

City Council Staff Report

Date: October 5, 2016

CONSENT CALENDAR

Subject: APPROVAL OF A NOTICE TO PROCEED TO VEOLIA WATER WEST OPERATING SERVICES, INC., IN THE AMOUNT OF \$90,568 FOR THE CALLE PALO FIERRO SEWER LINE REPLACEMENT, CITY PROJECT NO. 16-14

From: David H. Ready, City Manager

Initiated by: Engineering Services Department

SUMMARY

Approval of this item will authorize Veolia Water West Operating Services, Inc., ("Veolia") to proceed with the construction of Calle Palo Fierro Sewer Line Replacement, City Project 16-14.

RECOMMENDATION:

Authorize the City Engineer to issue a Notice to Proceed to Veolia Water West Operating Services, Inc., in the amount of \$90,568 for the construction of the Calle Palo Fierro Sewer Line Replacement, City Project No. 16-14.

STAFF ANALYSIS:

The City has approximately 230 miles of sewer mainline in its sewer collection system that conveys untreated sewage to the Wastewater Treatment Plant ("WWTP") where it is treated for reuse and reclaimed water purposes. On November 4, 2015, the City Council approved a Wastewater Services Agreement (O&M) with Veolia Water West Operating Services, Inc., ("Veolia"), providing for Veolia's operation and maintenance of the City's sewer collection system and WWTP.

As part of Veolia's services, Veolia monitors the sewer collection system, and routinely video tapes, records, and provides a condition rating of each sewer line segment and sewer manhole. During its routine maintenance and inspection of the sewer collection system, Veolia identified the sewer line segment between sewer manhole E12039 and E12045 in need of replacement due to several areas along the sewer line that are cracked, broken, and deformed. Veolia confirmed that soil has intruded into the sewer line at two locations where the sewer line has broken and tree roots have intruded into

ITEM NO. 14

the sewer flow. Additionally, Veolia identified a sag in the sewer line where its video camera cannot access.

Veolia has rated this segment of sewer line at 5, in accordance with Veolia's Pipeline Assessment Certification Program ("PACP"). The PACP ratings range from 1 to 5 with repairs required for ratings of 3 or higher; a rating of 5 is in worst condition and requires replacement. A location map of the proposed sewer line replacement between manholes E12039 and E12045 is shown in Figure 1 and a Vicinity Map showing a 500 feet radius of the project location is provided as **Attachment 1**. The Veolia PACP sewer assessment report identifying the condition of the sewer line is provided as **Attachment 2**.

FIGURE 1

The proposed repairs consist of replacement of approximately 200 linear feet of 12" sewer main (manhole to manhole) on Calle Palo Fierro north of Sonora Road, repair of the street, and all associated work.

In accordance with Section 5.3 “Capital Projects” of the Veolia Wastewater Services Agreement, Veolia recommended the City authorized initiation of a “Needed Capital Project”, and on August 25, 2015, the City Engineer authorized Veolia to proceed with preparation of plans for the sewer line replacement, at a cost not to exceed \$14,560. The City has identified this as the Calle Palo Fierro Sewer Line Replacement, City Project No. 16-14, (the “Project”).

On August 17, 2016, Veolia issued a request for bids for the Project to four local contractors:

1. Alms Underground Construction; Cathedral City
2. G&M Construction; Palm Springs
3. Tri-Star Contracting II, Inc.; Desert Hot Springs
4. Valley Pipeline, Inc.; Indio, CA

On August 31, 2016, Veolia received two bids, as follows:

1. G&M Construction, Palm Springs; \$76,500
2. Tri-Star Contracting II, Inc., Desert Hot Springs; \$94,144

The estimated construction cost was \$77,000. The lowest responsive bid was submitted by G&M Construction, and includes prevailing wages.

Veolia has submitted a capital project proposal to the City to construct the Project, which includes the following items:

1. Subcontractor (G&M Construction):	\$76,500
2. Administrative Mark-Up (12.5%):	\$9,562
3. Veolia Construction Management Services	\$3,894
4. General Liability Insurance	\$612*
Total:	<u>\$90,568</u>

**With any capital project undertaken by Veolia, Veolia operates as the general contractor under its own contractor’s license. As the general contractor, Veolia is responsible for ensuring all construction is performed in accordance with State and federal rules and regulations, and is liable for all risks and damages that may occur. Accordingly, Veolia obtains general liability insurance for each project, which is passed as a direct cost to the City.*

On September 7, 2016, Veolia submitted a formal proposal to the City to proceed with construction of the Project, at a fixed cost not to exceed \$90,568. Staff has reviewed this proposal and recommends the City Council authorize the City Engineer to proceed. A copy of Veolia’s proposal is included as **Attachment 3**; a copy of the sewer line replacement plan is included as **Attachment 4**.

ENVIRONMENTAL IMPACT:

Section 21084 of the California Public Resources Code requires Guidelines for Implementation of the California Environmental Quality Act ("CEQA"). The Guidelines are required to include a list of classes of projects which have been determined not to have a significant effect on the environment and which are exempt from the provisions of CEQA. In response to that mandate, the Secretary for Resources identified classes of projects that do not have a significant effect on the environment, and are declared to be categorically exempt from the requirement for the preparation of environmental documents. In accordance with Section 15301 "Existing Facilities," Class 1 projects consist of the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing facilities of both investor and publicly-owned utilities used to provide electric power, natural gas, sewerage, or other public utility services; therefore, the Calle Palo Fierro Sewer Line Replacement, City Project No. 16-14, is considered categorically exempt from CEQA, and a Notice of Exemption will be prepared and filed with the Riverside County Clerk.

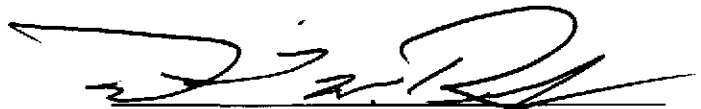

FISCAL IMPACT:

This capital project is entirely funded through the Wastewater Enterprise Fund. Sufficient funds are budgeted and available the Sewer Fund, Account 420-6800-50000 (Unscheduled Capital Projects).

SUBMITTED:

Marcus L. Fuller, MPA, P.E., P.L.S.
Assistant City Manager/City Engineer

David H. Ready, Esq., Ph.D.

City of Palm Springs

2016 Calle Palo Fierro Sewer Line Replacement Bid Period Services and Construction– Project Proposal

Veolia Water West Operating Services, Inc. is pleased to submit the following proposal for bid period services and construction regarding the replacement of approximately 200 linear feet of 12" sewer main (manhole to manhole) on Calle Palo Fierro and Sonora in the City of Palm Springs. As part of Veolia's routine maintenance and working with the Collection System group, we have identified this location (E12039-E12045) in need of replacement due to several areas along the pipe that are cracked, broken, and/or deformed. Soil is visible at 131' and 141' where pipe is broken and tree roots are exposed. Additionally, there is a sag in the pipe which our CCTV camera cannot access.

The City issued a Notice to Proceed for potholing and plan preparation for this project on August 25, 2015 to perform potholing and preparation of as-built drawings and a Sewer Improvement plan. In late July 2016, the City notified Veolia to proceed with bidding and construction of this project.

On August 17, 2016, Veolia issued a Request for Proposal for Construction from the following firms:

1. Alms Underground Construction – Cathedral City, CA
2. G&M Construction – Palm Springs, CA
3. Tri-Star Contracting II, Inc. – Desert Hot Springs, CA
4. Valley Pipeline Inc. – Indio, CA

Veolia received two bids on August 31, 2016: G&M Construction - \$76,500 and Tri Star Contracting - \$96,144

After careful review of the bids, G&M Construction is the lowest responsive bidder and recommended for award. Attached to this proposal are verifications of CA Contractors Licenses and Department of Industrial Relations for G&M Construction and also their sub, AMS Paving, Inc.

The project includes:

Request for Proposal-Bid Package Preparation

- Prepare RFP package to Contractors
- Handle all Contractor Requests for Information
- Obtain and review Contractor bids
- Prepare Construction proposal to City

Construction Management Services

- Manage contractor
- Monitor daily progress
- Monitor schedule
- Mitigate any issues
- Provide monthly reports
- Track progress
- Monitor construction safety

General Liability Insurance

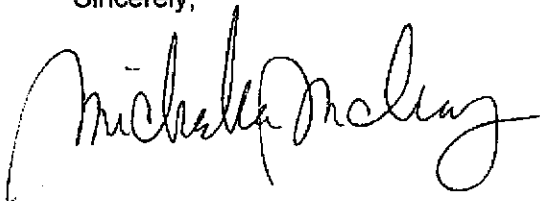

- Veolia general liability insurance

Our base not to exceed fee for the project is \$90,568.

The project construction should take approximately 5-8 days and then closeout will follow.

Thank you for the opportunity to present this proposal for the 2016 Calle Palo Fierro Sewer Line Replacement Bidding Services and Construction project. Please do not hesitate to contact me should you have any questions or need additional information on this proposal.

Sincerely,

Michelle McLey
Project Manager
Veolia Water West Operating Services, Inc.

Mr. Jack Martin, Project Manager
Veolia Water North America
3475 Mesquite Avenue
Palm Springs, CA 92264

RE: Notice to Proceed with Proposal for Sewer Replacement Plans at Calle Palo Verde

Dear Mr. Martin:

This Notice to Proceed (NTP) authorizes Veolia, under Contract Section 5.4 (f)(i) to proceed with the subcontracting for Sewer Replacement Plans of the sewer line located at Calle Palo Verde (approximate street address, 1317 Calle Palo Fierro, from MH E12039 to E12045).

The authorization is approved based on Dudek's cost estimate dated April 17, 2015. Upon completion of the project, the Veolia managed, Section 5.4 (f)(i), maintenance account will be adjusted downward by the actual value of the invoice. Approved construction amount is not to exceed \$14,560 without pre-approval by City Staff.

Sincerely,

Marcus Fuller, MPA, P.E., PLS
Assistant City Manager / City Engineer

PROPOSAL FORM

**INVITATION TO BID
2016 PALO FIERRO SEWER LINE REPLACEMENT
LOCATED IN PALM SPRINGS, CA**

To: Michelle McLey
Project Manager
Veolia Water West Operating Services, Inc.
4375 Mesquite Ave.
Palm Springs, CA 92345

Submitted By:

G&M Construction
(Legal Name)

(Street Address) 211 W. Mesquite Ave.

(City, State, and Zip Code) Palm Springs, CA 92264

(Phone) 760-322-6918

(Date of Quotation) 8/31/16

1. This Proposal Form along with the Bid Form shall be completed and submitted as required in the Returnable section of this Invitation to Bid.
2. This proposal is submitted in accordance with this Invitation to Bid for the construction of the 2016 PALO FIERRO SEWER LINE REPLACEMENT in Palm Springs, Ca.
3. Having carefully examined the contract documents, comprised of the plans, specifications, and all documents incorporated and/or included therein, together with any addenda thereto affecting the work, the undersigned agrees to perform all labor, supervision, furnish all material, supplies, permits and equipment and to do all else necessary to complete the work as specified for the following amount:

Base Bid (dollars) \$ 76,500.00

4. A complete list of any Bid Exceptions or Clarifications shall be provided with the Proposal Form. If no Exceptions or Clarifications are taken, a form stating No Exceptions or Clarifications shall be provided with the Proposal Form.
5. Alternate Bid (dollars)(not required)\$ _____

(Note: If an Alternate Bid is offered a detailed description and breakdown similar to the Base Bid must be attached)

6. Shipping Cost and Sales tax — The equipment, chemicals, consumables and other supplies and services provided and used in the performance of the contract shall include all shipping costs and sales taxes imposed by any governmental body.

7. Prevailing wages ARE NOT required as a part of this project.
8. In conformance with the current statutory requirements of California Labor Code Section 1860, et seq., the undersigned confirms the following as its certification:

I am aware of the provisions of Section 3700 of the Labor Code, which require every employer to be insured against liability for worker's compensation, or to undertake self-insurance in accordance with the provisions, before commencing the performance of the Work of this Contract.

9. Time of Completion

Contractor shall submit a proposed bar chart schedule for execution of the construction work with the bid proposal, which is a key consideration in contract award, as time is of the essence with this project. Notice to Proceed will not be issued until Authorization is received from the City of Palm Springs.

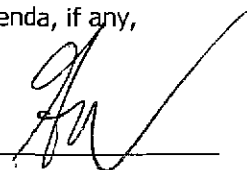

Substantial Completion and Final Completion of the work for the 2016 PALO FIERRO SEWER LINE REPLACEMENT are time sensitive and shall be completed as specified in **Section 00100 ADDITIONAL INSTRUCTIONS TO BIDDERS.**

Contractor shall commence performance of the work only upon the full execution of the construction contract with Veolia. Upon receipt of executed contract and a written Notice to Proceed (NTP), the Contractor shall promptly commence Work, shall prosecute the Work diligently and shall complete all Work within the proposed and agreed upon schedule duration.

10. For the purposes of the proposal, the contract documents and scope of work shall include all documents and information included as part of this Invitation to Bid, including any and all attachments or referenced documents.

11. Addenda

The bidder hereby acknowledges and initials receipt of the following issues of addenda, if any, distributed by Veolia Water West Operating Services, Inc.

Addendum No:	1	Dated	8-19-14	Initialed	
				Receipt	
Addendum No:		Dated		Initialed

LIST OF SUBCONTRACTORS

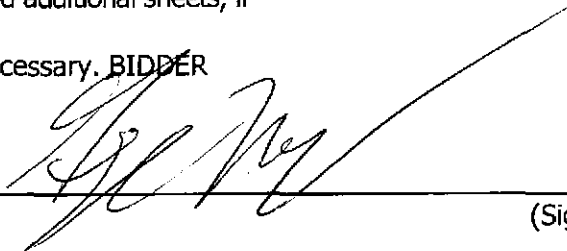

The Bidder shall list below the names and location of place of business of each subcontractor who will perform work or labor or who will render service to the prime CONTRACTOR in or about the construction of the Work or improvement, or a subcontractor duly licensed who, under subcontract to the prime CONTRACTOR, specially fabricates and installs a portion of the Work or improvement according to detailed drawings contained in the Contract Documents, in an amount in excess of one-half of one percent of the prime CONTRACTOR's total Bid or, in the case of Bids or offers for the construction of streets or highways, including bridges, in excess of one-half of one percent of the prime CONTRACTOR's total Bid or \$10,000, whichever is greater. After the opening of Bids, no changes or substitutions will be allowed except as otherwise provided by law. The listing of more than one subcontractor for each item of Work to be performed with the words "and/or" will not be permitted. Failure to comply with this requirement may render the Bid as non-responsive and may cause its rejection.

Special Note: The Prime Contractor shall perform not less than 25% of the Work identified in this Bid. In the event a Bidder lists subcontractors who will perform Work under this Bid in excess of 25% of the Work identified in this Bid, the Bid shall be considered non-responsive.

Bidders shall list the total % of Work to be performed by the Prime Contractor on the following page: (Shall not be less than 25%)

Work to be Performed	Contractor License Number	Percent of Total Contract	Subcontractor's Name, Address, and Contact Person

BID BOND

KNOW ALL MEN BY THESE PRESENTS, That George Arlen Marantz dba: G & M Construction as Principal, and

U.S. Specialty Insurance Company as Surety,
are held and firmly bound unto Veolia Water West Operating Services, Inc., hereinafter called
"Veolia" in the sum of:

twenty thousand and 00/100
dollars (\$20,000.00)

(not less than 10 percent of the total amount of the bid)

for the payment of which sum, well and truly to be made, we bind ourselves, our heirs,
executors, administrators, successors, and assigns, jointly and severally, firmly by these
presents.

WHEREAS, said Principal has submitted a Bid to Veolia to perform the Work required under
the Bid Schedule(s) of the Veolia's Contract Documents entitled:

2016 PALO FIERRO SEWER LINE REPLACEMENT PROJECT

NOW THEREFORE, if said Principal is awarded a Contract by Veolia, and within the time and
in the manner required in the "Notice Inviting Bids" and the "Instructions to Bidders" enters into
a written Agreement on the Form of Agreement bound with said Contract Documents, furnishes
the required Certificates of Insurance, and furnishes the required Performance Bond and
Payment Bond, then this obligation shall be null and void, otherwise it shall remain in full force
and effect. In the event suit is brought upon this Bond by Veolia, and Veolia prevails, said
Surety shall pay all costs incurred by Veolia in such suit, including a reasonable attorney's fee to
be fixed by the court.

SIGNED AND SEALED, this 26th day of August, 2016

PRINCIPAL: George Arlen Marantz dba: G & M Construction

Check one: individual, partnership, corporation

(Corporations require two signatures; *one from each* of the following groups: A. Chairman of Board,
President, or any Vice President; *AND* B. Secretary, Assistant Secretary, Treasurer, Assistant Treasurer, or
Chief Financial Officer).

POWER OF ATTORNEY

KNOW ALL MEN BY THESE PRESENTS:

That, U.S. SPECIALTY INSURANCE COMPANY (the "Company"), a corporation duly organized and existing under the laws of the State of Texas, and having its principal office in Houston, Harris County, Texas, does by these presents make, constitute and appoint,

ANTHONY YAU

its true and lawful Attorney-in-fact, with full power and authority hereby conferred in its name, place and stead, to execute, acknowledge and deliver bond number BB2001283 issued in the course of its business and to bind the Company thereby, in an amount not to exceed Three million and 00/100 (\$3,000,000.00). Said appointment is made under and by authority of the following resolutions of the Board of Directors of U. S. Specialty Insurance Company:

"Be it Resolved, that the President, any Vice-President, any Assistant Vice-President, any Secretary or any Assistant Secretary shall be and is hereby vested with full power and authority to appoint any one or more suitable persons as Attorney(s)-in-Fact to represent and act for and on behalf of the Company subject to the following provisions:

Attorney-in-Fact may be given full power and authority for and in the name of and on behalf of the Company, to execute, acknowledge and deliver, any and all bonds, recognizances, contracts, agreements or indemnity and other conditional or obligatory undertakings, including any and all consents for the release of retained percentages and/or final estimates on engineering and construction contracts, and any and all notices and documents canceling or terminating the Company's liability thereunder, and any such instruments so executed by any such Attorney-in-Fact shall be binding upon the Company as if signed by the President and sealed and effected by the Corporate Secretary.

Be it Resolved, that the signature of any authorized officer and seal of the Company heretofore or hereafter affixed to any power of attorney or any certificate relating thereto by facsimile, and any power of attorney or certificate bearing facsimile signature or facsimile seal shall be valid and binding upon the Company with respect to any bond or undertaking to which it is attached." Adopted by unanimous written consent in lieu of meeting on September 1st, 2011.

The Attorney-in-Fact named above may be an agent or a broker of the Company. The granting of this Power of Attorney is specific to this bond and does not indicate whether the Attorney-in-Fact is or is not an appointed agent of the Company.

IN WITNESS WHEREOF, U.S. Specialty Insurance Company has caused its seal to be affixed hereto and executed by its Senior Vice President on this 1st day of December 2014.

County of Los Angeles SS:

U.S. SPECIALTY INSURANCE COMPANY

By: Adam S. Pessin
Adam S. Pessin, Senior Vice President

A Notary Public or other officer completing this certificate verifies only the identity of the individual who signed the document to which this certificate is attached, and not the truthfulness, accuracy, or validity of that document.

On this 1st day of December 2014, before me, Maria G. Rodriguez-Wong, a notary public, personally appeared Adam S. Pessin, Senior Vice President of U.S. Specialty Insurance Company, who proved to me on the basis of satisfactory evidence to be the person whose name is subscribed to the within instrument and acknowledged to me that he executed the same in his authorized capacity, and that by his signature on the instrument the person, or the entity upon behalf of which the person acted, executed the instrument.

I certify under PENALTY OF PERJURY under the laws of the State of CALIFORNIA that the foregoing paragraph is true and correct.

WITNESS my hand and official seal.

Signature [Signature] (seal)

I, Kio Lo, Assistant Secretary of U.S. Specialty Insurance Company, do hereby certify that the Power of Attorney and the resolution adopted by the Board of Directors of said Company as set forth above, are true and correct transcripts thereof and that neither the said Power of Attorney nor the resolution have been revoked and they are now in full force and effect.

IN WITNESS WHEREOF, I have hereunto set my hand this 26th day of August, 2016.
