

CITY COUNCIL STAFF REPORT

DATE: July 5, 2107

CONSENT AGENDA

SUBJECT: REQUEST FOR APPROVAL OF MILLS ACT HISTORIC PROPERTY PRESERVATION AGREEMENT FOR CLASS 1 HISTORIC SITE LOCATED AT 1838 SOUTH BARONA ROAD, A CLASS 1 HISTORIC SITE (HSPB #93/HD-5).

FROM: David H. Ready, City Manager

BY: Department of Planning Services

SUMMARY

This is a request for the City of Palm Springs to enter into a standard Mills Act Agreement with William J. Wilson and Karen L. Wilson, and the Sandcliff Homeowners Association. The intent of this contract is to require maintenance and preservation of this Class 1 historic site in exchange for possible property tax relief as determined by Riverside County (APN #510-040-025).

RECOMMENDATION:

1. Approve a Mills Act Historic Property Agreement between the City of Palm Springs, William L. Wilson and Karen L. Wilson and Sandcliff Homeowners Association, for 1838 South Barona Road, a Class 1 Historic Site (HSPB #93/HD-5).
2. Authorize the City Manager to execute the Agreement.
3. Direct the City Clerk to record the Agreement.

STAFF ANALYSIS:

On February 03, 2016, the City Council designated Sandcliff Community a Historic District (HSPB #93/Historic District #5). Sandcliff Garden Homes Historic District is comprised of forty residences clustered around common amenities and open space. As such, each of the forty units is deemed "contributing" and is therefore subject to Class 1 regulations and is also each qualified for application for a Mills Act Historic Property Preservation Agreement.

Pursuant to California Government Code Sections 50280 – 50290, upon the application

ITEM NO. 1.D.

of an owner of any qualified historic property, the legislative body of a city may contract with the owner or agent to restrict the use of the property to carry out the purposes and goals of historic preservation of the property. Such a contract is commonly referred to as a “Mills Act Agreement” and it provides for possible alternative property tax rate calculations in exchange for specific and ongoing preservation and maintenance of the property, specifically its historically significant elements and characteristics.

The property at 1838 S Barona Road has been deemed a “contributing structure” within the Sandcliff Garden Homes Historic District. Pursuant to Municipal Code Section 8.05.125, contributing structures in a historic district are subject to Class 1 regulations and are designated Class 1 historic sites. California Government Code Section 50280.1 denotes that properties that are eligible for application of a Mills Act contract must be listed in a state, city, or county official register of historic sites. As such, the property at 1838 S Barona Road is qualified for a Mills Act Contract.

At Sandcliff Garden Homes Historic District, routine maintenance and upkeep of the building exteriors and grounds is a shared responsibility of the homeowners association (HOA) and the individual unit owners. Because of this shared responsibility, the Mills Act Agreement in this particular case has been drafted with both the homeowner and the HOA as parties to the agreement. If other individual homeowners at the Sandcliff Garden Homes Historic District wish to pursue a Mills Act Agreement in the future, the same contractual arrangement would apply.

FISCAL IMPACT: None

There is no known fiscal impact upon the city as a result of this recommended action.

The City Council may, at any time prior to the annual Renewal Date, withdraw its Notice of Nonrenewal.

4. Maintenance Standards for the Property. During the term of this Agreement, the Property shall be subject to the following conditions, requirements, and restrictions:
 - 4.1 The Owner and the HOA shall preserve and maintain the characteristics of the cultural and historical significance of the Historic Property. Attached to this Agreement as Exhibit "B", is a list of the minimum standards and conditions for maintenance, use, protection, and preservation of the Historic Property, which shall apply to the Historic Property. The Owner and HOA shall comply with these minimum standards throughout the term of this Agreement. In addition, Owner and HOA shall comply with the terms of the City Code, and shall obtain any applicable permits necessary to protect, preserve, restore, and rehabilitate the Historic Property so as to maintain its historical and cultural significance.

- 4.2 The Owner and the HOA shall, where necessary, repair, maintain, restore, and rehabilitate the Historic Property according to the rules and regulations of the Office of Historic Preservation of the State Department of Parks and Recreation, Secretary of the Interior's Standards for the Treatment of Historic Properties, the State Historical Building Code, and the City of Palm Springs. The condition of the interior and exterior of the Historic Property on the effective date of this Agreement is documented in photographs attached as Exhibit "C" to this Agreement. At a minimum, Owner and HOA shall continually maintain the exterior of the Historic Property in the same condition as documented in Exhibit "C."
- 4.3 The Owner and the HOA shall carry out specific restoration, repair, maintenance, and/or rehabilitation projects on the Historic Property, as outlined in the attached Exhibit "D" to this Agreement. All such projects shall be undertaken and completed in accordance with the Secretary of the Interior's Standards for the Treatment of Historic Properties with Guidelines for Preservation, Restoration and/or Rehabilitation and the City Codes and all applicable design guidelines.
- 4.4 The Owner and the HOA shall not be permitted to block the view corridor with any new structure, such as walls, fences, or shrubbery, so as to prevent the viewing of the Historic Property from the public right-of-way.

5. Interior and Exterior Inspections. Prior to the approval, execution, and recordation of this Agreement, and every five years thereafter, the City Manager of the City or the City Manager's designee (the "City Manager") shall inspect the interior and exterior of the premises to determine the Owner's compliance with the terms and provisions of this Agreement.

6. Provision of Information of Compliance. The Owner and the HOA shall furnish the City Manager with any and all information requested by the City Manager, which the City Manager deems necessary or advisable to determine eligibility of the Historic Property and compliance with the terms and provisions of this Agreement.

7. Breach of Agreement; Remedies.

- 7.1 If the Owner or the HOA breaches any provision of this Agreement, the City Manager may give written notice to the Owner and/or HOA by registered or certified mail detailing the Owner's and/or HOA's violations. If such violation is not corrected to the reasonable satisfaction of the City Manager within thirty (30) days after the date of notice of violation, or within such a reasonable time as may be required to cure the violation (provided the acts to cure the violation are commenced within thirty (30) days and thereafter diligently pursued to completion), the City Manager may, without further notice, declare The Owner and/or HOA to be in breach of this Agreement. Upon the City Manager's declaration of the

Owner's and/or HOA's breach, the City Manager may pursue any remedy available under local, state, or federal law, including those specifically provided for in this section.

7.2 The City Council may cancel this Agreement if the City Council determines, following a duly noticed public hearing in accordance with California Government Code section 50286, that the Owner or HOA breached any of the conditions of the Agreement, the Owner or HOA allowed the Historic Property to deteriorate to the point that it no longer meets the standards for a qualified historic property, or the Owner or HOA failed to maintain and preserve the Historic Property in accordance with the terms of this Agreement. If this Agreement is cancelled, under this paragraph, the Owner shall pay a cancellation fee to the Office of the Auditor for the County of Riverside as required by California Government Code Section 50286.

7.3 As an alternative to cancellation of this Agreement for the Owner's or HOA's breach of any condition, the City Manager may bring an action in court necessary to enforce this Agreement including, but not limited to, an action to enforce this Agreement by specific performance, injunction, or receivership.

8. Destruction of Property; Eminent Domain; Cancellation. If the Historic Property is destroyed by earthquake, fire, flood, or other natural disaster such that in the opinion of the City Building Official more than sixty percent (60%) of the original fabric of the structure must be replaced, this Agreement shall be cancelled because the historic value of the structure will have been destroyed. If the Historic Property is acquired in whole or in part by eminent domain or other acquisition by any entity authorized to exercise the power of eminent domain, and the acquisition is determined by the City Council to frustrate the purpose of this Agreement, this Agreement shall be cancelled. No cancellation fee pursuant to Government Code section 50286 shall be imposed if the Agreement is cancelled pursuant to this Section.

9. Waiver. The City does not waive any claim of default by the Owner or HOA if the City or the City Manager does not enforce or cancel this Agreement. All other remedies at law or in equity which are not otherwise provided for in this Agreement or in City's regulations governing historic properties are available to the City to pursue in the event that there is a breach of this Agreement. No waiver by the City or the City Manager of any breach or default under this Agreement shall be deemed to be a waiver of any other subsequent breach thereof or default hereunder.

10. Binding Effect of Agreement. The Owner and the HOA hereby subject the Historic Property to the covenants, conditions, and restrictions set forth in this Agreement. The City, the Owner, and the HOA hereby declare their specific intent that the covenants, conditions, and restrictions set forth in this Agreement shall be deemed covenants running with the land and shall inure to and be binding upon the Owner's and

HOA's successors and assigns in title or interest to the Historic Property. Each and every contract, deed, or other instrument herein after executed, covering or conveying the Historic Property, or any portion thereof, shall conclusively be held to have been executed, delivered and accepted subject to the covenants, reservations and restrictions are set forth in such contract, deed or other instrument.

11. Covenants Run with the Land. The City, the Owner, and the HOA hereby declare their understanding and intent that the burden of the covenants, reservations, and restrictions set forth in this agreement touch and concern the land in that it restricts development of the Historic Property. The City and the Owner hereby further declare their understanding and intent that the benefit of such covenants, reservations and restrictions touch and concern the land by enhancing and maintaining the cultural and historical characteristics and significance of the Historic Property for the benefit of the public, the City, the Owner, and the HOA.

12. Notice. Any notice required to be given by the terms of this Agreement shall be provided at the address of the respective parties as specified below or at any other address as may be later specified by the parties hereto:

13. Effect of Agreement. None of the terms, provisions, or conditions of this Agreement shall be deemed to create a partnership between the parties hereto and any of their heirs, successors, or assigns, nor shall such terms, provisions, or conditions cause the parties to be considered joint venturers or members of any joint enterprise.

14. Indemnity of City. The Owner and HOA shall defend, indemnify, and hold harmless the City and its elected officials, officers, agents, and employees from any actual or alleged claims, demands, causes of action, liability, loss, damage, or injury to property or persons, including wrongful death, whether imposed by a court of law or by administrative action of any federal, state or local governmental agency, arising out of or incident to (i) the direct or indirect use operation, or maintenance of the Historic Property by the Owner or the HOA or any contractor, subcontractor, employee, agent, lessee, licensee, invitee, or any other person; (ii) the Owner's or HOA's activities in

15. Binding Upon Successors. All of the agreements, rights, covenants, reservations and restrictions contained in this Agreement shall be binding upon and shall inure to the benefit of the parties herein, their heirs, successors, legal representatives, assigns and all persons acquiring any part or portion of the Historic Property, whether by operation of law or in any manner whatsoever.

16. Legal Costs. In the event legal proceedings are brought by any party or parties to enforce or restrain a violation of any of the covenants, conditions or restrictions contained herein, or to determine the rights and duties of any party hereunder, the prevailing party in such proceeding may recover all reasonable attorneys' fees to be fixed by the court, in addition to court costs and other relief ordered by the court.

21. No Compensation. Neither the Owner nor the HOA shall not receive any payment from the City in consideration of the obligations imposed under this Agreement. The Owner, the HOA, and the City acknowledge and agree that the primary consideration to the City for the execution of this Agreement is the substantial benefit to the citizens of Palm Springs accruing from the rehabilitation and maintenance of the Property, and the primary consideration to the Owner and HOA is the economic advantage that will accrue to the Owner and HOA as a result of the possible effect upon the assessed value of the Property of the restrictions on the use and preservation of the Property imposed hereunder. The Owner and HOA acknowledges that it is not guaranteed to receive a reduction of property taxes as a result of this Agreement.
