City Manager's Budget Summary City of Palm Springs FY 2017-18

To the City Council:

This document represents the adopted budget for Fiscal Year 2017-18. It summarizes the City's financial goals and allocates the available resources with which to finance City operations for the fiscal year.

The City adopted a budget providing for \$229,644,000 in expenditures for all funds including the General Fund, Airport, Successor Agency, Capital Programs and Waste Water Treatment Plant. The adopted budget for the General Fund projects \$110,130,162 in expenditures with revenues of \$110,618,335, resulting in a surplus of \$488,173.

There is concern over the projections of significant increases due to the City's costs for required CalPERS retirement and retiree health benefit costs over the next six years. Currently, at the direction of City Council, staff is developing recommendations for additional revenue and expenditure reductions. The target for each of the next six years is \$6.5 million. For this new fiscal year, the City Council has agreed to take \$3.25 million from General Fund reserves leaving a balance of \$3.25 million to be found.

Looking forward, two ballot measures will be voted on by the citizens of Palm Springs on November 7, 2017. Measure D would raise the total sales tax rate by 1/2%, from 8.75% to 9.25%. If passed, the new tax would provide an estimated \$6 million to \$7 million annually in new revenue. Measure E, based on California's legalization of adult-use cannabis effective January 1, 2018, is an update of the existing local tax paid by medical cannabis collectives to apply to any new commercial cannabis sales and business. The amount of revenues that Measure E would generate is difficult to estimate. However, the City currently receives approximately \$1.5 million annually in medical cannabis tax revenues.

After the adoption of the City's budget, our plan will be to carefully gauge all expense catagories, while continuing to maintain the City's operations and community services at the level necessary to create a safe and vibrant city. The common thread in this plan as in prevous years, is a continued need to maintain the City's first priority — police, fire and ambulance service. To this end, stewardship of our limited resources remains our main focus in keeping a fiscally responsible check on the City's financial health.

I am thankful to the City Council and the community for their invaluable counsel and input in creating this budget, and especially wish to recognize the Department Heads and staff of the Finance Department for their dedicated efforts.

Respectfully submitted.

David H. Ready, Esq., Ph.D.

City Manager

Budget Memo for FY 2017-2018 Budget City of Palm Springs July 20, 2017

Budget Overview

After several months of public meetings, on June 7, 2017, the Palm Springs City Council adopted the City's Annual Budget for Fiscal Year 2017-18 (July 1, 2017 – June 30, 2018). The budget included overall appropriations for all funds in the amount of \$229,644,000. The General Fund of \$110,130,000 included a modest budget surplus of \$488,000, with an estimated unrestricted reserve ending balance of \$20.2 million (approximately 20.9%).

As part of the budget process, the City Council and staff focused on a continuing concern regarding the projection of significant increases in the City's costs over the next six years for required CalPERS (PERS) retirement and retiree health benefits costs. In response, the City Council gave direction for Staff to develop recommendations for a combination of additional revenue and expenditure reductions amounting to an average of \$6.5 million per year through this six-year period. Given that the new fiscal year was already set to begin, City Council agreed that for FY 2017-18, \$3.25 million of this amount should be taken from General Fund reserves.

Expenditure Changes

At the presentation of the Preliminary Budget in April, the basic carry-over budget included mandated increases (e.g. PERS retirement, health care, utilities, etc.), and was essentially a balanced budget with an anticipated operating surplus of \$474,000. This included positions that were approved by the City Council mid-year during FY 2016-17 (i.e. Fund Development Director, and Vacation Rental Enforcement Department staff).

Included in the Preliminary Budget were additional recommended personnel positions as follows:

	<u>FTE</u>	<u>Salary / Benefits</u>
Police - Jail Transportation Officers	3.00	\$233,744
Police Services Officers	2.00	148,800
City Attorney - Paralegal *	1.00	109,585
Facilities - Street Maintenance Worker	1.00	74,324
Deputy Fire Chief	1.00	254,917
	8.00	\$821,370

^{*} Offset by a reduction of legal expense budget in City Attorney Department.

The City Council's direction to include these new personnel recommendations in the budget resulted in a deficit of approximately \$347,000 for FY 2017-18, at that time.

Subsequently, at the Budget Public Hearing on June 7th the City Manager recommended additional budget savings as follows:

Delete – Assistant City Manager	\$(227,537)
Add – Assistant to the City Manager	150,401
Reduce – Exec. Services Admin. (Range 50 to 48)	(38,707)
Salary / benefits savings	\$(115,843)

Also, the following revenue and expenditure estimates were modified as follows:

Revenue Changes: Comprehensive Fees Schedule (+5%)	
Permits	\$110,000
Fees	130,000
Property Taxes	840,000
Sales Tax	549,900
Utility Users Tax	(200,000)
Medical Cannabis Tax	50,000
Franchise Fees	(100,000)
Various Fee Schedule Increases	47,000
Net Revenue Increases	\$1,426,900
Expenditure Changes:	
Land Lease & Property Taxes Denied by DOF (PSL-236)	(\$144,181)
Land Lease Payment Change Pending Appraisal	(181,000)
Debt Service - Additional Refinancing Savings	138,964
Lease Payments (4 New Fire Trucks)	(199,212)
Recreation Department Reorganization Cost	(73,696)
City Manager Department Reorganization Savings	115,843
Public Safety CFD Support	(20,000)
Property & Liability Insurance (lowest cost alternative)	(228,000)
Net Expense Increases	(\$591,283)

Inclusion of these changes resulted in a surplus of approximately \$488,000 which increased the General Fund reserve to an estimated \$20.2 million (20.88%), just beyond the City Council suggested policy of a 20% reserve.

<u>Fees</u>

Overall, most fees include a 5% annual increase as authorized in their respective enabling ordinances. Generally, fees are structured to cover the cost of the specific service -- as was recently discussed and enacted with the new "vacation rental permit" fee. These increased fees were effective July 1st. However, one area of fees that have historically not covered the cost of services is in the Recreation Department.

The City Council asked staff to review these fees, and consider a tiered fee structure for City residents and non-residents in an effort to recover more of the actual City expenses for these programs. Staff has initiated a formal "fee study" to be conducted in the Recreation Department -- a subsequent report and recommendation will be presented in the Fall.

Capital Projects

During a Joint Budget Meeting with the Measure J Commission, the following recommended projects were approved by the City Council as part of the budget:

Fire Station #4	\$1,700,000
Police Department Remodel	500,000
Bollards - Phase 1 (La Plaza)	300,000
North Palm Canyon Crosswalks	200,000
Total	\$2,700,000

This is in addition to the previously approved Measure J multi-year funded projects, which include the following for FY 2017-18:

•	Street resurfacing	\$3,000,000
•	Buzz Trolley	847,962
•	Downtown Park	1,000,000
•	Police Department Remodel	1,250,000
•	Community Projects	1,202,125
•	Downtown Prop Main & Other Expenses	507,200
•	Debt Service – Downtown Project Bond	3,200,000

Beyond the limited Measure J budget, staff could recommend over \$20 million in capital requests city-wide. However, on a priority basis, City Council approved the following urgent additional capital requirements from General Fund reserves:

- \$500,000 Additional motor vehicle replacement
- \$400,000 Information Technology Department server upgrade
- \$400,000 Library infrastructure
- \$800,000 Plaza Theater

<u>Airport</u>

Of specific note regarding the Airport Fund, in light of recent terrorist-related incidents at airports, the Police Chief recommended and staff supported adding four Police Officer positions to the Airport -- allowing for two officers per shift -- which will improve overall security. The cost of these four positions is approximately \$740,000 to the Airport Fund.

The Airport Commission approved this request in their proposed budget, with offsetting revenue which included lease rate increases for car rental company's counter space, airline's ticket counter rates, and parking fees were increased to \$17 per day to cover this additional security expense.

The rental car agreement amendments, which extend the current term and include these leased rental space revenue increases, were presented to City Council and approved at the meeting of June 21, 2017.

City Sponsorships / Grants

A revised application process was completed for organizations seeking to request City grants and sponsorships. The applications were made available on April 10th and responses were due on June 5th. In the FY 2016-17 budget, \$767,500 was appropriated for these requests -- and an additional \$197,500 was approved by the City Council as "in-kind" contributions of departmental services, such as waiving City use of facility fees and staff overtime. Staff included these same amounts as a placeholder, as City Council will be discussing the submitted applications for funding at a subsequent meeting.

Budget Challenges for the Future

During FY 2017-18 all employee bargaining units will be finishing the final year of four-year agreements which provided cumulative salary increases between 3% and 4% over that four-year span. New collective bargaining agreements will need to be negotiated for the FY 2018-19 budget and beyond.

Also, beginning in FY 2018-19, PERS retirement costs will begin increasing more significantly as new investment earnings assumptions, known as 'the discount rate' (or PERS anticipated 20-year average rate of return on investments) are being implemented state-wide, resulting in several years of much higher required employer contributions. The following illustrates CalPERS projections which indicate annual required contributions increasing at an accelerated rate over the next six-year period:

	<u>16-17</u>	<u>17-18</u>	<u>18-19</u>	<u>19-20</u>	<u>20-21</u>	21-22	<u>22-23</u>
Total PERS Costs BEFORE Change							
Discount Rate @ 7.5%	\$13.2	\$14.4	\$16.2	\$18.2	\$19.5	\$20.8	\$21.9
Total PERS Costs AFTER Change	\$13.2	\$14.4	\$16.7	\$19.2	\$21.9	\$24.1	\$26.0
New Discount Rate			7.375%	7.25%	7.0%	7.0%	7.0%

Additionally, the projected Other Post Employment Benefit (OPEB) cost of retiree health benefits is projected to increase as follows:

	<u>16-17</u>	<u>17-18</u>	<u> 18-19</u>	<u> 19-20</u>	<u>20-21</u>	<u>21-22</u>	<u>22-23</u>
Retiree Health							
Insurance (OPEB)	\$2.6	\$2.8	\$3.0	\$3.2	\$3.4	\$3.5	\$3.7

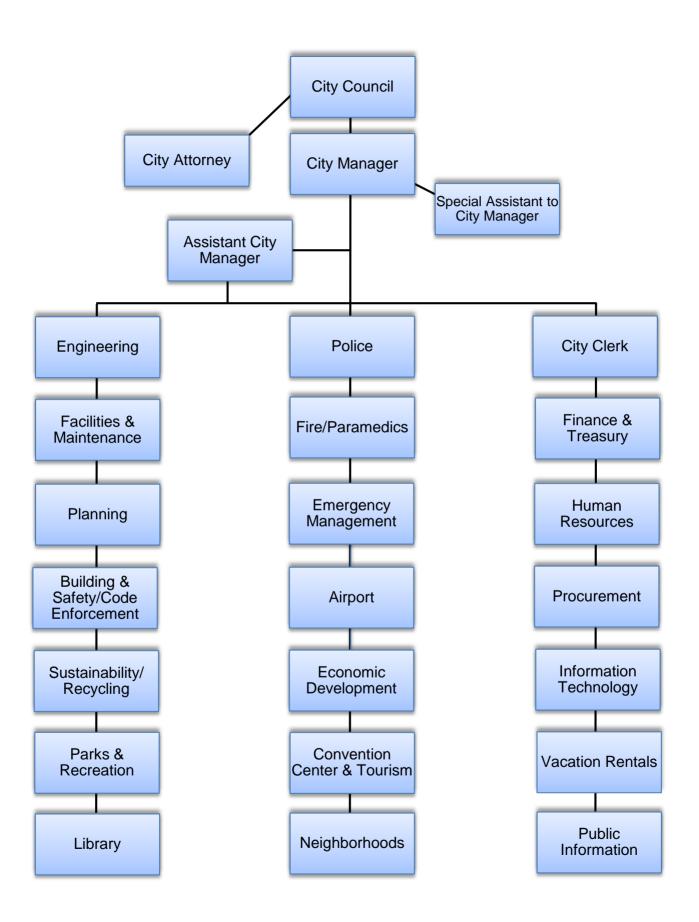

Combined, the cumulative increase in PERS and retiree health (OPEB) costs are factors of concern, and as noted above, staff has received City Council direction to make recommendations for additional annual savings to cover these projected increases.

Finally, Staff will be providing City Council with quarterly financial update presentations – beginning in October 2017.
