

CODE COMPLIANCE EDUCATIONAL FLYER

Department of Special Program Compliance - Code Compliance

2024

Temporary Signs

The purpose of this flyer is to provide information about the Palm Springs Municipal Code (PSMC) regarding temporary signs. Please be mindful not to place temporary signs (such as real estate or open house signs) in the public right of way, including streets and sidewalks, as this violates the city's PSMC. We aim to educate the public about the city's ordinances and collaborate with you to achieve compliance.

Citation Fees

Upon the first offense, a Code Compliance Officer will seize the sign and attempt to notify the owner as well as deliver a friendly reminder of the ordinance. Confiscated signs can be retrieved from the Department of Special Programs Monday-Thursday 7:30a-5:30p. Repeat offenses will result in an administrative citation.

1st offense: Warning

2nd offense: \$100 administrative citation

PSMC #93.20.09

- A) **Residential Zones:** Up to two free standing temporary signs of up to eight square feet, or one free standing sign of up to 16 square feet, and/or one window sign of no more than four square feet may be maintained on each individual residentially zoned property.
- B) **Commercial Zones:** Up to two temporary signs of up to ten square feet or one temporary sign of up to twenty square feet may be maintained on any commercial or industrial property.
- E) **Right of Way:** Shall not be installed on any public right-of-way or on any public property, including without limitation trees, public utility poles, and street signs, and shall only be placed on private property.

"We aim to ensure our communities are safe, healthy, and vibrant places to live, work, and play. We strive to be proactive in identifying and addressing code violations while also being responsive to the concerns of our community members."
