Subject: RE: Parks and Recreation Commission May 13, 2009 packet
Importance: High

Sharon

Please share this with all the other commissioners and of course the City Clerk.

I regretfully am going to have to resign as commissioner, effective today.

Unfortunately my other work commitments and other activities are not allowing me the opportunity to continue to be a commissioner for the Parks and Recreation Department.

I am really sorry as I really enjoy being part of this group.

Again, please forward this to all the appropriate parties.

Tish
