommodated within the original adopted budget. For these circumstances, the City Manager may recommend budget modifications to the City Council. The City Council may approve budget modification resolutions to make the necessary changes. At any meeting after the adoption of the budget, appropriations may be modified and/or transferred by adoption of a resolution by Council.

Every employee plays a role in budgeting – whether in its formulation, preparation, implementation, administration or evaluation. Ultimately, of course, each Department head, through the City Manager, is accountable to the City Council for the performance of departmental personnel in meeting specific objectives within allocated resource limits.

Actual budget responsibility can be identified more specifically:

- ❖ The Finance Department along with Budget division staff are responsible for preparing an estimate of remaining cost requirements for the current fiscal year, projecting the base budget requirements for the next fiscal year and developing other requests that change or revise the program so that it will be more effective, efficient, productive and economical.
- ❖ The Senior Financial Analyst serves as a vital role in the budget preparation. Responsible for coordinating information, making sure all the necessary documentation is submitted, monitoring the internal review process to meet timelines, and serving as a troubleshooter for problems throughout the budget process.
- ❖ The Capital Improvement / Measure J Plan for the City are compiled from the Departmental Requests at the same time as the Departmental Budget. A Committee comprised of the City Manager, Assistant City Manager, Chief of Staff, and Finance Director are responsible for reviewing all capital projects for timing and cost considerations and preparing a preliminary capital improvement plan recommendation for review and revision by City Council.
- ❖ The Measure J Plan for the City is compiled from Public and Departmental Requests at the same time as the Departmental Budget. The Measure J Committee reviews capital projects funded by the Measure J 1% Sales Tax. These recommendations are then made available to the City Council for review and revision and approval.
- ❖ Department Directors are responsible for reviewing historical performance, anticipating future problems and opportunities, considering alternative solutions, and modifying and assembling their departmental data into a cohesive budget information package. Department Directors critically evaluate all requests, prioritize and submit a budget plan including only those requests that support Council policies, City Manager and administrative direction and departmental mission.
- ❖ The Finance Director, Assistance Finance Director and Senior Financial Analyst within the Finance department are responsible for preparing short-range and long-range revenue and expenditure forecasts, calculating departmental budget targets, assisting departments, reviewing departmental budgets with Department Directors or staff, collating, analyzing, and summarizing departmental requests and preparing budget review materials for the Budget Committee and City Council.
- ❖ The City Manager, Assistant City Manager, Chief of Staff and Finance Directors' key role is translating goals and objectives for the City into recommended funding decisions. They are responsible for reviewing the departmental operating and Capital Improvement Plan / Measure J requests and submitting their recommendations for review by the City Council.
- ❖ The City Manager is responsible for reviewing the total financial program and submitting it to the City Council.
- ❖ The City Council is responsible for the review of the proposed budget and adoption of the final budget.

The City of Palm Springs receives funding from multiple sources. Various staff members from Engineering, Planning, Building, Fire, Police, Library, Public Works, Parks & Recreation and the Airport worked in unison with the Budget staff to develop revenue projections for the coming fiscal year. The projections reflect an overall cautious approach as in past years, mainly due to the uncertainties of the overall state of the economy. Staff considered both the qualitative and quantitative methods of forecasting and used techniques such as trend analysis, economic indicators, and professional judgment to arrive at a consensus as to the forecasted revenue. Revenue forecasting is one of the most challenging aspects in the budget process, as many unknown variables including economic changes, over which the City has no control, affect the ultimate amount of monies going into the City's treasury. These variables include the impact of fluctuations in the local, regional and overall economy, consumer habits and demands, and legislative acts.

The schedules in the Budget Overview section summarize both the Operating Funds and the various departmental costs covering all the departments exclusive of the Successor Agency. The schedules in the financial summaries section include specific details for all funds and departments, again exclusive of the Successor Agency. Listed below is a brief description of each City funding source:

- **Operating Funds** – The City of Palm Springs historically combined the General Fund and the Community Promotion Fund into “Operating Funds”. As a historical note, in Fiscal Year 2010-11, the City blended its Community Promotion Fund into the General Fund to create one Fund. The General Fund now accounts for all the general revenue of the City including revenues related to the promotional efforts of the City with regards to tourism and related activities. The top three operational fund revenues for the City of Palm Springs are:
  - **Transient Occupancy Tax (TOT)** – is a tax assessed per room night on guests staying in City hotels or other boarding type facilities. The Tax applies only to Transients. A Transient is a guest who stays 28 consecutive days or less. The TOT rate was increased effective Jan. 1, 2004 from 12.5% to 13.5% for Group Meeting Hotels (generally hotels more than 125 units). The rate remains at 11.5% for all other hotels and boarding facilities.
  - **Property Tax** – The City receives Property Tax revenues in the form of Secured, Unsecured, Supplemental, Homeowners’ Exemption, Interest and Penalties, and Real Property Transfer Taxes. In accordance with State law, property is assessed at actual full cash value and the maximum tax is 1% of the assessed valuation. Increases in the assessed valuation are limited to 2% per year unless there is a change in property ownership or improvements to the property.
  - **Sales Tax** – The 8.75% Sales and Use Tax is collected by the State Board of Equalization. The City receives 1% of the total based on sales within its jurisdiction. See Appendix D for a full look of the distribution of sales tax.
- **Measure J Funds** – A local 1% sales and use tax revenue to maintain local community services and economically revitalize the downtown area. This Sales and Use Tax was approved by the voters of the City of Palm Springs on November 8, 2011 and is in place for 25 years.
- **Special Revenue Funds** – These funds are used to account for specific revenues that are legally restricted to expenditures for particular purposes.
- **Enterprise Funds** – These funds are used to account for operations that are financed and operated in a manner similar to private business enterprises. The intent of the governing body is that the costs of providing goods or services to the general public be financed or recovered primarily through user charges.
- **Internal Service Funds** – These funds are used to account for the financing of goods or services provided by one department or agency of the City to other departments or agencies on a cost reimbursement basis.
- **Debt Service Funds** – These funds are used to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest.

## FY 2015-2016 CITY INFORMATION

## City of Palm Springs

### **General Background**

Palm Springs lies on the western edge of the Coachella Valley in central Riverside County approximately 107 miles east of Los Angeles. It is within the ecological area known as the Colorado Desert and is 487 feet above sea level. Rising behind the City's downtown business district is the impressive Mt. San Jacinto, elevation 10,831 feet. Palm Springs covers a geographical area of 96 square miles with well-established neighborhoods. Recently there has been a fascination with mid-century modern architecture – something Palm Springs is proud to have as part of its mix of eclectic design styles.

Because it is only a two-hour drive from Los Angeles, Orange and San Diego counties, there are a large number of second homes in Palm Springs. The permanent population is estimated around 46,281, with another 27,000 to 30,000 people living in the City in the winter, bringing the total population to almost 76,000 residents during the winter season.

Approximately 1 million tourists stay in hotels in Palm Springs annually while another 600,000 visitors stay in non-hotel accommodations. They are no doubt attracted by the weather, which includes some 350 days of sunshine.

For those fortunate enough to call Palm Springs home, the City offers a host of unparalleled recreational and cultural opportunities. More than 8,856 pools offer year-round swimming, and minutes from any location in town are bike paths, hiking and equestrian trails, parks, tennis courts and golf courses, including one of the best municipal golf courses in the country. Culturally, the City is home to several acclaimed museums including The Palm Springs Arts Museum, the most significant art museum between Los Angeles and Phoenix. The Palm Springs Art Museum is at the base of Mt. San Jacinto. Founded in 1938, the Palm Springs Art Museum is an educational institution that promotes a greater understanding of art and performing arts through collections, exhibitions and programs. The Museum's permanent art collection features 19th, 20th, and 21st century works focusing on contemporary California art, classic western American art, Native American art; Pre-Columbian art, Mexican art, and European modern art; glass studio art, American mid-twentieth century architecture, and American photography. In addition, the Museum's 400-seat Annenberg Theater keeps an eclectic calendar from ballet to modern dance, opera to jazz, and comedy to drama.

The Palm Springs International Airport (PSP) is served by twelve airlines that connect to hundreds of cities worldwide. Every year, PSP welcomes visitors from over 500 cities around the world. Palm Springs services many markets non-stop including routes to Los Angeles, Portland, San Francisco, and Chicago to name a few. The ten major airline hubs include Alaska Airlines, Allegiant,

American Airlines, Delta Air lines / Delta Connection, Sun Country Airlines, United Airlines / United Express, US Airways, Virgin America, and WestJet.

Located in a historic building at the north end of downtown, the Palm Canyon Theatre is a 206-seat live theatre venue which remains the only Actors Equity Theater in the desert. The theater runs a full season from late September to May, and has entered into a partnership with the Palm Springs International Film Festival. The Agency partnered with the Film Festival to fund renovation of the building. Improvements included building out the projection booth, painting, theater seating, lighting, electrical, marquee sign, bathrooms and other improvements.

The Camelot Theatre is a three-screen movie house and entertainment complex specializing in the finest first-run are film, foreign film, and independent film. Located on Baristo Road across from Palm Springs High School and completely renovated in 1999, it is one of a handful of theatres in the country with its level of technical sophistication and grandeur.

Located in the heart of downtown Palm Springs, the Village Green includes the Historical Society Museum, the Agua Caliente Museum and Ruddy's General Store Museum.

Memorable among the City's natural attractions are the Indian Canyons, one of the world's few remaining California fan palm oases. From the desert floor you can travel 8,500 up Mt. San Jacinto abroad the Palm Springs Aerial Tramway, the world's largest single-span lift, transports riders to San Jacinto Wilderness State Park, where visitors can enjoy hiking and equestrian trails in the summer and cross-country skiing in the winter.

Every Thursday evening, Downtown Palm Springs transforms into the Palm Springs VillageFest, also known as the Palm Springs Street Fair. At the VillageFest, one can experience a diverse array of artists, artisans, entertainers, and purveyors of fresh fruits and vegetables, flowers, jewelry, snacks and sweets. Add all that to a dog friendly event with great shops, restaurants, clubs, and entertainment venues located along World Famous Palm Canyon Drive and the result is one of Southern California's most popular weekly events.

The City features a number of annual special events, including the Annual Veteran's Day Parade, the Palm Springs International Film Festival, and the Festival of Lights Parade, all of which draw visitors from around the world. In addition, the Agua Caliente Band of Cahuilla Indians has established a casino within the City's downtown area.

## **HISTORICAL PERSPECTIVE**

To understand Palm Springs, one has to know a little about its history. Starting out as an Indian Village, the town became a health resort in the early 1900s. During the 1920s and 1930s, it was discovered by Hollywood and American captains of industry, catapulting it into a resort of worldwide reputation. By the 1980s, new developments to the east of Palm Springs were competing for much of its energy. By the mid-1990s, Palm Springs had been rediscovered and is currently experiencing a true economic boom. At the same time, this economic growth is posing new challenges to the community as many residents new and old have become concerned about their quality of life.

Specifically, the issues revolve around protecting this unique man-made environment, which include a distinctive architectural tradition ranging from the mission revival style to mid-century modern, restrained commercial signage, soft lighting and quiet neighborhoods. Because of its sleepiness during the last few decades, there is a general feeling of a time warp which, along with its architectural traditions, has been the subject of numerous national magazine articles in the last few years. This, in turn, has been attracting new tourists and residents alike.

Unlike the other desert resorts in the Coachella Valley, Palm Springs has a true walking downtown Village which has contributed greatly to its newfound popularity. It also has a wealth of newly restored, small historic inns and boutique hotels, as well as major national chain hotels and mid-size hotels.

## **THE CITY GOVERNMENT**

Palm Springs was incorporated as a general law City in 1938, with a council-manager form of government established in 1942. The City adopted a charter in 1994. The City Council consists of four residents who are elected at large to four-year staggered terms. The Mayor is directly elected to a four-year term and serves as the fifth member of the City Council.

The City Council appoints the City Manager and the City Attorney, enacts ordinances and resolutions, establishes policy direction for management staff, and reviews and approves the annual budget expenditures for the City. The Council also serves as the Successor Agency, Housing Authority, Financing Authority and Public Facilities Authority, and individual members of the Council represent the City on a number of area-wide intergovernmental agencies and committees.

The City operates and maintains a full range of municipal services, including a police department, a fire department, an international airport, a parks and recreation program, wastewater treatment plant and two public libraries – the

main library located on Baristo Road and the newly renovated Welwood Library located in the heart of downtown on Tahquitz Canyon Way and Palm Canyon Drive.

### **WORKING WITH YOUR CITY COUNCIL**

A variety of business comes before the City Council at its meetings. The City Council holds regular meetings on the first and third Wednesdays of the month beginning at 6 p.m. The City Council welcomes your participation at its meetings. The public may address the City Council on any item during the public comment period at the beginning of the meeting. Those wishing to address the Council are asked to first complete a speaker's card and give it to the City Clerk so the City has a formal record of individuals who speak. Speakers are called upon by the Mayor and those wishing to address an item on the agenda listed as a public hearing will be called when that item comes up. Public comment is limited to three minutes per person or five minutes if the item is a public hearing.

Televised coverage of all City Council meetings is presented live on local cable TV Channel 17. Coverage is also available on the internet and can be found by going to the City of Palm Springs website home page and clicking "Watch Palm Springs TV".

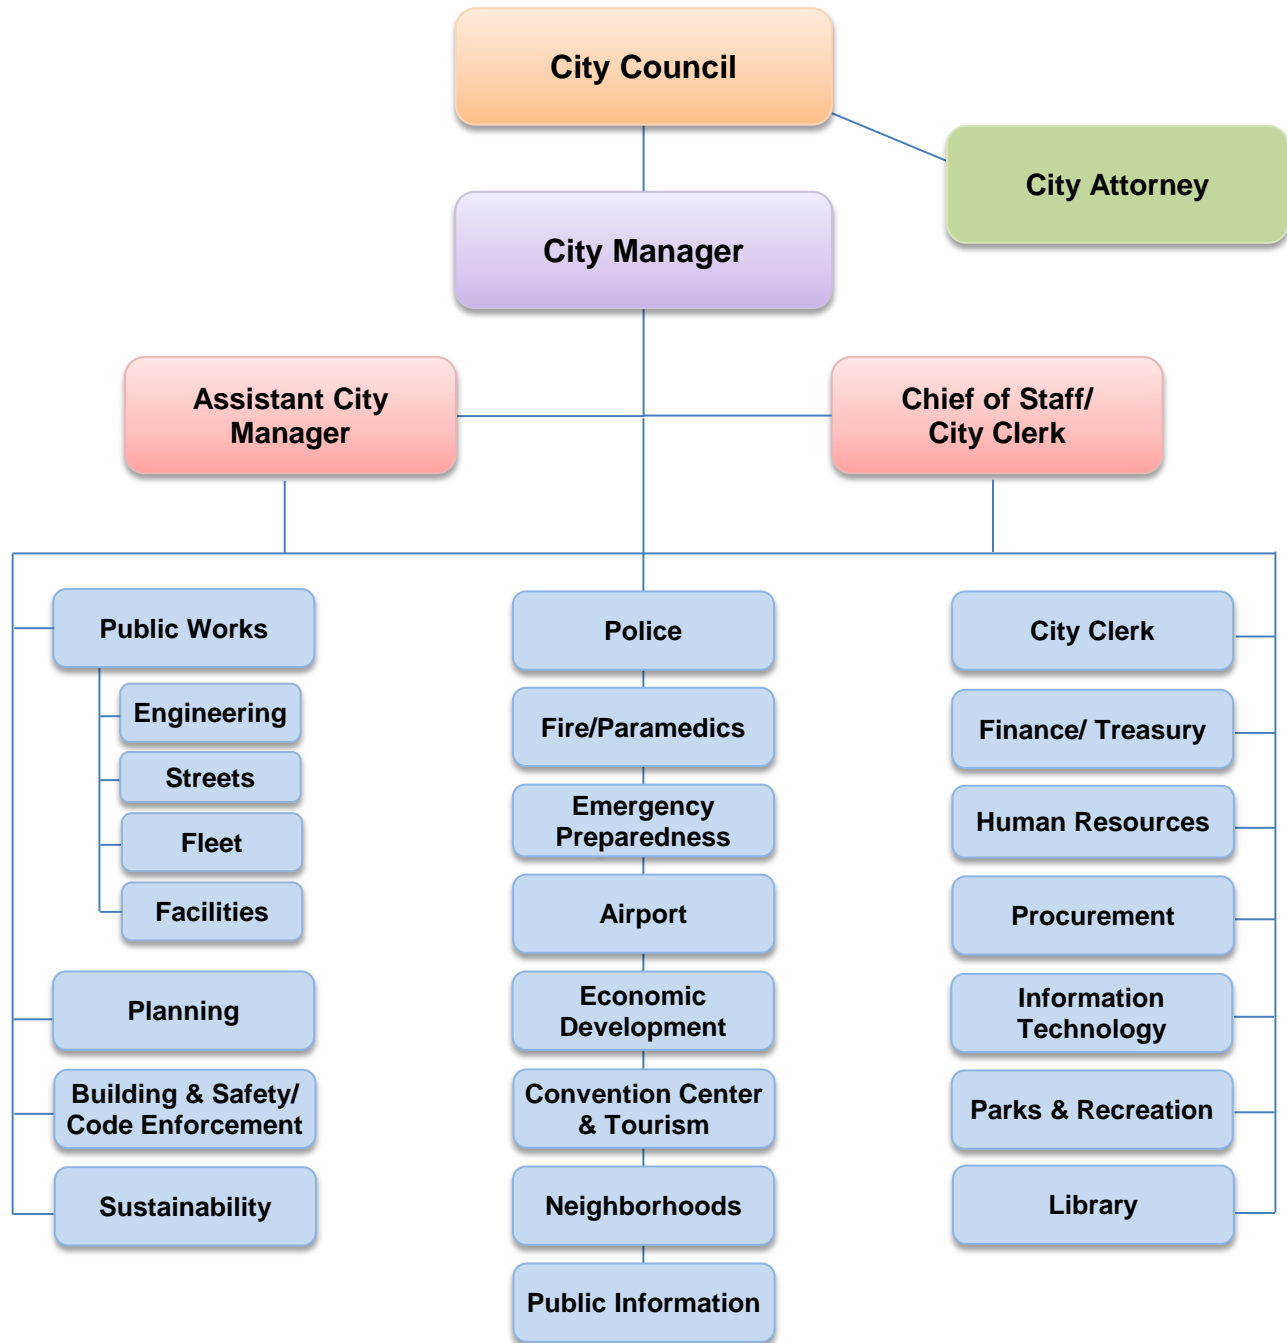

### **OUR CITY MANAGER**

The City Manager serves as Chief Executive Officer of the City and the Executive Director of the Successors Agency. He serves as an advisor to the City Council on policy items impacting the community and the City organization. The City Manager appoints the City's department heads and is responsible for ensuring that city services are performed to the highest standard in accordance with Council policies. The City Manager is responsible for the submission of the City's budget and implementation in support of City Council goals.

**FY 2015-2016 MANAGEMENT & BUDGET  
POLICIES**

City of Palm Springs  
Management and Budget Policies  
Fiscal Year 2015-16

Management and Budget Policies are developed and maintained to set forth the framework for not only the development of the budget for the upcoming year, but the ongoing operations and future needs of the citizens of Palm Springs. The following policies are the foundation that supports the services that our citizens expect and deserve.

1. Legal Requirements Regarding Annual Budget

## 1. LEGAL REQUIREMENTS REGARDING ANNUAL BUDGET

City of Palm Springs Municipal Code Section 2.08.010, Ordinance 116, establishes the City Manager's responsibility to prepare and submit to the City Council the annual budget. The City Manager is also charged with keeping the City Council at all times fully advised as to the financial condition and needs of the City.

The annual budget adopted by the City Council serves as a guideline for operations of the City and the Palm Springs Successor Agency. From the effective date of the budget, the date of formal adoption by City Council, expenditure amounts as proposed are appropriated to departments for the respective expenditure objects and purposes named or described.

## 2. BUDGETARY CONTROLS/ACCOUNTING BASIS

The adopted budget of the City consists of a resolution specifying the total appropriation for each department activity, (e.g., Police Administration, Airport Administration, Street Maintenance, etc.)

Total appropriations for each fund may only be increased or decreased by the City Council by passage of a resolution amending the budget, with the exception of budget adjustments which involve offsetting revenues and expenditures. In cases involving offsetting revenues and expenditures, the Finance Director is authorized to increase or decrease an appropriation for a specific purpose where said appropriation is offset by unbudgeted revenue which is designated for said specific purpose.

The City Manager has authority to adjust the amounts appropriated between the departments and activities of a fund, objects which each departmental activity and between accounts within the objects, provided, however, that the total appropriations for each fund may not exceed the amounts provided in the budget resolution.

The level on which expenditures may not legally exceed appropriations is the fund level. Budgets for the various funds are adopted on a basis consistent with generally accepted accounting principles (GAAP). Annual appropriated budgets are legally adopted for the general, special revenue, debt service, capital, and proprietary fund types.

## 3. DESCRIPTION OF REPORTING ENTITIES

### *a. Description of Reporting Entity*

The City of Palm Springs was incorporated in 1938 under the general laws of the State of California. Effective July 12, 1994, the City of Palm Springs became a Charter City which was approved by the citizens of the City of Palm Springs on June 7, 1994. The City operates under the Council-Manager form of government.

As required by generally accepted accounting principles, the financial statements of the City of Palm Springs include the financial activities of the City (the primary government), the Successor Agency

(Agency) of the City of Palm Springs, and the Palm Springs Financing Authority (Authority). These blended component units are discussed below and are included in the reporting entity because of the significance of their operation and financial relationship with the City.

#### **Blended Component Units:**

##### *Community Redevelopment Agency of the City of Palm Springs (Historical Note)*

The Community Redevelopment Agency's financial activity commenced in September, 1972. The primary purpose of the Agency is to eliminate blighted areas encouraging development of residential, commercial, industrial, recreational and public facilities. The City Council appoints the Agency director and has full accountability for the Agency's fiscal matters. The Agency's financial data and transactions are included with the special revenue fund type, debt service fund type and capital projects fund type. Revenues of the Agency consist primarily of property tax allocations on the incremental increase of property values in the redevelopment area and interest income.

##### *Successor Agency of the City of Palm Springs*

In January 2011, the Governor proposed ending the 425 local redevelopment agencies in California, in a move to secure \$1.7 billion in local property taxes to be used to patch the State's \$25 billion budget deficit. The Legislature passed AB1X 16, which was intended to abolish redevelopment agencies by October 1, 2011: it required that all agency activities be terminated, except for the implementation of existing obligations.

The unwinding of a redevelopment agency would be overseen by a successor entity designed to liquidate the Agency's assets as rapidly as possible. This bill and the related AB1X 27 were challenged by the California Redevelopment Association and the League of California Cities.

On December 29, 2011, the California Supreme Court upheld AB1X 26, which dissolves all of the redevelopment agencies in the State, and struck down ABX1 27, which allowed redevelopment agencies to remain in existence if such agency opted to a "Voluntary Alternative Redevelopment Program" ("VARP").

In the California Supreme Court decisions, the date of dissolution was moved from October 1, 2011 to February 1, 2012.

Under the Law, all accounts of the former Redevelopment Agency (RDA) transfer to the Successor Agency. To preserve the limited liability of the Successor Agency provided in AB1X 26, the Successor Agency holds all former RDA accounts separately from its other.

##### *City of Palm Springs Financing Authority*

The City of Palm Springs Financing Authority was created by a joint exercise of joint powers agreement between the City of Palm Springs and the Community Redevelopment Agency of the City of Palm

Springs on February 1, 1991. The purpose of the Authority is to provide, through the issuance of debt, financing necessary for various capital improvements. The Authority is administered by the Board who are the members of the City Council and the Mayor. The Authority's sole source of income is installment sale, loan and lease payments received from the City and Community Redevelopment Agency which are used to meet the debt service requirements on debt issues. The Authority is blended into various funds of the City.

#### 4. BUDGETARY FUND STRUCTURE

*The City of Palm Springs reports the following major governmental funds:*

Sustainability Fund – To account for revenues and related costs for sustainability.

Special Grants Fund – To account for grant revenues and related costs of special grants.

Capital Projects Funds - are used to account for the purchase or construction of major capital facilities which are not financed by Proprietary Funds or Trust Funds. Capital Projects Funds are ordinarily not used to account for the acquisition of furniture, fixtures, machinery, equipment, and other relatively minor or comparatively short-lived capital assets.

- Capital Projects Funds – To account for the acquisition and construction of major capital facilities other than those financed by proprietary and trust funds.
- Parking Projects Funds – Parking Projects Fund – To account for payments into the Fund from In Lieu parking fees charges, and to account for the Capital expenditures for parking improvements.

Debt Service Funds - are used to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest.

General Debt Service Fund – To account for the payment of principal and interest on the City’s long-term debt issues.

The City of Palm Springs reports the following major enterprise funds:

Airport Fund – This fund is used to account for operations of the City’s international airport.

Wastewater Fund – This fund is used to account for operation of the City’s wastewater treatment plant and related capital expenditures, such as trunk lines.

Golf Course Fund – This fund is used to account for operations of the City’s two municipal golf courses.

Additionally, the City of Palm Springs reports the following fund types:

Internal Funds – Internal Service Funds are used to account for the financing of goods or services provided by one department or agency of a government to other departments or agencies on a cost reimbursement basis.

- Motor Vehicle Replacement Fund – To account for costs related to operations of the central garage and fleet maintenance system, which provides vehicles for most of the City departments. Costs are recovered through a monthly user fee charged to City departments.
- Facilities Maintenance Fund – To account for costs related to operations and maintenance of City facilities. Costs are recovered through a monthly user fee charged to City departments using the service.
- Employee Benefits Fund – To account for costs and liabilities related to public employees’ retirement system and federal taxes. Costs are recovered through a monthly employee benefit charge based upon gross payroll.
- Retiree Health Insurance Fund – To account for the costs of providing health insurance to qualifying retirees.

- Cogeneration Plant Fund – To account for costs of the two cogeneration plants located in the City. Costs are recovered through a user fee based upon electrical consumption. There fees are charged to each department on a monthly basis.

Fiduciary Funds - account for assets held by a governmental entity for other parties, as trustee or as an agent, which cannot be used to finance governmental entity's own operating programs. Fiduciary Funds include the following:

- Historical Society Fund\_– This fund is used to account for monies held in trust by the City for various purposes related to the Palm Springs Historical Society.
- Successor Agency of the Former Redevelopment Agency Fund\_– This fund serves as custodian for assets and liabilities of the Successor Agency Trust pending distribution to the appropriate taxing entities and the payment of enforceable obligations.
- Special Deposits Agency Fund\_– To account for monies held in trust by the City for various purposes ranging from bid bonds to donations for animal shelter activities.

#### 5. GENERAL MANAGEMENT AND BUDGET POLICIES

- Budgetary and accounting procedures will conform to Generally Accepted Accounting Principles (GAAP) for government agencies.
- The City is required to adopt a balanced budget for its General Fund at the beginning of each fiscal year. Current revenues must equal current expenditures.
- The City Manager and/or the Director of Finance submit reports on a quarterly basis to City Council, comparing actual revenues and expenditures to budget amounts. The City Council is also provided a midyear fiscal review which includes current status on the health of the City's financial status. This document is updated for significant events and changes that may have occurred since the last update.
- The City's long-term financial plan takes into account the capital improvement plan (CIPs) and financial forecast as part of its expenditure projects, revenue estimates as well as future debt.

#### 6. REVENUE POLICY

- The City will endeavor to maintain a diversified and stable revenue base to minimize the effects of economic fluctuations on revenue accumulation.
- The City will estimate revenue using objective, analytical processes; in cases of assumption uncertainty, conservative projections will be utilized.
- The City will fund all current expenditures from current revenues.

## 7. RESERVES POLICY

- The Reserve for future Capital projects and equipment replacement has been eliminated and replaced by a program to direct fund in the next fiscal year's budget. The source of this funding is the city's new 1% add-on Sales Tax which is generating revenue of approximately \$10 million annually. This revenue tax will be in place 25 years thru March, 2037.

## 8. CAPITAL IMPROVEMENT PROGRAM POLICY

- The City's Capital Improvement Plan (CIP) identifies each proposed project, the year the project will start, and the proposed method of financing.

The City will actively pursue grant and other outside funding sources for all capital improvement projects.

## 9. INVESTMENT POLICY

### 1.0 POLICY

WHEREAS; The Legislature of the State of California has declared that the deposit and investment of public funds by local officials and local agencies is an issue of statewide concern (California Government Code Sections 53600.6 (CGC §53600.6) and 53630.1); and

WHEREAS; the legislative body of a local agency may invest surplus monies not required for the immediate necessities of the local agency in accordance with the provisions of California Government Code Sections 53601 et seq; and

WHEREAS; the Treasurer of the City of Palm Springs shall annually prepare and submit a statement of investment policy and such policy, and any changes thereto, shall be considered by the legislative body at a public meeting; (CGC §53646 (a); now

THEREFORE; it shall be the policy of the City of Palm Springs to invest funds in a manner which will provide the highest investment return with the maximum security while meeting the daily cash flow demands of the entity and conforming to all statutes governing the investment of City of Palm Springs funds.

### 2.0 SCOPE

This investment policy applies to all financial assets of the City of Palm Springs and its component units. These funds are accounted for in the Comprehensive Annual Financial Report and include, but are not limited to:

General Fund  
Special Revenue Funds  
Capital Projects Fund  
Debt Service Fund  
Enterprise Funds

Internal Service Funds  
Trust and Agency Funds  
Community Redevelopment Funds  
Proceeds from Bond Issues (see 8.2)

Contributions made by or on behalf of employees to Deferred Compensation accounts are not covered by this policy.

### 3.0 PRUDENCE

Investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the management of their own affairs; not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived. The standard of prudence to be used by investment officials shall be the "prudent investor" standard (CGC §53600.3) and shall be applied in the context of managing an overall portfolio. Investment officers acting in accordance with written procedures and the investment policy and exercising due diligence shall be relieved of personal responsibility for an individual security's credit risk or market price changes, provided deviations from expectations are reported in a timely fashion and appropriate action is taken to control adverse developments.

### 4.0 OBJECTIVES

As specified in CGC §53600.5, when investing, reinvesting, purchasing, acquiring, exchanging, selling and managing public funds, the primary objectives, in priority order, of the investment activities shall be:

1. **Safety:** Safety of principal is the foremost objective of the investment program. Investments of the City of Palm Springs shall be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio. To attain this objective, diversification is required in order that potential losses on individual securities do not exceed the income generated from the remainder of the portfolio.
2. **Liquidity:** The investment portfolio will remain sufficiently liquid to enable the City of Palm Springs to meet all operating requirements which might be reasonably anticipated.
3. **Return on Investments:** The investment portfolio shall be designed with the objective of attaining a market rate of return throughout budgetary and economic cycles, taking into account the investment risk constraints and the cash flow characteristics of the portfolio.

### 5.0 DELEGATION OF AUTHORITY

Authority to manage the investment program is derived from California Government Code Sections 53600 et. seq. Management responsibility for the investment program is hereby delegated to the Treasurer, who shall establish written procedures for the operation of the investment program consistent with this investment policy. Procedures should include references to: wire transfer agreements, and collateral / depository agreements, as appropriate. Such procedures shall include explicit delegation of authority to persons responsible for investment transactions. No person may engage in an investment transaction except as provided under the terms of this policy and the procedures established by the Treasurer.

The Treasurer shall be responsible for all transactions undertaken and shall establish a system of controls to regulate the activities of subordinate officials. Under the provisions of California Government Code 53600.3, the Treasurer is a trustee and a fiduciary subject to the prudent investor standard.

## **6.0 ETHICS AND CONFLICTS OF INTEREST**

Officers and employees involved in the investment process shall refrain from personal business activity that could conflict with the proper execution of the investment program, or which could impair their ability to make impartial investment decisions.

## **7.0 AUTHORIZED FINANCIAL INSTITUTIONS AND DEALERS**

The Treasurer will maintain a list of financial institutions, selected on the basis of credit worthiness, financial strength, experience and minimal capitalization, authorized to provide investment services to the City of Palm Springs. No public deposit shall be made except in a qualified public depository as established by state laws.

For broker / dealers of government securities and other investments, the City of Palm Springs shall select only broker/dealers who are licensed and in good standing with the California Department of Securities, the Securities and Exchange Commission, the National Association of Securities Dealers or other applicable self-regulatory organizations.

Before engaging in investment transactions with a broker / dealer, the Treasurer shall have received from said firm a signed Certification Form. This form shall attest that the individual responsible for the City of Palm Springs' account with that firm has reviewed the City of Palm Springs' Investment Policy and that the firm understands the policy and intends to present investment recommendations and transactions to the City of Palm Springs that are appropriate under the terms and conditions of the Investment Policy.

## **8.0 AUTHORIZED AND SUITABLE INVESTMENTS**

M. Any mortgage pass-through security, collateralized mortgage obligation, mortgaged backed or other pay-through bond, equipment lease-backed certificate, consumer receivable pass-through certificate or consumer receivable backed bond of a maximum maturity of five years. Securities in this category must be rated AA or better by a nationally recognized rating service. Not more than 10% of surplus funds may be invested in this category of securities.

N. The various limits on what percentage of surplus funds (the Percentage of Portfolio or POP limits) may be invested by type or maturity shall be calculated when the investment or reinvestment is made.

Also, see CGC §53601 for a detailed summary of the limitations and special conditions that apply to each of the above listed investment securities. CGC §53601 is attached (Exhibit B) and included by reference in this investment policy.

## 8.1 PROHIBITED INVESTMENTS

Under the provisions of CGC §53601.6 and §53631.5, the City of Palm Springs shall not invest any funds covered by this Investment Policy in inverse floaters, dual index, stepped inverse derivatives, repurchase agreements, reverse repurchase agreements, range notes, interest-only strips derived from mortgage pools or any investment that may result in a zero interest accrual if held to maturity.

## 8.2 BOND PROCEEDS

In addition to the investment vehicles enumerated in Section 8, the proceeds of bond issues (including reserve funds) may be invested in long term Guaranteed Investment Contracts (GIC) or Investment Agreements (IA) that comply with the Permitted Investment restrictions of the particular bond issue.

Before soliciting bids from providers of GIC's or IA's, the Treasurer shall obtain approval from the City Council to proceed.

## 9.0 INVESTMENT POOLS / MONEY MARKET MUTUAL FUNDS

A thorough investigation of the pool / fund is required prior to investing, and on a continual basis. There shall be a questionnaire developed which will answer the following general questions:

- A description of eligible investment securities, and a written statement of investment policy and objectives.
- A description of interest calculations and how it is distributed, and how gains and losses are treated.
- A description of how the securities are safeguarded (including the settlement processes), and how often the securities are priced and the program audited.
- A description of who may invest in the program, how often, what size deposit and withdrawal are allowed.
- A schedule for receiving statements and portfolio listings.
- Are reserves, retained earnings, etc. utilized by the pool/fund?
- A fee schedule, and when and how is it assessed.
- Is the pool / fund eligible for bond proceeds and/or will it accept such proceeds?

## 10. COLLATERALIZATION

All certificates of deposits must be collateralized by U.S. Treasury Obligations or U.S. Government Agency Securities. In order to anticipate market changes and provide a level of security for all funds, the collateralization level will be 102% of market value of principal and accrued interest. Collateral must be held by a third party trustee and valued on a monthly basis.

## 11. SAFEKEEPING AND CUSTODY

All security transactions entered into by the City of Palm Springs shall be conducted on a delivery-versus-payment (DVP) basis. Securities will be held by a third party custodian designated by the Treasurer and evidenced by safekeeping receipts.

## 12. DIVERSIFICATION AND MAXIMUM MATURITIES

The City of Palm Springs will diversify its investments by security type and institution. It is the policy of the City of Palm Springs to diversify its investment portfolio. Assets shall be diversified to eliminate the risk of loss resulting from over concentration of assets in a specific maturity, a specific issuer or a specific class of securities. Diversification strategies shall be determined and revised periodically. In establishing specific diversification strategies, the following general policies and constraints shall apply:

- (a) Portfolio maturities shall be matched versus liabilities to avoid undue concentration in a specific maturity sector.

(b) Maturities selected shall provide for stability of income and liquidity.

(c) Disbursement and payroll dates shall be covered through maturities investments, marketable U.S. Treasury bills or other cash equivalent instruments such as money market mutual funds.

Specifically, the following amounts or percentages of the total portfolio for the maturities noted shall be maintained:

<u>Maturity Range</u>	<u>Minimum</u>	<u>Maximum</u>
1 days to 365 days	\$8,000,000	NA
1 year to 3 years	0%	50%
3 years to 5 years	0%	30%
Over 5 years	Council Action Required	

The weighted average maturity of the pooled portfolio shall not exceed three years (1,095 days). The maximum amounts or percentages may be adjusted to reflect the anticipated shorter duration of certain investments that may likely be called prior to their stated date of maturity.

### 13. STRATEGY OF INVESTMENTS

It shall be the strategy of the City of Palm Springs to hold investments to maturity. If, because of changing market conditions or the City's cash flow needs, it becomes necessary to sell an investment prior to maturity (either at a profit or loss), the Treasurer shall first obtain written approval for the transaction from the City Manager. The City Manager shall inform the Mayor and City Council of the transaction at the earliest opportunity, but no later than the next regularly scheduled Council meeting or study session.

### 14. OVERSIGHT COMMITTEE

A committee comprised of one Council member appointed by Council, the City Manager and the Treasurer, shall provide oversight of the City's investments. The Committee shall meet at least quarterly to review the City's investment activity.

### 15. REPORTING

In accordance with CGC §53646(b)(1), Treasurer shall submit to each member of the City Council monthly investment reports within 30 days of the end of the quarter in which the month falls. The report shall include a complete description of the portfolio, the type of investments, the issuers, maturity dates, par values and the current market values of each component of the portfolio, including funds managed for City of Palm Springs by Fiscal Agents, Deferred Compensation Plan Provider (except Deferred Comp funds held in trust) or third party contracted managers. The report will also include the source of the portfolio valuation, and the changes in the value of each investment over the last quarter. As specified in CGC §53646(e), if all funds are placed in LAIF, FDIC-insured accounts and/or in a county investment pool, the foregoing report elements may be replaced by copies of the latest statements from such institutions, including changes in value over the last quarter. The report must also include a certification that (1) all investment actions executed since the last report

have been made in full compliance with the Investment Policy and, (2) the City of Palm Springs will meet its expenditure obligations for the next six months as required by CGC §53646(b)(2) and (3) respectively. The Treasurer shall maintain a complete and timely record of all investment transactions.

**16. INVESTMENT POLICY ADOPTION**

The Investment Policy shall be adopted by resolution of the City of Palm Springs City Council. The Policy shall be reviewed on an annual basis, and modifications approved by the City Council.

**GLOSSARY** - Definition of investment-related terms are listed in the Appendix Section.

**10. DEBT ADMINISTRATION AND POLICIES**

**Legal Debt Margin Information 2014**

(In Thousands of Dollars)

	2014
Assessed Valuation	\$9,320,889
Conversion percentage	25%
Adjusted assessed valuation	2,330,222
Debt limit percentage	15%
Debit limit	349,533
Total net debt applicable to limit:	
General Obligation Bonds	128,648
Legal debt Margin	220,885

**Total Debt applicable to the limit as a percentage of debt limit – 36.8%**

The Government Code of the State of California provides for a legal debt limit of 15% of gross assessed valuation. However, this provision was enacted when assessed valuation was based upon 25% of market value. Effective with the 1981-82 fiscal year, each parcel is now assessed at 100% of market value (as of the most recent change in ownership for that parcel). The computations shown above reflect a conversion of assessed valuation data for each

fiscal year from the current full valuation perspective to the 25% level that was in effect at the time that the legal debt margin was enacted by the State of California for local governments located within the state.

**DEBT POLICY**

The City’s key debt management goal is to protect and enhance the viability of the General Fund and other associated operating funds to enable the City to continue to deliver quality services to the citizens of Palm Springs.

The City will comply with a policy of full disclosure on every financial report and bond prospectus. The City will maintain good communications with bond rating agencies regarding the City’s financial condition and other relevant data to the debt.

**RATIOS OF OUTSTANDING DEBT BY TYPE – Last Nine Fiscal Years**

Governmental Activities – Details regarding the City’s outstanding debt can be found in the City’s CAFR at [www.palmspringsca.gov](http://www.palmspringsca.gov), see Finance Department. Only nine years of information has been presented, prior years are unavailable.

### 11. GRANT ADMINISTRATION POLICY

To aggressively seek and apply for federal, state and other agencies grant funding to support a variety of social, recreation, public safety, and public works programs. Effectively administer grants to ensure the grants can be best integrated into the City's service goals and financial planning.

#### HOW A GRANT APPLICATION IS HANDLED

The City Council and/or City Manager approve all Grant Applications. Budget not established and funds not spent or obligated until after the Grant has been approved. Each Grant is accounted for in unique, segregated accounts. Only direct employee and other costs are charged directly to any Grant.

### 12. COST ACCOUNTING APPLICATION

#### Internal Services Charges

Internal Service Funds account for goods and services provided by one department to other departments on a cost reimbursement basis. Currently, the City maintains the following Internal Services Funds; they are Motor Vehicles, Facilities Maintenance, Risk Management and Wastewater Treatment. Internal Service charges are developed as follows: Motor Vehicles based on replacement charges and maintenance operations, Facilities Maintenance based on square footage, Risk Management departments are based on budget payroll, full time employee numbers (FTE's), claims history and actual fringe benefits insurance costs, and Wastewater Treatment based on direct costs.

The City updates internal services charges every Fiscal Year to ensure adequate charges for the City's current costs and future liabilities.

### 13. ARTICLE XIII B APPROPRIATIONS LIMIT (GANN APPROPRIATIONS LIMIT)

Article XIII B of the California Constitution requires governmental units to establish an annual appropriations limit. Proposition 4 (Article XIII B) which was approved by the voters in 1979 and modified by Proposition III in 1990 is commonly identified as the Gann Limit and creates a restriction on the amount of revenue which can be appropriated for expenditures in any fiscal year. The revenues which are subject to the limitation are those considered "proceeds of taxes." Examples of tax proceeds included property, sales, and transient occupancy taxes as well as motor vehicle license fees. It is important to point out that only specific revenues and appropriations are subject to limitation. For Palm Springs, all of the City's enterprise and intergovernmental service funds as well as any Federal funds are exempt.

Palm Springs' limit was established by using 1978-79 appropriations as the base year and allowing the base to increase in the future years by the percentage of growth in population and inflation. During any fiscal year, a city may not appropriate any proceeds of taxes it receives in excess of its limit. If the City exceeds its Gann Limit, it may avoid a tax refund if they fall sufficiently below the limit in the next fiscal year. Any fees; or, alternatively, by a majority vote, the citizens may approve an override to increase the limit. As shown below Palm Springs has not exceeded its Gann Limit.

Calculation details are as follows:

The changes proposed by Proposition 111 allow the City to annually choose among the following options for calculating its Gann Limit:

- o Population growth of Palm Springs, or
- o Population growth within Riverside County, and
- o Growth in California per capita income, or
- o Growth in non-residential assessed valuation due to new construction in the City.

The factors used to calculate the 2015-16 limit are:

- o Population growth of Palm Springs, and
- o Growth in California per capita income

The formula to calculate expenditure limit is outlined below:

A. Prior Year (2014-15) Expenditure Limit	\$136,034,338
B. Adjustment Factors	
1 Palm Springs population growth converted to a ratio	1.0103
2 % growth in California per capita income converted to a ratio	1.0382
Total Adjustment ratio (B.1 x B.2)	<u>1.04889346</u>
C. Annual Adjustment (A x (B-1))	6,651,189
D. Other Adjustments	0
E. Total Adjustments (C + D)	<u>6,651,189</u>
F. 2015-16 Expenditure Limit (A + E) or (A*B)	<u><u>\$142,685,527</u></u>

Appropriations subject to limit and formula to calculate operating margin:

AA	Current Appropriation of Proceeds of Taxes	\$92,213,278
BB	Exclusion	0
CC	Current Appropriation of Proceeds of Taxes Subject to Limit	<u>92,213,278</u>
DD	2015-16 Expenditure Limit (F)	142,685,527
EE	2015-16 Over(Under) Limit (CC-DD)	<u><u>(\$50,472,249)</u></u>

The spending limit for the City of Palm Springs for 2015-16 is \$142.6 million with appropriations of “proceeds of taxes” of \$92.2 million. The result of the calculation provides the City with an operating margin of \$50.4 million and indicated that the City of Palm Springs is under the appropriations limit.

The deficit is due to the division of Bond defeasance between two Airport funds (410 & 415). The single enterprise of the Airport has historically been made up of two funds for the purpose of identifying Passenger Facility Charge (PFC) revenues. The two funds get combined for reporting purposes on the CAFR.

**QUIMBY PARK & RECREATION**

The goal of the Quimby Act was to require developers to help mitigate the impacts of property improvements. The act gives authority for passage of land dedication ordinances only to cities and counties. Special districts must work with cities, and/or counties to receive parkland dedication and/or in-lieu fees. The fees must be paid and land conveyed directly to the local public agencies that provide park and recreation services community-wide. This activity provides a place in the City budget for funding of Parks and Recreation projects.

FY 14-15 - This Department was moved to a new fund

FY 2015-2016 SUCCESSOR AGENCY

> Dissolution of Redevelopment in California under AB 1X 26.

In June 2011, the the Legislature passed and the Governor signed AB 1X 26, dissolving the 425 local redevelopment agencies in California. Delays due to litigation over AB1X 26 delayed abolition until February 1, 2012 at which point all agency activities were terminated, except for the implementation of existing obligations.

The unwinding of a redevelopment agency would be overseen by a successor entity designed to liquidate the Agency's assets as rapidly as possible, and further overseen of an Oversight Board with representatives of the sponsoring city and other taxing entities.

Under the Law, all accounts of the former Redevelopment Agency (RDA) transfer to the Successor Agency. To preserve the limited liability of the Successor Agency provided in AB1X 26, the Successor Agency holds all former RDA accounts separately from its other.

FY 2015-2016 CAPITAL IMPROVEMENTS

Summary:

The Capital Budget authorizes and provides the basis for control of expenditures for the acquisition and construction of capital facilities. It is the intent of the Finance Department and City Management to have capital improvement projects completed within the scope provided by capital improvement funds. As capital improvements projects are completed, the facilities are funded in the Operating Budget. The 2015-16 City capital budget, including transfers out, totals \$3,229,110 and includes projects in such programs as city facilities, street overlays, parks, traffic, and drainage.

Policy:

Capital Projects Funds are used to account for the purchase or construction of major capital facilities which are not financed by Proprietary Funds or Trust Funds. Although Capital Project Funds may be used for the acquisition of furniture, fixtures, machinery, and equipment; these funds are usually reserved for major facility construction and improvements or may be used for individual items that together form a larger project expenditure group.

Capital assets (including infrastructure) greater than \$5,000 are capitalized and recorded at cost or at the estimated fair value of the assets at the time of acquisition where records have not been maintained. Contributed capital assets are valued at their estimated fair market value at the date of the contribution. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are not capitalized. Items that are usually placed in the Capital Projects funds normally have costs in excess of the \$15,000 to \$20,000 range.

Capital assets which may include public domain (infrastructure) general capital assets, cover certain improvements such as roads, bridges, curbs and gutters, streets and sidewalks, medians, sewer and storm drains.

The City's Capital Improvement Plan (CIP) identifies each proposed project, the year the project starts, and the proposed method of financing. The City will actively pursue grant and other outside funding sources for all capital improvement projects.

Depreciation has been provided using the straight-line method over the estimated useful life of the asset in the government-wide financial statements and in the fund financial statement of the proprietary funds.

Interest is capitalized on proprietary fund assets acquired with tax-exempt debt. The amount of interest to be capitalized is calculated by offsetting interest expense incurred from the date of the borrowing until completion of the project with interest earned on invested proceeds over the same period.

Revenue Sources:

General Capital Improvement Fund (Fund 261) - Projects identified under this fund cover general City improvements and receive their funding from a Transfer-in from the General Fund, Utility Users Tax, Technology Enhancement Fees, Developer Fees and various Grants. In FY 15-16, the FY 15-16 General Fund Transfer-in to the Capital Fund was not made. The City continues to hold steadfast in the decision not to make the General Fund transfer. Historical note: Prior to FY 03-04, the City practice has been to allocate 19% of sales tax revenue to assist in the funding of general city capital improvement projects (CIP); however, to help reduce the deficit, this allocation was reduced to 5% in FY 03-04 and to no (0%) sales tax dedication for FY 04-05. Starting in FY 05-06 the funding for general city capital projects came directly as a \$400,000 Transfer-in from the General Fund instead of an off-set from sales tax. This was done so that sales tax would start being recorded as "actual amounts received" versus an adjustment figure net of a % transferred to capital. The \$400,000 value was a match to the last 5% contribution amount presented in FY 03-04. It was hoped that as revenue improved higher levels would be made in the outgoing years. In FY 08-09 the transfer had climbed to \$552,500 before being impacted, once again, by poor economic conditions. As an additional general fund cost saving measure, the \$400,000 Measure Y transfer was not made in FY 09-10 and will also not be made in FY 10-11. Historical note: The annual \$400,000 transfer was supported by the Utility Users Tax and was approved by voters in November 1999 as Measure Y. When economic conditions permitted, this \$400,000 transfer was used to cover additional Parks, Recreation and Library projects. Although conditions have improved, the City continues to take cautious steps forward into FY 15-16 with this Fund.

Revenue Sources (continued):General Capital Improvement Fund (Fund 261) (Continued)

The other Fund 261 revenue sources of Technology Enhancement Fees, Developer Fees, and various Grants vary depending upon level of development activity and availability of various grant resources in each fiscal year.

Measure J 1% Sales Tax (Fund 260) - On November 8, 2011 Palm Springs voters approved Measure J, a local revenue measure to maintain local community services and economically revitalize our Downtown. Measure J is a 1% sales tax

Gas Tax Fund (Fund 133) - Projects under this fund cover street maintenance and street improvements only. The revenue is received from the State of California and other sources.

Measure A Improvements Fund (Fund 134) - Projects under this fund cover street maintenance and street improvements only. The revenue is received from the State of California from a special 1/2% sales tax.

Drainage Construction Fund (Fund 135) - Revenue is received from fees assessed on new construction for the purpose of building and maintaining a drainage and flood control system within the City.

Parking Fund (Fund 132) - A General Fund supported bond issue and minor miscellaneous. Parking revenue provided funding for various City parking lots and the downtown parking structure built during FY 01-02 & FY 02-03.

Quimby Act Fees (Fund 152) - Revenue is received from Quimby Act Park Fees which are intended to pay for future park and recreational facilities. As funding dollars are not always known, these projects are often not budgeted or identified until actual dollars are received.

Airport Fund/Special Capital Projects (Fund 416) - Special Capital Projects funding for the Palm Springs International Airport is used for capital projects related to the airport. Revenue is received from an airline landing fee surcharge. This includes equipment purchases, crack filling, furniture, fixtures and equipment for the new hold rooms, public parking control gates, road way finding signage and terminal furniture replacement.

Airport Fund/Federal Grants (Fund 416) - Revenue is received from Federal Grants (FAA) and used to rehabilitate and remodel the Palm Springs International Airport.

Wastewater Treatment Fund (Fund 420) - Revenue for this fund is not subsidized by general operating revenues of the City and is fully privatized. The treatment plant operations were privatized in September 1999, and are managed with a contract between the City of Palm Springs and Veolia Water North America - West, LLC.

RESOLUTION NO. 23838

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALM SPRINGS, CALIFORNIA, APPROVING THE BUDGET FOR FISCAL YEAR 2015-16 AND SUCH OTHER MATTERS AS REQUIRED.

WHEREAS, pursuant to City Charter Section 901, a budget for Fiscal Year 2015-16 has been prepared by the City Manager, Department Heads, and other City personnel; and

WHEREAS, pursuant to City Charter Section 903 the City Council conducted a duly noticed Public Hearing with respect to the Fiscal Year 2015-16 Budget; and

WHEREAS, the City Council has examined said budget, and considered all written and verbal public comments, and after due deliberations and consideration, made any such amendments in the preliminary budget as it considered desirable; and

WHEREAS, pursuant to City Charter Section 904, the City Council desires to adopt the Budget for Fiscal Year 2015-16.

NOW THEREFORE THE CITY COUNCIL OF THE CITY OF PALM SPRINGS DETERMINES, RESOLVES AND APPROVES AS FOLLOWS:

SECTION 1. The Fiscal Year 2015-16 Budget attached hereto and made a part hereof is hereby approved and effective July 1, 2015.

SECTION 2. The City Council approves a General Fund loan to the Airport Fund in the amount of \$700,000 to be repaid within three fiscal years. The City Manager is authorized to approve the repayment of such loan as appropriate funds are available. The Director of Finance and Treasurer is authorized to create accounts and make accounting entries to account for the loan.

SECTION 3. The City Council approves a General Fund loan to the Measure J Fund in the amount of \$1,000,000 to be repaid within three fiscal years. The City Manager is authorized to approve the repayment of such loan as appropriate funds are available. The Director of Finance and Treasurer is authorized to create accounts and make accounting entries to account for the loan.

SECTION 4. The Director of Finance and City Treasurer is authorized to record interfund transfers in accordance with the Summary of Budgeted Interfund Transfers as required to support the activities of each fund.

SECTION 5. The Director of Finance is authorized to record the Fiscal Year 2014-15 and 2015-16 Budget and other such accounting entries as may be necessary

for proper accounting treatment in accordance with rules and regulations applicable to City of Palm Springs' funds.

SECTION 6. The payment of demands prior to audit by the Finance Committee and the City Council may be made by the Director of Finance in conformance with the authority provided by Section 37208 of the California Government Code.

SECTION 7. Section II of Resolution No. 18834 Vehicle Replacement Schedule, is hereby suspended for Fiscal Year 2015-16.

SECTION 8. Section 1 of Resolution No. 23470 is hereby amended to provide the addition to Fund 874, Housing Successor, and the Director of Finance is authorized to record such accounting entries as may be necessary for the proper accounting.

SECTION 9. The Director of Finance is authorized and shall carry forward open purchase orders, and unencumbered balances of appropriations not yet expended as continuing appropriations, from Fiscal Year 2014-15 to Fiscal Year 2015-16, with the approval of the City Manager.

SECTION 10. The City Manager and City Clerk are hereby jointly authorized to execute any professional services or sponsorship contract specifically funded by the Fiscal Year 2015-16 Budget so long as such contract does not exceed the amount so funded. The authority to enter into agreements pursuant to this provision shall be deemed complementary to and consistent with the authority to enter into contracts provided in City Council Resolution No. 20271.

SECTION 11. As a result of any changes to the Recognized Obligation Payment Schedule (ROPS), clawbacks, adjustments to the Redevelopment Property Tax Trust Fund (RPTTF) or the Administrative Cost Allowance (ACA) required of the Successor Agency of the former Community Redevelopment Agency by its Oversight Board, the Riverside County Auditor-Controller, or the State of California or similar actions by those bodies and approved by the Successor Agency and Oversight Board, shall constitute an approved amendment to the City Budget without further action by the City Council.

SECTION 12. The City Manager is hereby authorized to pay any final and non-contested demands of the State of California payable by the City in Fiscal Year 2014-15 and Fiscal Year 2015-16 pursuant to Section 1.85 of Division 24 of the California Health and Safety Code, as amended, and such demand shall constitute an approved amendment to the City budget without further action by the City Council.

SECTION 13. The City Manager is hereby authorized to approve interfund transfers or transfers from fund balance to operating activity accounts for the Risk Management Fund (Fund 540) for Fiscal Year 2015-16 as may be required from time to time. For the purpose of this resolution, interfund transfers include but is not limited to internal service funds.

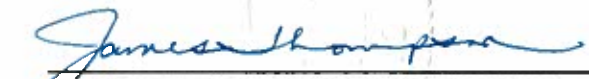

**SECTION 14.** The City Manager is hereby authorized to approve interfund transfers and appropriations from fund balance to operating accounts for Fiscal Year 2014-15 and Fiscal Year 2015-16 the purpose of implementing any TOT Incentive agreements approved by the City Council.

**SECTION 15.** The Director of Finance is authorized, at the end of the Fiscal Year 2014-15 and Fiscal Year 2015-16 through the closing of the accounting records for each such fiscal year, to make and record appropriate interfund transfers and fund balance transfers to appropriation accounts as required to properly account for and balance activity accounts, programs and funds, prior to the completion of the fiscal year audit.

PASSED, APPROVED AND ADOPTED BY THE PALM SPRINGS CITY COUNCIL THIS 17<sup>th</sup> DAY OF June, 2015.

RESOLUTION NO. 23837

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALM SPRINGS, CALIFORNIA, ADOPTING THE ALLOCATED POSITIONS AND COMPENSATION PLAN FOR FISCAL YEAR 2015-2016.

WHEREAS, an Allocated Positions and Compensation Plan was adopted on June 4, 2014 for the 2014-2015 fiscal year by Resolution No. 23559; and

WHEREAS, the City Council desires to establish an Allocated Positions and Compensation Plan for fiscal year 2015-2016 consistent with the provisions of the fiscal year 2015-2016 annual budget.

THE CITY COUNCIL OF THE CITY OF PALM SPRINGS DOES HEREBY RESOLVE AS FOLLOWS:

SECTION 1. The Allocated Positions and Compensation Plan attached to this resolution as Exhibit "A", is hereby adopted and shall become effective on June 21, 2015. For the purpose of this Resolution, the Allocated Positions and Compensation Plan shall be deemed to include the provisions of any applicable Memorandum of Understanding that applies to any person holding an allocated position.

SECTION 2. The City Manager is authorized to modify the Allocated Positions and Compensation Plan during the fiscal year 2015-2016 for modifications the City Manager determines are reasonably necessary or appropriate for business necessity including, without limitation, the implementation of; provisions for any approved Memorandum of Understanding, use of overhires for training or vacancies, modification to any minimum wage laws, title and responsibility changes, changes related to non-represented employees, or personnel rules, regulations or procedures in so far as such modifications do not exceed the adopted 2015-2016 budget.

PASSED, APPROVED AND ADOPTED BY THE PALM SPRINGS CITY COUNCIL THIS 17<sup>th</sup> DAY OF JUNE, 2015.

RESOLUTION NO. 23839

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALM SPRINGS, CALIFORNIA, ACTING SOLELY IN ITS CAPACITY AS THE SUCCESSOR AGENCY TO THE CITY OF PALM SPRINGS COMMUNITY REDEVELOPMENT AGENCY, AND IN ITS CAPACITY AS THE HOUSING SUCCESSOR AGENCY TO THE CITY OF PALM SPRINGS COMMUNITY REDEVELOPMENT AGENCY, APPROVING THE SUCCESSOR AGENCY AND HOUSING SUCCESSOR AGENCY BUDGETS FOR FISCAL YEAR 2015-16, AND OTHER SUCH MATTERS AS REQUIRED.

WHEREAS, in accordance with the provisions of the California Health and Safety Code Section 34173, the City Council of the City of Palm Springs has been designated and has accepted such designation of Successor Agency to the Community Redevelopment Agency of the City of Palm Springs to carry out the purposes of and exercise the powers granted to Successor Agencies; and

WHEREAS, pursuant to California Health and Safety Code Section 34176, the City Council opted to retain the housing assets and functions previously performed by the Community Redevelopment Agency, serving as the Housing Successor Agency to the Palm Springs Community Redevelopment Agency; and

WHEREAS, pursuant to City Charter Section 903 the City Council conducted a duly noticed Public Hearing with respect to the Fiscal Year 2015-16 Budget; and

WHEREAS, the City Council has examined said budget, and considered all written and verbal public comments, and after due deliberations and consideration, made any such amendments in the preliminary budget as it considered desirable; and

WHEREAS, pursuant to City Charter Section 904, the City Council desires to adopt the Budget for Fiscal Year 2015-16.

NOW THEREFORE THE CITY COUNCIL OF THE CITY OF PALM SPRINGS DETERMINES, RESOLVES AND APPROVES AS FOLLOWS:

SECTION 1. The City Council, as the Successor Agency's governing board, has established and approved the Recognized Obligation Payment Schedule (ROPS) for the period of July 1, 2015, to December 31, 2016 (ROPS 15-16A) in the form attached to this Resolution as Exhibit A, and serves as the Fiscal Year 2015-16 Budget for the Successor Agency.

SECTION 2. The Successor Agency hereby recognizes that the ROPS serves as the budget document for the Successor Agency during the designated operative period and appropriated funds as identified, and that the adoption of the ROPS 15-16B by the Successor Agency Board for January 1, 2016, to June 30, 2016, by the Successor Agency, and its approval by the Oversight Board, shall constitute the adoption of the

Successor Agency Budget for the second half of Fiscal Year 2016-2017 without any further action by the Successor Agency.

**SECTION 3.** Any changes to the ROPS, clawbacks, adjustments, or similar changes to the amounts payable from the Redevelopment Property Tax Trust Fund (RPTTF) or other sources, to the Administrative Cost Allowance required by the Oversight Board, the Riverside County Auditor-Controller, or the State of California Department of Finance, shall constitute an approved amendment to the Successor Agency budget without further action by the Successor Agency.

**SECTION 4.** The Successor Agency and Oversight Board have approved the Administrative Budget for the Successor Agency during the designated operative period and appropriated funds as identified. The Successor Agency Administrative Budget for the period July 1, 2015 to June 30, 2016 is as follows:

**Successor Agency Personnel**

40000	Regular Employees	177,632
41600	PERS Contribution	45,384
41700	Medicare	2,598
41900	Fringe Benefits	24,116
	<b>TOTAL Administrative Budget</b>	<b>250,000</b>

Note: The Administrative Cost Allowance, in an amount not to exceed the lesser of 3% of the Successor Agency's other enforceable obligations, or \$250,000 per year, is included on the ROPS.

**SECTION 5.** The City Manager is hereby authorized to pay any demands of the State of California Department of Finance in Fiscal Year 2015-16 pursuant to AB X1 26, as amended, and such demand shall constitute an approved amendment to the Successor Agency budget without further action by the Successor Agency Board.

**SECTION 6.** The City Manager and City Clerk are hereby jointly authorized to execute any professional services or contract specifically included or to be included in an approved ROPS or the Fiscal Year 2015-16 Budget so long as such contract does not exceed the amount so funded. The authority to enter into agreements pursuant to this provision shall be deemed complementary to and consistent with the authority to enter into contracts provided in City Council Resolution No. 20271.

**SECTION 7.** The Director of Finance is authorized, at the end of Fiscal Year 2014-15 through the closing of the accounting records for each such fiscal year, to make and record appropriate interfund transfers and fund balance transfers to appropriation accounts as required to properly account for and balance activity accounts, programs and funds, prior to the completion of the fiscal year audit.

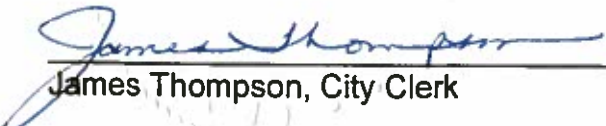

**SECTION 8.** In retaining the responsibilities of the Palm Springs Community Redevelopment Agency as provided in California Health and Safety Code §§ 34173 and 34176, the City Council expressly determines, recognizes, reaffirms, and ratifies the statutory limitation on the City and the City Council's liability in retaining the

responsibilities of the Palm Springs Community Redevelopment Agency pursuant to AB X1 26. Nothing in this Resolution shall be construed as a commitment, obligation, or debt of the City or any resources, funds, or assets of the City to fund the City's service as the successor agency to the Palm Springs Community Redevelopment Agency as provided in this Resolution.

PASSED, APPROVED, AND ADOPTED BY THE PALM SPRINGS CITY COUNCIL, ACTING SOLELY IN ITS CAPACITY AS THE SUCCESSOR AGENCY TO THE PALM SPRINGS COMMUNITY REDEVELOPMENT AGENCY, THIS 17<sup>TH</sup> DAY OF JUNE, 2015.

69	The Agency has received the FOC and will be entering into a contract for expenditure in 15-16A
	The reserve of RPTTF approved in 13-14B for the December 2014 tax bill was \$1400 (See line 49 of 13-14B). When 14-15A was prepared, \$1,326 was input in the reserve column, even though it should have been \$1400. The Agency applied \$1400 toward the tax bill. The total tax bill for the December and April installment was \$2,821, \$95 more than the funding request of \$1400 from 13-14B + \$1326 from 14-15A. The Agency used other funds on hand and had the OB approve a resolution PPA 48-49 for the change in funding, paid in January so this is an AP for cash reconciliation
	The reserve of RPTTF approved in 13-14B for the December 2014 tax bill was \$4400 (See line 49 of 13-14B). When 14-15A was prepared, \$4396 was input in the reserve column, even though it should have been \$4400.

RESOLUTION NO. 23840

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALM SPRINGS, CALIFORNIA, ADOPTING AN APPROPRIATIONS LIMIT FOR THE FISCAL YEAR ENDING JUNE 30, 2016.

WHEREAS Article XIII B of the Constitution of the State of California mandates an appropriation and expenditure limit on various units of government, including the City of Palm Springs; and

WHEREAS that limit has been calculated by the Finance Department of the City of Palm Springs using current guidelines provided by the State Department of Finance; and

WHEREAS the City Council of the City of Palm Springs desires to formally adopt that appropriations limit for the City; and

**CITY OF PALM SPRINGS  
GANN APPROPRIATIONS LIMIT**

**APPENDIX**

Article XIII B of the California Constitution requires governmental units to establish an annual appropriations limit. Proposition 4 (Article XIII B) which was approved by the voters in 1979 and modified by Proposition 111 in 1990 is commonly identified as the Gann Limit and creates a restriction on the amount of revenue which can be appropriated for expenditures in any fiscal year. The revenues which are subject to the limitation are those considered "proceeds of taxes." Examples of tax proceeds include property, sales, and transient occupancy taxes as well as motor vehicle license fees. It is important to point out that only specific revenues and appropriations are subject to limitation. For Palm Springs, all the City's enterprise and intergovernmental service funds as well as any Federal funds are exempt.

Palm Springs' limit was established by using 1978-79 appropriations as the base year and allowing the base to increase in the future years by the percentage of growth in population and inflation. During any fiscal year, a city may not appropriate any proceeds of taxes it receives in excess of its limit. If the City exceeds its Gann Limit, it may avoid a tax refund if they fall sufficiently below the limit in the next fiscal year. Any excess funds remaining after the second year have to be returned to the taxpayers by reducing tax rates or fees; or, alternatively, by a majority vote, the citizens may approve an override to increase the limit. As shown below Palm Springs has not exceeded its Gann Limit.

Calculation details are as follows:

The changes proposed by Proposition 111 allow the City to annually choose among the following options for calculating its Gann Limit:

- o Population growth of Palm Springs, or
- o Population growth within Riverside County, and
- o Growth in California per capita income, or
- o Growth in non-residential assessed valuation due to new construction in the City.

The factors used to calculate the 2015-16 limit are:

- o Population growth of Palm Springs, and
- o Growth in California per capita income

The formula to calculate expenditure limit is outlined below:

A. Prior Year (2014-15) Expenditure Limit	\$136,034,338
B. Adjustment Factors	
1. Palm Springs population growth converted to a ratio	1.0103
2. % growth in California per capita income converted to a ratio	1.0382
Total Adjustment ratio (B.1 x B.2)	<u>1.04889346</u>
C. Annual Adjustment (A x (B-1))	6,651,189
D. Other Adjustments	<u>0</u>
E. Total Adjustments (C + D)	6,651,189
F. 2014-15 Expenditure Limit (A + E) or (A*B)	<u><u>\$142,685,527</u></u>

Appropriations subject to limit and formula to calculate operating margin:

AA. Current Appropriation of Proceeds of Taxes	\$92,213,278
BB. Exclusion	<u>0</u>
CC. Current Appropriation of Proceeds of Taxes Subject to Limit	92,213,278
DD. 2014-15 Expenditure Limit (F)	142,685,527
EE. 2014-15 Over (Under) Limit (CC - DD)	<u><u>(\$50,472,249)</u></u>

The spending limit for the City of Palm Springs for 2015-16 is \$142.6 million with appropriations of "proceeds of taxes" of \$92.2 million. The result of the calculation provides the City with an operating margin of \$50.4 million and indicates that the City of Palm Springs is under the appropriations limit.

	Appropriations Subject to Limit	Legal Limit	Over (Under) Spending Limit	City's % of Limit
2011-12	59,889,536	121,848,991	(61,959,455)	49.15%
2012-13	72,271,270	126,643,614	(54,372,344)	57.07%
2013-14	75,476,567	135,131,752	(59,655,185)	55.85%
2014-15	83,546,419	136,034,338	(52,487,919)	61.42% **
2015-16	92,213,278	142,685,527	(50,472,249)	64.63%

\*\*Currently the City is at 64.63% of its limitation and continues to not be impacted by the appropriations limit.

## TOURISM

Palm Springs has an estimated two million tourist annually. Throughout the year visitors crowd the streets, coming and going every weekend. A major part of the city's economic focus has been divided in three parts: the building of the Convention Center, which was remodeled to accommodate larger groups; the Hotel Incentive Program, where the city partnered to improve and build hotels; and the development of the Downtown / Uptown shopping districts. With all three of these parts in place, the long awaited downtown revitalization project, the demolition and rebuilding, is finally underway.

**The Convention Center** – Situated in America's premier desert resort, the Palm Springs Convention Center provides a casual but elegant ambience for conventions, exhibitions and trade shows year round. On forty magnificent acres just three blocks from chic downtown amenities and Palm Canyon Drive, the Center also provides a new dimension to corporate meetings and other business related functions. Easily accessible with convenient airport access, the attached Renaissance Palm Springs and surrounding glamorous hotels offer 1,800 full service resort rooms.

**The Hotel Incentive Program** - Palm Springs has an impressive number of refurbished high quality hotel rooms recently put into service and some new hotels in the planning process. In all, more than \$200 million has been invested into hotel refurbishments from 2008 to the present through the city's Hotel Incentive Program which enables certain types of new and renovated hotels to keep up to 50 percent of the additional transient occupancy tax (TOT) they generate. The financial incentives have helped current hoteliers renovate and/or expand their properties at a time when such major capital investments have otherwise been extremely difficult to fund.

## The Downtown / Uptown Shopping Districts –

### ❖ Uptown

In Palm Springs lies a very special shopping district, the Palm Springs Uptown Design District. Enjoy a relaxing day walking along Palm Canyon’s Modern Art, Fashion and Design. Over the years, Palm Springs has become a world renowned destination for decorators, designers and visitors in general who seek the unique, eclectic and eccentric. Just take a walk down Palm Canyon Drive from Tachevah to Alejo and you will find a host of vintage and modern furniture stores, fashion boutiques and art galleries which celebrate the City's famed mid-century modernist roots. In addition enjoy Uptown's cafés and restaurants — each and every one offering a variety of refreshing dining experiences.

### ❖ Downtown

In addition, the redevelopment of the Desert Fashion Plaza in the center of the downtown area represents a key project to the community. Located at the center of the downtown core, the Desert Fashion Plaza is a 300,000 square foot enclosed shopping center situated on 13 acres. It was largely vacant, with the street-fronting spaces leased and all of the interior spaces in the mall vacant and sealed off from the public.

The plan — a several hundred million dollar mixed-use project — Designed to be pedestrian-friendly, it would be anchored by Palm Springs Art Museum to the west and split by a foot-wide street called Museum Way. Plans call for new buildings of varied heights, stepped back from Palm Canyon Drive around the central entertainment plaza. They encompass luxury condos and lofts, an upscale boutique hotel, and more than 250,000 square feet of retail space.

This includes the Operating Funds, the Special Revenue Funds, the Enterprise Funds, the Internal Service Funds, and the Debt Service Funds. See the overall Appropriation Summary on pages 2-8 through 2-12 for further detail.

The Successor Agency is a distinct reporting agency and is covered separately under the Successor Agency section of this budget document. Further detail may be seen on pages 7-1 through 7-8.

**2. What is the City's operating budget for fiscal year 2015-16?**

The City's operating budget consists of the General Fund. The total operating budget for fiscal year 2015-16 is \$81,130,423. See page 2-6 for a graph and schedule identifying the appropriations by service area.

**3. What departments are covered in the operating budget?**

There are over 50 departments that are covered under the City's operating budget. A listing of these departments can be found in the Appropriation Summary Detail for All Funds schedule located on pages 2-8 through 2-12.

**4. Where can I find the budget for a specific department?**

The budgets for each City department are summarized by service area and by departments in the Appropriation Summary Detail for All Funds schedule located on pages 2-8 through 2-12. Further detail for each individual department is located in the Department Summaries starting on page 6-1.

**5. What is the City's projected operating revenue for fiscal year 2015-16?**

The City has projected operating revenue for fiscal year 2015-16 at \$96,627,096. See the graph on page 2-5 for more detail.

**6. What is the City's largest revenue source?**

Currently, the City's largest revenue source is Transient Occupancy Tax (TOT). Transient Occupancy Tax comprises 27% of total projected revenues for fiscal year 2015-16. This is followed by Property Tax revenue, which comprises 21% of total projected revenues for fiscal year 2015-16. A summary of the revenue sources can be seen on page 2-5. Further breakdown of the operating fund revenues may be found on the Fund Summaries for the General Fund located in Section 5.

**7. How many employees are employed with the City of Palm Springs?**

There are 420.50 authorized positions with the City of Palm Springs for fiscal year 2015-16. A graph and a summarized schedule showing the distribution of employees by service area is on page 2-14. The Authorized Personnel/Position Summary schedules located in the Appendix starting on page A-1 describe the distribution by service area, department, and position.

**8. Where do my property tax dollars go?**

For every \$1,000 of property tax paid in the City of Palm Springs (Post ERAF), the City receives approximately \$226.85 (22.69%). For a full listing of the other agencies that receive a distribution of these property tax dollars, see page D-1 in the Appendix section.

**9. What does it cost to operate the Convention Center?**

Fiscal year 2015-16 adopted budget for the operating costs of the Convention Center totals \$2,496,428. The total debt service and land lease payment is \$5,139,397 making the total cost to the City \$7,635,825. Debt Service was combined into this department in fiscal year 2011-12. See page 6-147 of the Department Summaries for more detail. All operating costs are budgeted in the General Fund.

**10. Please explaining what happened to the Community Redevelopment Agency – Successor Agency?**

On December 29, 2011, the California Supreme Court upheld AB 1X 26, which dissolves all of the redevelopment agencies in the State of California, and stuck down AB 1X 27, which allowed redevelopment agencies to remain in existence if such agency opted to the “Voluntary Alternative Redevelopment Program” (VARP).

Under the law, all accounts of the former Redevelopment Agency (RDA) transfer to the Successor Agency. To preserve the limited liability of the Successor Agency provided in AB 1X 26, the Successors Agency should hold all former RDA accounts separately from its other account and as the Successor Agency to the former RDA.

The Community Redevelopment Agency now called the Successor Agency is a distinct reporting agency and is covered separately under the Successor Agency section of this budget document and further detail may be seen on pages 7-1 through 7-8.

**11. Explain Measure J.**

On November 8, 2011 Palm Springs voters approved Measure J, a local revenue to maintain local community services and economically revitalize our Downtown. Measure J is a 1% Sales Tax increase. With the approval of Measure J, for each

dollar spent in Palm Springs, the sales tax will increase by one cent. Sales tax is not applied to food purchases as groceries or prescription medications. Measure J is not a property tax on local residents. Out of town visitors to Palm Springs will also pay this cost. Measure J includes a “sunset” provision causing the tax to expire at the end of its specified term (25 years). Measure J also requires that the revenue will be independently audited on an annual basis with all audits requires to be made public. See pages 8-5 thru 8-7 for further information on Measure J.

**12. Explain Measure B – Cannabis and Marijuana Tax**

On November 5, 2013, Palm Springs voters approved Measure B, Ordinance 1831 approving a new tax on the proceeds of cannabis and marijuana collectives in the City of Palm Springs (City). Ordinance 1831 authorized the City Council to establish and implement the Cannabis and Marijuana Tax, which was adopted by the City Council by Resolution No. 23476, on December 18, 2013. The Cannabis and Marijuana Tax shall be due and payable beginning January 1, 2014, and applies to all marijuana collectives operating in the City of Palm Springs. All marijuana dispensaries, cooperatives, and collectives (Collectives) operating in the City are required to pay the City’s Cannabis and Marijuana Tax pursuant to Chapter 3.35 of the City of Palm Springs Municipal Code. Collectives operating with a valid City Council-issued permit will be taxed at the rate of ten (10) cents for each dollar (or portion thereof) of proceeds. Collectives operating without a valid City Council-issued permit will be taxed at the rate of fifteen (15) cents for each dollar (or portion thereof) of proceeds. The payment of this tax shall in no way be construed as authorizing the continuance of any illegal business or of a legal business in an illegal manner, and each such illegal operation will be subject to prosecution under the provisions of the Palm Springs Municipal Code.

**Actual** – Actual, as used in the department and division summaries within the budget document, represents the actual costs results of operations. This category is presented on a GAAP basis except that depreciation and amortization are not budgeted and principal payments on debt in the enterprise funds are budgeted as expense.

**Adopted** – Adopted, as used in the fund summaries and department and division summaries within the budget document, represents the budget as approved by the City Council.

**Agencies** - Federal agency securities and/or Government-sponsored enterprises.

**Appropriations** – Legal authorization by Council to make expenditures and to incur obligations for specific purposes.

**Asked** - The price at which securities are offered.

**Assessed Valuation** – A valuation set upon real estate or other property by a government as a basis for levying taxes.

**Bankers' Acceptance (BA)** - A draft or bill of exchange accepted by a bank or trust company. The accepting institution guarantees payment of the bill, as well as the issuer.

**Basis Point** - One-hundredth of one percent (i.e., 0.01%).

**Beginning Adjusted Cash Balance** – Beginning adjusted cash balance represents prior year ending cash plus current receivables; less – current payables, reserve for encumbrances, reserve for continuing appropriations, and deferred revenue; and plus any amounts to be provided by outside funding sources not yet accrued.

**Beginning Balance** – The beginning balance is the residual non-restricted funds brought forward from the previous fiscal year (ending balance).

**Bid** - The price offered by a buyer of securities. (When you are selling securities, you ask for a bid). See Offer.

**Bonds** – Bonds are debt instruments which require repayment of a specified principal amount on a certain date (maturity date), together with interest at a stated rate or according to a formula for determining the interest rate.

**Broker** - A broker acts as an intermediary between a buyer and seller for a commission.

**Budget** – A budget is a plan of financial operation embodying an estimate of proposed expenditures and the means of financing them. Used without any modifier, the term usually indicates a financial plan presented for adoption and other times it designates the plan finally approved. It is usually necessary to specify whether the budget under consideration is preliminary and tentative, or whether it has been approved by the appropriating body.

**CalTRUST** – An investment pool established by California public agencies as a Joint Powers Authority for purpose of pooling local assets for investing. It is managed by WellsCap, a wholly-owned subsidiary of Wells Fargo Bank, N.A.

**Capital Outlay** – Expenditures resulting in the acquisition of or addition to the government's general fixed assets. Items costing \$5,000 or more and having a useful life of one year or more are designed as fixed assets.

**Capital Improvement Plan (CIP)** – A capital improvement plan is a comprehensive plan for capital expenditures, to be incurred each year over a fixed period of years, to meet capital needs arising from the long-term work program or other capital needs. It sets forth each project or other contemplated expenditure in which the government is to have a part, and specifies the resources estimated to be available to finance the project expenditures.

**Certificate of Deposit (CD)** - A time deposit with a specific maturity evidenced by a certificate. Large-denomination CD's are typically negotiable.

**Collateral** - Securities, evidence of deposit or other property which a borrower pledges to secure repayment of a loan. Also refers to securities pledged by a bank to secure deposits of public monies.

**Commercial Paper** - Short-term, unsecured, negotiable promissory note with a fixed maturity of no more than 270 days. By statute, these issues are exempt from registration with the U.S. Securities and Exchange Commission.

**Comprehensive Annual Financial Report (CAFR)** - The official annual financial report for the City. It includes combined statements and basic financial statements for each individual fund and account group prepared in conformity with Generally Accepted Accounting Principles (GAAP).

**Coupon** - (a) The annual rate of interest that a bond's issuer promises to pay the bondholder on the bond's face value. (b) A certificate attached to a bond evidencing interest due on a payment date.

**Credit Risk** - The risk that an obligation will not be paid and a loss will result.

**Debt Service** – Debt service is the amount of money necessary to pay interest and principal on outstanding debt.

**Department** – A department is the combination of divisions of the City headed by a general manager with a specific and unique set of goals and objectives, e.g., Police, Fire, Planning, Finance, Executive Services, etc.

**Dealer** - A dealer, as opposed to a broker, acts as a principal in all transactions, buying and selling for his own risk and account or inventory.

**Debenture** - A bond secured only by the general credit of the issuer.

**Delivery versus Payment** - There is two methods of delivery of securities: delivery versus payment and delivery versus receipt. Delivery versus payment is delivery of

securities with an exchange of money for the securities. Delivery versus receipt is delivery of securities with an exchange of a signed receipt for the securities.

**Derivatives** - (1) financial instruments whose return profile is linked to, or derived from, the movement of one or more underlying index or security, and may include a leveraging factor, or (2) financial contracts based upon notional amounts whose value is derived from an underlying index or security (interest rates, foreign exchange rates, equities or commodities).

**Direct Issuer** - Issuer markets its own paper directly to the investor without use of an intermediary.

**Discount** - The difference between the cost price of a security and its maturity when quoted at lower than face value. Security selling below original offering price shortly after sale also is considered to be at a discount.

**Discount Securities**- Non-interest bearing money market instruments that are issued at a discount and redeemed at maturity for full face value, e.g., U.S. Treasury Bills.

**Diversification** - Dividing investment funds among a variety of securities offering independent returns.

**Duration** - A measure of the sensitivity of the price (the value of principal) of a fixed-income investment to a change in interest rates over a period of time. Duration is expressed by a number of years. Stagnant or falling interest rates may result in the duration of an investment being shorter than the stated date to maturity.

**Encumbrance** – Encumbrance includes commitments related to unperformed contract for goods or services. Used in budgeting, encumbrances represent the estimated amount of expenditures ultimately to result if unperformed contracts in process are completed. Encumbrances include, but are not limited to, purchase orders and contracts.

**Ending Balance** – The residual non-restricted funds that are spendable or available for appropriation at the end of the fiscal year.

**Enterprise Fund** – An enterprise fund is established to account for operations financed and operated in a manner similar to private business enterprises, i.e., where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods and services to the general public on a continuing basis be financed or recovered primarily through user charges. Examples of enterprise funds are those for airport, wastewater and the golf course.

**Expenditures** – Expenditures are decreases in net financial resources. They include current operating expenses which require the current or future use of net current assets, debt services, and capital outlays.

**Face Value** - The principal amount owed on a debt instrument. It is the amount on which interest is computed and represents the amount that the issuer promises to pay at maturity.

**Fair Value** - The amount at which a security could be exchanged between willing parties, other than in a forced or liquidation sale. If a market price is available, the fair value is equal to the market value.

**Federal Credit Agencies** - Agencies of the Federal government set up to supply credit to various classes of institutions and individuals, e.g., S&L's, small business firms, students, farmers, farm cooperatives, and exporters.

**Federal Deposit Insurance Corporation (FDIC)** - A federal agency that insures bank deposits, currently up to \$250,000 per deposit.

**Federal Farm Credit Bank (FFCB)** - Government-sponsored institution that consolidates the financing activities of the Federal Land Banks, the Federal Intermediate Credit Banks and the Banks for Cooperatives. Its securities do not carry direct U.S. government guarantees.

**Federal Funds Rate** - The rate of interest at which Federal funds are traded. This rate is considered to be the most sensitive indicator of the direction of interest rates, as it is currently pegged by the Federal Reserve through open-market operations.

**Federal Home Loans Banks (FHLB)** - Government sponsored wholesale banks (currently 12 regional banks) which lend funds and provide correspondent banking services to member commercial banks, thrift institutions, credit unions and insurance companies. The mission of the FHLBs is to liquefy the housing related assets of its members who must purchase stock in their district Bank.

**Federal Home Loan Mortgage Corporation (FHLMC or Freddie Mac)** - Established in 1970 to help maintain the availability of mortgage credit for residential housing. FHLMC finances these operations by marketing guaranteed mortgage certificates and mortgage participation certificates. Its discount notes and bonds do not carry direct U.S. government guarantees.

**Federal National Mortgage Association (FNMA or Fannie Mae)** - FNMA was chartered under the Federal National Mortgage Association Act in 1938. FNMA is a Federal corporation working under the auspices of the Department of Housing and Urban Development (HUD). It is the largest single provider of residential mortgage funds in the United States. FNMA is a private stockholder-owned corporation. The corporation's purchases include a variety of adjustable mortgages and second loans, in addition to fixed-rate mortgages. FNMA's securities are also highly liquid and are widely accepted. FNMA assumes and guarantees that all security holders will receive timely payment of principal and interest. FNMA securities do not carry direct U.S. Government guarantees.

**Federal Reserve System** - The central bank of the United States created by Congress and consisting of a seven member Board of Governors in Washington, D.C., 12 regional banks and about 5,700 commercial banks that are members of the system.

**Fees** – Fees are charges for specific services.

**Fund** – A fund is a fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources together with all related liabilities and

residual equities or balances and changes therein which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

**Fund Balance** – The difference between fund assets and fund liabilities of governmental and similar trust funds.

**Fund Summary** – A fund summary, as reflected in the budget document, is a combined statement of revenues, expenditures, and changes in fund balance for the prior years actual, adopted, and the current years adopted budgets.

**General Fund** – The general fund is used to account for all financial resources except those required to be accounted for in another fund.

**Generally Accepted Accounting Principles (GAAP)** – GAAP are the uniform minimum standards of and guidelines to financial accounting and reporting. They govern the form and content of the basic financial statements of an entity. GAAP encompass the conventions, rules, and procedures necessary to define the accepted accounting practices at a particular time. They include both broad guidelines of general application and detailed practices and procedures. GAAP provide a standard by which to measure financial presentations.

**Government National Mortgage Association (GNMA or Ginnie Mae)** - Securities influencing the volume of bank credit guaranteed by GNMA and issued by mortgage bankers, commercial banks, savings and loan associations, and other institutions. Security holder is protected by full faith and credit of the U.S. Government. GNMA securities are backed by the FHA, VA or FMHA mortgages. The term “pass-throughs” is often used to describe GNMA's.

**Intergovernmental Revenues** – Revenues from other governments in the form of grants, entitlements, shared revenues or payments in lieu of taxes.

**Internal Service Fund** – An internal service fund is used to account for the financing of goods and services provided by one department or agency to other departments or agencies of a government, or to other governments on a cost-reimbursement basis.

**Interest Rate Risk** - The risk of gain or loss in market values of securities due to changes in interest rate levels. For example, rising interest rates will cause the market value of portfolio securities to decline.

**Liquidity** - A liquid asset is one that can be converted easily and rapidly into cash with minimum risk of principal.

**Local Agency Investment Fund (LAIF)** - An investment pool managed by the California State Treasurer. Local government units, with the consent of the governing body of that agency, may voluntarily deposit surplus funds for the purpose of investment. Interest earned is distributed to the participating governmental agencies on a quarterly basis.

**Mark To Market** - Current value of securities at today's market price.

**Market Risk** - Systematic risk of a security that is common to all securities of the same general class (stocks, bonds, notes, money market instruments) and cannot be eliminated by diversification (which may be used to eliminate non-systematic risk).

**Market Value** - The price at which a security is trading and could presumably be purchased or sold.

**Maturity** - The date upon which the principal or stated value of an investment becomes due and payable.

**Medium-Term Notes (MTNs)** - Continuously offered notes having any or all of the features of corporate bonds and ranging in maturity from nine months out to thirty years. The difference between corporate bonds and MTNs is that corporate bonds are underwritten.

**Money Market** - The market in which short-term debt instruments (bills, commercial paper, bankers' acceptances, etc.) are issued and traded.

**Offer** - The price asked by a seller of securities. (When you are buying securities, you ask for an offer.) See Asked and Bid.

**Open Market Operations** - Purchases and sales of government and certain other securities in the open market by the New York Federal Reserve Bank as directed by the FOMC in order to influence the volume of money and credit in the economy. Purchases inject reserves into the bank system and stimulate growth of money and credit; sales have the opposite effect. Open market operations are the Federal Reserve's most important and most flexible monetary policy tool.

**Operating Budget** – The operating budget is the plan for current expenditures and the proposed means of financing them. The annual operating budget is the primary means by which most of the financing, acquisition, spending, and service delivery activities of a government are controlled. The use of annual operating budgets is required by law in California and is a requirement of the City of Palm Springs' City Charter.

**Ordinance** – An ordinance is a formal legislative enactment by the governing body of a municipality. If it is not in conflict with any higher form of law, such as a state statute or a constitutional provision, it has the full force and effect of law within the boundaries of the municipality to which it applies.

**Portfolio** - The collection of securities held by an investor.

**Primary Dealer** - A group of government securities dealers who submit daily reports of market activity and positions and monthly financial statements to the Federal Reserve Bank of New York and are subject to its informal oversight. Primary dealers include Securities and Exchange Commission (SEC)-registered securities broker-dealers, banks, and a few unregulated firms.

**Prudent Person Rule** - An investment standard: The way a prudent person of discretion and intelligence would be expected to manage the investment program in seeking a reasonable income and preservation of capital.

**Rate of Return** - (1) The yield obtainable on a security based on its purchase price or its current market price. (2) Income earned on an investment, expressed as a percentage of the cost of the investment.

**Refunding** – Refunding is a procedure whereby an issuer refinances an outstanding bond issue by issuing new bonds. These are generally two major reasons for refunding: to reduce the issuer's interest costs or to remove a burdensome or restrictive covenant imposed by the terms of the bonds being refinanced. The proceeds of the new bonds are either deposited into escrow to pay the debt service on the outstanding obligations when due, or they are used to immediately retire the outstanding obligations. The new obligations are referred to as the refunding bonds and the outstanding obligations being refinanced are referred to as the refunded bonds or the prior issue.

**Repurchase Agreement (RP OR REPO)** - A holder of securities sells these securities to an investor with an agreement to repurchase them at a fixed price on a fixed date. The security "buyer" in effect lends the "seller" money for the period of the agreement, and the terms of the agreement are structured to compensate him for this. Dealers use RP extensively to finance their positions. Exception: When the Fed is said to be doing RP, it is lending money, which is, increasing bank reserves.

**Reserve** – Those portions of the fund balance which must be segregated for some future use and which is, therefore, not available for further appropriation or expenditure.

**Resolution** – A special or temporary order of a legislative body; an order of a legislative body requiring less legal formality than an ordinance or statute.

**Safekeeping** - A service to customers rendered by banks for a fee whereby securities and valuables of all types and descriptions are held in the bank's vaults for protection.

**Secondary Market** - A market made for the purchase and sale of outstanding issues following the initial distribution.

**Securities & Exchange Commission (SEC)** - Agency created by Congress to protect investors in securities transactions by administering securities legislation.

**SEC RULE 15C3-1:** See Uniform Net Capital Rule.

**Secondary Market** - A market for the repurchase and resale of outstanding issues following the initial distribution.

**Securities** - Investment instruments such as notes, bonds, stocks, money market instruments and other instruments of indebtedness or equity.

**Self Insurance** – The retention by an entity of a risk of loss arising out of the ownership of property or from some other cause, instead of transferring that risk to an independent third party through the purchase of an insurance policy.

**Special Assessment** – A compulsory levy made against certain properties to defray all or part of the cost of a specific capital improvement or service deemed to benefit primarily those properties.

**Spread** - The difference between two figures or percentages. It may be the difference between the bid (price at which a prospective buyer offers to pay) and asked (price at which an owner offers to sell) prices of a quote, or between the amount paid when bought and the amount received when sold.

**Structured Notes** - Notes issued by Government Sponsored Enterprises (FHLB, FNMA, SLMA, etc.) and corporations which have imbedded options (e.g., call features, step-up coupons, floating rate coupons, and derivative-based returns) into their debt structure. Their market performance is impacted by the fluctuation of interest rates, the volatility of the imbedded options and shifts in the shape of the yield curve.

**Taxes** – Taxes are compulsory charges levied by a government for the purpose of financing services performed for common benefit. This term does not include specific charges made against particular persons or property for current or permanent benefits such as special assessments. Neither does the term include charges for services rendered only to those paying such charges, such as water service.

**Tax Rate** – The tax rate is the amount of tax levied for each \$100 of assessed valuation.

**Transfers** – Transfers are the authorized exchanges of cash or other resources between funds.

**Treasury Bill** - A non-interest bearing discount security issued by the U.S. Treasury to finance the national debt. Most bills are issued to mature in three months, six months, or one year.

**Treasury Bond** - A long-term coupon-bearing U.S. Treasury security issued as a direct obligation of the U.S. Government and having an initial maturity of more than ten years.

**Treasury Note** - A medium-term coupon-bearing U.S. Treasury security issued as a direct obligation of the U.S. Government and having an initial maturity from two to ten years.

**Trust Fund** – A trust fund consists of resources received and held by the government unit as trustee, to be expended or invested in accordance with the conditions of the trust.

**Uniform Net Capital Rule** - Securities and Exchange Commission requirement that member firms, as well as nonmember broker/dealers in securities, maintain a maximum ratio of indebtedness to liquid capital of 15 to 1; also called *net capital rule* and *net capital ratio*. Indebtedness covers all money owed to a firm, including margin loans and commitments to purchase securities, one reason new public issues are spread among members of underwriting syndicates. Liquid capital includes cash and assets easily converted into cash.

**Utility Users Tax** – Charge levied on the utility user's bills for the purpose of financing services for the common benefit of the tax payer.

**Yield** - The annual rate of return on an investment expressed as a percentage of the investment. Income yield is obtained by dividing the current dollar income by the current market price for the security.

**Yield Curve** - Yield calculations of various maturities of instruments of the same quality at a given time to observe spread differences.
