DATE: MAY 3, 2017

CONSENT CALENDAR

SUBJECT: INITIATION OF ANNEXATION NO. 17 TO COMMUNITY FACILITIES DISTRICT NO. 2005-1 (PUBLIC SAFETY SERVICES)

FROM: David H. Ready, City Manager

BY: Engineering Services Department

SUMMARY

The City Council previously established Community Facilities District 2005-1 (Public Safety Services) (CFD 2005-1) in October 2005, to levy a special tax on properties identified as "fee status" (non-Indian Allottee Leased or non-Tribal Trust properties) located within the City, to provide a financing mechanism to sustain the delivery of public safety services to new residential developments located on those properties. This action declares the City Council's intention to annex additional properties identified as Annexation No. 17 (for Tract Map No. 37210 – "64 @ the Riv"); the action also schedules a Public Hearing for June 7, 2017, to officially annex these additional properties into CFD 2005-1.

RECOMMENDATION:

Adopt Resolution No. _____, "A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALM SPRINGS, CALIFORNIA, DECLARING ITS INTENTION TO ANNEX TERRITORY INTO A COMMUNITY FACILITIES DISTRICT AND TO AUTHORIZE THE LEVY OF SPECIAL TAXES FOR CITY OF PALM SPRINGS COMMUNITY FACILITIES DISTRICT NO. 2005-1, (PUBLIC SAFETY SERVICES), ANNEXATION NO. 17, 64 @ THE RIV, TRACT MAP NO. 37210".

STAFF ANALYSIS:

The City Council created Community Facilities District 2005-1 (Public Safety Services) (CFD 2005-1) to allow the City to levy a special tax on certain properties identified as "fee status" (non-Indian Allottee Leased or Tribal Trust properties) located within the City, to provide a financing mechanism to sustain the delivery of public safety services to new residential developments located on those properties. This type of financing program, which is authorized under the Mello-Roos Community Facilities Act of 1982, envisioned the participation of all future new residential development projects on "fee status" lands, either by formation of new districts or as an annexation into CFD 2005-1.

ITEM NO. 1.F

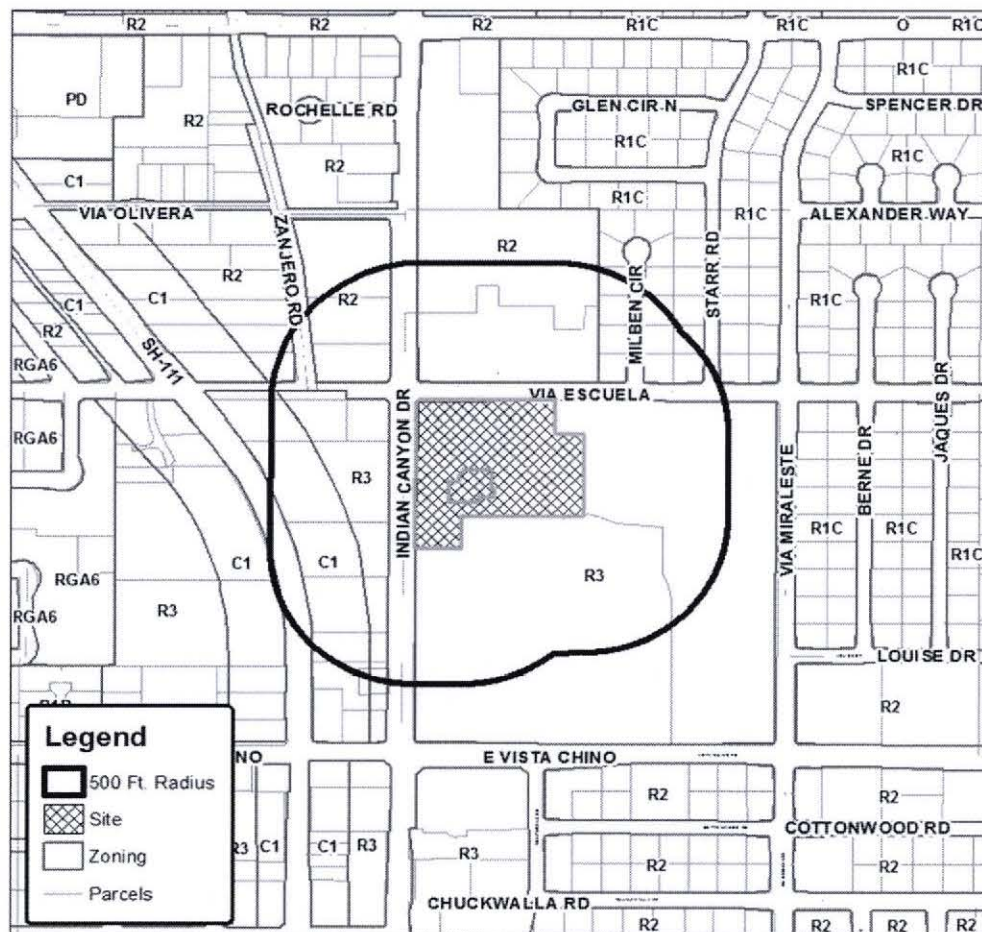

As new residential developments on “fee status” lands have been approved by the City, they are conditionally approved with a requirement to annex into CFD 2005-1. CFD 2005-1 was specifically established separately from the City’s other district, Community Facilities District 2007-1 (Public Safety Services) (CFD 2007-1), for developments located on Indian Allottee Leased or Tribal Trust lands that cannot be annexed into the existing CFD 2005-1 due to their unique ownership status.

At this time, one residential development approved on “fee status” land is recommended for annexation into CFD 2005-1:

- Annexation No. 17 – Tract Map No. 37210, identified as “64 @ the Riv,” a residential development consisting of 64 multi-family residences.

The location map with a 500’ buffer for the development is shown in Figure 1.

Figure 1 – Location Map

In order to commence the annexation process, the City Council is required to adopt a Resolution of Intention for the annexation. This Resolution sets forth terms and conditions for annexing properties into CFD 2005-1 and includes the rate and method of apportionment of the special tax to be levied. This Resolution also schedules a Public Hearing on the proposed annexation, which by statute must be held within 30-60 days following the adoption of this Resolution. In accordance with this requirement, staff recommends that the Public Hearing be scheduled for June 7, 2017. Pursuant to the Mello-Roos Community Facilities Act of 1982, there are less than 12 registered voters in each of the properties to be annexed into CFD 2005-1; therefore, the special election will be a landowner vote within the annexation.

Prior to the public hearing, property owners within the annexation will return a petition with waivers to the City, waiving certain timing and noticing requirements related to Election Code, which will enable the City to expedite the annexation process by conducting the special election during the June 7, 2017, Public Hearing. Included with the Resolution of Intention, the City Council also establishes the boundaries of the territory to be annexed into CFD 2005-1.

The special tax currently being assessed on properties within CFD 2005-1 is based upon a Fiscal Impact Analysis that was prepared by MuniFinancial. Based on this analysis, the Fiscal Year 2016/17 special tax for a single-family residence is \$418.42 per year, and will increase by the annual escalation factor until it reaches the maximum of \$500. The Fiscal Year 2016/17 special tax for a multi-family residence is \$352.67, and cannot exceed the maximum of \$500. The special tax is collected as part of the Riverside County annual property tax bill.

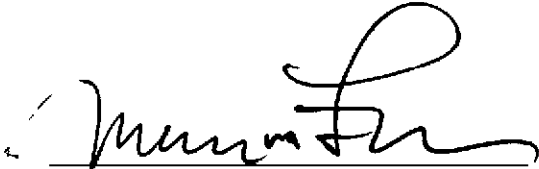

ENVIRONMENTAL IMPACT:

The requested City Council action is not a “Project” as defined by the California Environmental Quality Act (CEQA). Pursuant to Section 15378(a), a “Project” means the whole of an action, which has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment. The requested action is to authorize annexation of certain properties into CFD 2005-1, and is exempt from CEQA pursuant to Section 15378(b), in that a “Project” does not include: (5) Organizational or administrative activities of governments that will not result in direct or indirect physical changes in the environment.

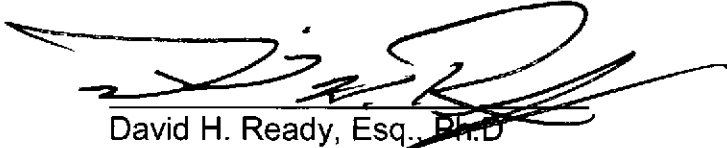

FISCAL IMPACT:

Following annexation of the residential development into CFD 2005-1, after construction of the units (issuance of building permits), the special tax to be levied within the development will generate an additional \$22,571 annually, based on the Fiscal Year 2016/17 rates, to be used specifically for public safety services.

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALM SPRINGS, CALIFORNIA, DECLARING ITS INTENTION TO ANNEX TERRITORY INTO A COMMUNITY FACILITIES DISTRICT AND TO AUTHORIZE THE LEVY OF SPECIAL TAXES FOR CITY OF PALM SPRINGS COMMUNITY FACILITIES DISTRICT NO. 2005-1, (PUBLIC SAFETY SERVICES), ANNEXATION NO. 17, 64 @ the Riv, TRACT MAP NO. 37210.

WHEREAS, under the Mello-Roos Community Facilities Act of 1982 (Sections 53311 and following, California Government Code; hereafter referred to as the "Act"), the City Council of the City of Palm Springs (the "City") previously conducted proceedings to establish the City of Palm Springs Community Facilities District No. 2005-1 (Public Safety Services) (the "District"); and

WHEREAS, under the Act, this City Council is the legislative body for the proposed annexation of territory to the District and is empowered with the authority to annex territory to the District and levy special taxes within the annexation territory; and

WHEREAS, this City Council now desires to commence proceedings to consider the annexation of territory to the District.

THE CITY COUNCIL OF THE CITY OF PALM SPRINGS, CALIFORNIA, HEREBY RESOLVES, DETERMINES AND APPROVES AS FOLLOWS:

Section 1. The City Council proposes to begin the proceedings necessary to annex territory to the District pursuant to the Act.

Section 2. The name of the existing District is City of Palm Springs, Community Facilities District No. 2005-1 (Public Safety Services).

Section 3. A general description of the territory included in the original District is shown on the amended boundary map recorded in the office of the County Recorder for the County of Riverside on November 1, 2005, in Book 64 at Pages 71-77 of Maps of Assessments and Community Facilities Districts, to which map reference is hereby made.

Section 4. The territory now proposed to be annexed to the District is shown on Annexation Map No. 17 of the District on file with the City Clerk, a copy of which is attached hereto as Exhibit A, which Exhibit is, by this reference, incorporated herein. The boundaries of which territory are hereby preliminarily approved and to which map reference is hereby made for further particulars. The City Clerk is hereby directed to record, or cause to be recorded, said Annexation Map No. 17 of the District in the office

of the County Recorder of the County of Riverside within fifteen days of the date of adoption of this Resolution. The Tract Map for the territory proposed to be annexed, is attached in Exhibit B.

Section 5. The types of services to be funded by the District and pursuant to the Act consist of those services (the "Services") described in Resolution No. 21402 entitled "A Resolution of the City Council of the City of Palm Springs, California, Declaring its Intention to Establish Community Facilities District No. 2005-1 (Public Safety Services) and to Authorize the Levy of Special Tax Therein to Finance Certain Services" adopted by the City Council on September 7, 2005, (the "Resolution of Intention"), which Resolution of Intention is, by this reference, incorporated herein. It is presently intended that the Services will relate to the existing territory in the District and the territory proposed to be annexed to the District.

Section 6. Except to the extent that funds are otherwise available to the District to pay for the Services, a special tax sufficient to pay the costs thereof, secured by recordation of a continuing lien against all non-exempt real property in the District (including the property being annexed thereto), will be levied annually within the District and collected in the same manner as ordinary ad valorem property taxes, or in such other manner as this City Council shall determine, including direct billing of the affected property owners. The rate and method of apportionment of the special tax among the parcels of real property within the District, as now in existence and following the annexation proposed herein, in sufficient detail to allow each landowner within the territory proposed to be annexed to the District to estimate the maximum amount such owner will have to pay, is attached in Exhibit C.

Section 7. The special tax proposed to be levied for Services to be supplied within the proposed territory to be annexed will be equal to the special taxes levied to pay for the same Services in the District, except that a higher or lower special tax may be levied within the proposed territory to be annexed to the extent that the actual cost of providing the Services in that territory is higher or lower than the cost of providing those Services in the District. Notwithstanding the foregoing, the special tax may not be levied at a rate which is higher than the maximum special tax authorized to be levied pursuant to the rate and method of apportionment of the special tax.

Section 8. Notice is given that on Wednesday, June 7, 2017, at 6:00 p.m. or as soon thereafter as the matter may be heard, in the regular meeting place of this City Council in the Council Chambers, at 3200 East Tahquitz Canyon Way, Palm Springs, California, 92262, and the same are hereby appointed and fixed as the time and place when and where this City Council, as legislative body for the District, will conduct a public hearing on the annexation of territory to the District and consider and finally determine whether the public interest, convenience, and necessity require said annexation of territory to the District and the levy of said special tax therein.

Section 9. The City Clerk is hereby directed to cause notice of said public hearing to be given by publication one time in a newspaper published in the area of the District.

The publication of said notice shall be completed at least seven days before the date herein set for said hearing. The notice shall be substantially in the form of Exhibit D hereto.

Section 10. This Resolution shall take effect upon its adoption.

This notice is required to be filed with the District Administrator during the Fiscal Year the error is believed to have occurred. The District Administrator or designee will then promptly review the appeal and, if necessary, meet with the taxpayer. If the District Administrator verifies that the tax should be changed the Special Tax Levy shall be corrected and, if applicable in any case, a refund shall be granted.

F. EXEMPTIONS

1. Residential Property

The City is authorized and directed to promulgate administrative rules and procedures for verification of eligibility for the exemptions referred to in section F.

G. MANNER OF COLLECTION

Special Tax as levied pursuant to Section D above shall be collected in the same manner and at the same time as ordinary ad valorem property taxes; provided, however, that the District Administrator may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet the financial obligations of the District or as otherwise determined appropriate by the District Administrator.

H. TERM OF SPECIAL TAX

Every Five years after the establishment of the District, the City Council may reexamine, if deemed necessary by City Council, the necessity of the continuance of the Special Tax through the preparation of a Fiscal Impact Analysis, otherwise the Special Tax shall be levied in perpetuity.

(PUBLIC SAFETY SERVICES)
ANNEXATION NO. 17
64 @ THE RIV, TRACT MAP NO. 37210

On May 3, 2017, the City Council, as the legislative body for the District, adopted a resolution entitled "A Resolution of the City Council of the City of Palm Springs, California, Declaring its Intention to Annex Territory into a Community Facilities District and to Authorize the Levy of Special Taxes for City of Palm Springs Community Facilities District No. 2005-1 (Public Safety Services)" (the "Resolution of Intention"). Pursuant to the Resolution of Intention, the City Council determined that the public convenience and necessity require that certain territory, as more particularly described in the Resolution of Intention, be annexed to the existing District, all as provided in the Mello-Roos Community Facilities Act of 1982 (Sections 53311 and following, California Government Code) (the "Act"). Reference is hereby made to the Resolution of Intention, on file with the City Clerk of the City for further particulars. The following is a summary of the provisions of the Resolution of Intention.

In the Resolution of Intention, the City Council declared its intention to annex territory into Community Facilities District No. 2005-1 (Public Safety Services) (the "District"). The area proposed to be annexed to the District is as shown on Annexation Map No. 17, on file with the City Clerk, and identified in Exhibit A of the Resolution of Intention. The District shall fund police services, fire protection and suppression services, and life safety services. It is presently intended that the services will be provided, without preference or priority, to the existing territory in the District and the territory proposed to be annexed to the District. The Resolution of Intention provides that the special taxes heretofore caused to be levied in the District shall be levied in the territory proposed to be annexed, subject to public hearing and owner consent proceedings as specified in the Act.

At the public hearing the testimony of all interested persons for and against the annexation of said territory to the District or the levying of special taxes within the territory proposed to be annexed will be heard. Any person interested may file a protest in writing with the City Clerk.
