SUMMARY

The approval for each application will allow staff to work with the applicants to complete the paperwork necessary to execute agreements and close the grant files.

3. Authorize the City Manager to execute all documents related to the Facade Improvement Grant Agreements and payments upon audit of all documentation by Economic Development and Finance Departments and review by the City Attorney.

STAFF ANALYSIS:

On June 27, 2016, the Business Retention Council Subcommittee reviewed and discussed the Facade Grant Program, which was originally initiated in 2014. The Council Subcommittee (Kors/Foat) directed staff to process applications that were placed on hold between November 2014 and December 2015.

Each applicant is allowed a matching grant of up to \$5,000 depending on the applicant's improvement expenditures. Most of the applicants have completed the qualified work and will now complete the process by submitting the documentation of the finished work, including proof of payment, invoices, check copies, and pictures. Staff from Economic Development and the Finance Department will audit the documentation before approving any payments.
