PROPOSED ORDINANCE ESTABLISHING THE PALM SPRINGS SMALL HOTEL TOURISM BUSINESS IMPROVEMENT DISTRICT, PROPOSED RESOLUTION CONFIRMING THE REPORT OF THE ADVISORY BOARD AND LEVYING THE FISCAL YEAR 2016-17 ASSESSMENT, AND THE CONDUCT PROTEST PROCEEDINGS TO

THE DISTRICT

FROM:

David H. Ready, City Manager

BY:

Chief of Staff/City Clerk

#### SUMMARY

The Small Hotels of Palm Springs (SHOPS) and the Desert Gay Tourism Guild (DGTG) have requested that the City of Palm Springs establish a Tourism Business Improvement District ("the TBID"), and collect an assessment on hotels of 49 rooms or less located in the City to be used for additional marketing dedicated to small hotels.

The proposed actions are the final steps in establishing the district. The City Council will conduct protest proceedings, consider an ordinance establishing the district, and a resolution confirming the report of the advisory committee and levying the 2017 assessment.

#### **RECOMMENDATION:**

- 1. Open the public hearing, receive public testimony, and written and oral protests to the establishment of the Palm Springs Small Hotel Tourism Business Improvement District.
- 2. Waive reading of the text and introduce for first reading Ordinance No. \_\_\_\_\_\_,
  "AN ORDINANCE OF THE CITY OF PALM SPRINGS, ADDING CHAPTER 5.83
  TO THE PALM SPRINGS MUNICIPAL CODE, ESTABLISHING THE PALM SPRINGS SMALL HOTEL TOURISM BUSINESS DISTRICT."
- Adopt Resolution No. \_\_\_\_\_, "A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALM SPRINGS, CALIFORNIA, CONFIRMING THE REPORT OF THE ADVISORY COMMITTEE AND LEVYING AN ASSESSMENT FOR FISCAL

YEAR 2016-17 IN CONNECTION WITH THE PALM SPRINGS TOURISM SMALL HOTEL BUSINESS IMPROVEMENT DISTRICT."

#### STAFF ANALYSIS:

At the August 2, 2016, meeting the City Council directed the City Manager to develop a report and materials for the consideration of the creation of a Palm Springs Small Hotel Tourism Business Improvement District. At the September 7, 2016, meeting the City Council adopted Resolution No. 24086 initiating proceedings to establish the district and setting October 5, 2016, as the date to conduct the public meeting. At the October 5, 2016, public meeting the City Council adopted Resolution No. 24116, declaring its intention to establish the district, and establishing the public hearing date for November 2, 2016.

The proposed actions are the final step in establishing the district which include: 1) conducting protest proceedings; 2) consider a proposed ordinance adding Chapter 5.83 to the Palm Springs Municipal Code establishing the district; and 3) adopting a resolution confirming the report of the advisory board and levying a one percent (1%) levy on occupancy revenue to fund activities that promote tourism within the district, for the benefit of those hotels paying the assessment.

A TBID is a special benefit assessment district that can be established by the City Council, under existing State law<sup>1</sup>, for the specific purpose of funding activities that promote tourism. Currently, 67 California Cities have TBID programs in place. This mechanism is also in place on larger hotels with an assessment to fund the Greater Palm Springs CVB (GPSCVB). The establishment of this district would have no effect on the current GPSCVB assessment.

The law provides that business operators are assessed and pay the assessment to the City. Cities have utilized a percentage multiplied against daily hotel revenue as the formula for imposing the assessment. Further, this law provides cities have the express authority to make improvements and engage in business promotional activities that benefit the assessed businesses within the designated boundary area.

It is noted that the assessment is made against the business operator, and not against the property itself. Therefore, the assessment is legally treated by ordinance enactment as a debt owed by the business operator to the City. The City Attorney advises that Proposition 218 rules are not applicable because the assessment is not a tax on real property, and case law has clearly held that this enabling law (Streets and Highways Code sections 36500 et seq.) is not subject to Proposition 218 restrictions. (Howard Jarvis Taxpayers Assn. v. City of San Diego (1999) 72 Cal. App. 4<sup>th</sup> 230)

The formation of the district is not by election of the business operators, but by majority protest procedure. After notice, any person subject to the proposed assessment may

<sup>&</sup>lt;sup>1</sup> Parking and Business Improvement Area Law of 1989, Cal. Streets and Highways Code § 36500 et seq.

protest the establishment of the TBID. Each protest is weighted by the amount of the assessment to be paid. The TBID cannot be established if a majority of the affected businesses subject to the TBID, weighted by assessment, file a timely protest. Therefore, in order for a protest to be successful, businesses representing greater than 50% of the value of the total assessment to be collected must protest the formation of the district.

SHOPS and DGTG are recommending a 1% assessment on room revenue. The boundaries of the district would be citywide, but the assessments would be limited to hotels of 49 rooms or less.

The assessment would be collected by the City. SHOPS and DGTC are recommending the Palm Springs Bureau of Tourism (PSBOT) administer the BID funds and promotional programs as a segregated and restricted fund.

The hoteliers recommend an advisory group to determine the programs and efforts to be funded and recommend the PSBOT administer the development and implementation of the programs.

The ordinance effective date would be December 16, 2016; the effective date of the first assessment would be January 1, 2017, in which the subject hotels would be responsible for the assessment.

There are approximately 80 small hotels in Palm Springs with 49 rooms or less, and the small hotels believe they are at a marketing disadvantage because they do not have the same marketing infrastructure of larger, branded hotels. Most small hotels do not have international marketing budgets, global call centers, local and national sales forces, international reservation systems, global brand recognition, etc.

SHOPS and DGTG membership includes approximately 80% of the small hotels located in the City of Palm Springs. Through a number of meetings, the two organizations have identified the formation of a TBID with a 1% assessment on room revenue as an appropriate funding source for increased marketing efforts.

SHOPS and DGTG have asked that the PSBOT work with them to administer the programs funded through the assessment. This would facilitate the coordination with all existing efforts and take advantage of the staffing and infrastructure that is already in place.

The City Council appointed the President and three members of the Small Hotels of Palm Springs, the President and three members of Desert Gay Tourism Guild, as the Palm Springs Small Hotel Tourism Business Improvement District Advisory Board. All Advisory Board meetings are subject to the notice and requirements of the Ralph M. Brown Act for the conduct of meetings.

Title 2, Cal. Code of Regulations § 18703(e)(5) effectively exempts TBID board members from substantive conflict of interest regulations as they relate to voting on board matters, such as recommending an assessment rate, which could possibly affect an economic interest they have within the boundary area. Thus, such board members sitting on the advisory board could vote on recommending an assessment rate to be applied to hotel operators without being subject to the disqualification rules contained in the Political Reform Act and the regulations promulgated by the Fair Political Practices Commission (FPPC). Notwithstanding, advisory board members would still be required to disclose economic interests on FPPC Form 700 annually, and would be required every two years to receive the State approved AB1234 ethics training.

#### FISCAL IMPACT:

Based upon the current assessment information, the assessment will generate approximately \$325,000 per year, restricted funds, for the specific purpose of the TBID. For the remainder of the current fiscal year (January 1, 2017 through June 30, 2017) the estimated assessment is \$205,000.

The City has incurred costs to establish the TBID, including mailing, hearings, notifications, related staff and research time. Additionally, each year the TBID will incur costs to annually renew the assessment. The TBID will require collection, distribution, audit, annual report preparation, and City Staff administration.

All administrative Staff time and costs may be reimbursed from the proceeds of the assessment. The Director of Finance estimated the cost to process monthly assessment returns and payments is \$40,000 to \$60,000 per year. In addition to the collection of monthly assessment returns, annual administrative costs to prepare the notices and public hearings to renew the TBID each year will be approximately \$1,000 to \$2,000.

Pursuant to previous direction from the City Council, Staff has included provisions, in both the Resolution of Intention and the proposed ordinance, the administrative costs will be funded by the proceeds of the assessment.

## SMALL HOTEL BUSINESS IMPROVEMENT DISTRICT CITY OF PALM SPRINGS, CALIFORNIA

#### REPORT OF THE ADVISORY BOARD FISCAL YEAR 2016-17

#### Introduction

The Advisory Board to the proposed Palm Springs Small Hotel Business Improvement District (the "TBID"), has caused this report to be prepared pursuant to Section 36533 of the Parking and Business Improvement Law of 1989 (Section 36500 and following of the California Streets and Highways Code) (the "Law").

This report is for the proposed initial fiscal year for the TBID, commencing July 1, 2016 and ending June 30, 2017. ("Fiscal Year 2016-2017") However, because the activities will be provided and an assessment will be levied only during the period commencing January 1, 2017 and ending June 30, 2017, estimates in this report with regard to expenses and assessment proceeds relate only to that period.

As required by the Law, this report contains the following information:

- (1) Any proposed changes in the boundaries of the TBID or in any benefit zones within the TBID;
- (2) The improvements and activities to be provided for Fiscal Year 2016-2017;
- (3) An estimate of the cost of providing the improvements and the activities for that fiscal year;
- (4) The method and basis of levying the assessment in sufficient detail to allow each business owner to estimate the amount of the assessment to be levied against his or her business for Fiscal Year 2016-2017.
- (5) The amount of any surplus or deficit revenues to be carried over from a previous fiscal year; and
- (6) The amount of any contributions to be made from sources other than assessments levied pursuant to the Law.

Submitted by: Michael Green, on behalf of the Advisory Board to the Palm Springs Small Hotel Tourism Improvement District.

Received on file in the Office of the City Clerk of the City of Palm Springs.

Advisory Board Report Fiscal Year 2016-17 Page 2

<u>SECTION 1</u>: Proposed changes in the boundaries of the TBID or in any benefit zones within the TBID.

The boundaries of the TBID are the City Limits of the City of Palm Springs. These boundaries will be established for Fiscal Year 2016-2017. There are no benefit zones within the TBID.

<u>SECTION 2</u>: The improvements and activities to be provided for Fiscal Year 2016-2017.

No improvements are proposed to be provided for Fiscal Year 2016-17. The activities listed in Exhibit 'A' to this Report are proposed to be provided annually. Because the TBID will exist only during a portion of Fiscal Year 2016-17, not all of these activities may be provided during that Fiscal Year, though work may be done on any or all of the activities during the Fiscal Year.

<u>SECTION 3</u>: An estimate of the cost of providing the improvements and the activities for Fiscal Year 2016-2017.

The total cost of providing the activities is estimated to be \$205,000.00. The budget for providing the activities is set forth in Exhibit 'A' to this Report.

<u>SECTION 4</u>: The method and basis of levying the assessment in sufficient detail to allow each business owner to estimate the amount of the assessment to be levied against his or her business for Fiscal Year 2016-2017.

Except where otherwise defined in this Report, all capitalized terms shall have the meanings set forth in the Palm Springs Municipal Code. Additionally, the following terms shall have the following meanings:

- A. "Gross Occupancy Revenue" means the total Rent received from Transients by a Hotel and Motel Business.
  - B. "Hotel and Motel Business" means any Operator of a Hotel.
- C. "Transient Occupancy Tax" means the tax imposed by the City in the Municipal Code.

The Assessment will be levied against each Hotel and Motel Business in the City consisting of 49 rooms or less. No other business shall be subject to the Assessment.

The Assessment will be calculated as a percentage of each day's Gross Occupancy Revenue. The rate of the Assessment will be set annually by resolution of the City Council adopted pursuant to Section 36535 of the Law. For Fiscal Year 2016-17 the rate is recommended to be one percent (1.0%).

Advisory Board Report Fiscal Year 2016-17 Page 3

The Assessment calculated based on each day's Gross Occupancy Revenues shall be paid to the City no later than the date on which the Hotel and Motel Business is required, pursuant to the Palm Springs Municipal Code, to remit to the City the Transient Occupancy Tax collected by the Hotel and Motel Business on that day.

New Hotel and Motel Businesses established in the District after the beginning of any fiscal year shall not be exempt from the levy of the assessment for that fiscal year but shall instead be subject to the assessment.

<u>SECTION 5</u>: The amount of any surplus or deficit revenues to be carried over from a previous fiscal year

Because the TBID is a newly proposed district, there is no surplus or deficit.

<u>SECTION 6</u>: The amount of any contributions to be made from sources other than assessments levied pursuant to the Law.

Assessment proceeds will be approximately \$205,000.00 for Fiscal Year 2016-2017. Assessment proceeds will be spent only on activities authorized in the resolutions of the City Council of the City of Palm Springs establishing the TBID and/or levying the assessments.

If written protests are received from the owners of businesses in the proposed area which will pay 50 percent or more of the assessments proposed to be levied and protests are not withdrawn so as to reduce the protests to less than that 50 percent, then no further proceedings shall be taken to form the district for a period of one year. If a majority protest is only against the furnishing of a specified type or types of activities with the district, those types of activities must be eliminated.

Any protest pertaining to the regularity or sufficiency of the proceedings shall be in writing and shall clearly set forth the irregularity or defect to which the objection is made. Written protests shall be filed with the clerk at or before the time fixed for hearing.
