### STAFF ANALYSIS:

The Public Works Department oversees the maintenance of the City's street system. Each year, the Department assembles a capital project to continue its Slurry Seal Program on various City streets. The intention of the Slurry Seal Program is to provide a slurry seal within 5 to 7 years on every City street. This year's slurry seal program is scheduled to include all of the streets within Section 3, T4S, R4E (the residential area between Indian Canyon Drive to the west city limit, and San Rafael Road south to Vista Chino), and Farrell Drive between Ramon Road and E. Palm Canyon Drive. At the request of Airport staff, this project also includes slurry seal of some Airport parking lots and cracksealing of the access road. Maps of these areas are included in Attachment 1.

The plans and specifications were prepared by Department staff, and on, December 3, 2008, the City Council approved the plans and specifications and authorized construction bidding. On January 2 and 9, 2009, the project was advertised for bids.

and at 2:00 p.m. on February 3, 2009, the Procurement and Contracting Division received construction bids from the following contractors:

- 1. Bond Blacktop, Inc.; Union City, CA; Bid: \$614,579.34
- 2. American Asphalt South, Inc.; Fontana, CA; Bid: \$729,899.87
- 3. Pavement Coatings Co.; Cypress, CA, Bid: \$739,376.72
- 4. Valley Slurry Seal Co.; West Sacramento, CA; Bid: \$753,830.50

The Airport's budget of \$110,000 for pavement maintenance was insufficient to cover all of the work identified by Bid Schedules C through F. In coordinating with the Airport, the recommended award does not include Bid Schedule D (slurry of the Airport Rental Car parking lots), which has been deferred by the Airport this year.

The Engineer's estimate for this project was \$600,000. The company is a California corporation, and its principal officer is Edward Dillon, President/Secretary.

### **FISCAL IMPACT**:

Funding for the public street slurry scope of work identified by Bid Schedules A and B (\$477,839.10) is available in account 134-4498-50100 (Slurry Seal Program), and in account 134-4498-50000 (Unscheduled Capital Projects). Funding for slurry seal work at the Airport, identified by Bid Schedules C, E and F (\$102,931.80) is available in account 415-6100-46100 (Paved Areas Maintenance). No local general funds will be used for this project.

The City and the Contractor recognize that time is of the essence of this Agreement, and that the City will suffer financial loss if the Work is not completed within the time specified in Article 2, herein, plus any extensions thereof allowed in accordance with applicable provisions of the Standard Specifications, as modified herein. They also recognize the delays, expense, and difficulties involved in proving in a legal proceeding the actual loss suffered by the City if the Work is not completed on time. Accordingly, instead of requiring any such proof, the City and the Contractor agree that as liquidated damages or delay (but not as a penalty), the Contractor shall pay the City the sum of \$790 for each calendar day that expires after the time specified in Article 2, herein. In executing the Agreement, the Contractor acknowledges it has reviewed the provisions of the Standard

Specifications, as modified herein, related to liquidated damages, and has made itself aware of the actual loss incurred by the City due to the inability to complete the Work within the time specified in the Notice to Proceed.

ARTICLE 3 -- CONTRACT PRICE

\$580,770.90 Bid Schedules A, B, C, E and F

The City shall pay the Contractor for the completion of the Work, in accordance with the Contract Documents, in current funds the Contract Price(s) named in the Contractor's Bid and Bid Schedule(s).

### ARTICLE 4 -- THE CONTRACT DOCUMENTS

### ARTICLE 5 -- PAYMENT PROCEDURES

The Contractor shall submit Applications for Payment in accordance with the Standard Specifications as amended by the Special Provisions. Applications for Payment will be processed by the Engineer or the City as provided in the Contract Documents.

### ARTICLE 6 -- NOTICES

Whenever any provision of the Contract Documents requires the giving of a written Notice, it shall be deemed to have been validly given if delivered in person to the individual or to a member of the firm or to an officer of the corporation for whom it is intended, or if delivered at or sent by registered or certified mail, postage prepaid, to the last business address known to the giver of the Notice.

#### ARTICLE 7 -- MISCELLANEOUS

Terms used in this Agreement which are defined in the Standard Specifications and the Special Provisions will have the meanings indicated in said Standard Specifications and the Special Provisions. No assignment by a party hereto of any rights under or interests in the Contract Documents will be binding on another party hereto without the written consent of the party sought to be bound; and specifically, but without limitation, monies that may become due and monies that are due may not be assigned without such consent (except to the extent that the effect of this restriction may be limited by law), and unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under the Contract Documents.

The City and the Contractor each binds itself, its partners, successors, assigns, and legal representatives, to the other party hereto, its partners, successors, assigns, and legal representatives, in respect of all covenants, agreements, and obligations contained in the Contract Documents.
