PREPARE

RESPOND

RECOVER

This collection of metrics is intended to help illustrate the impact of COVID-19 on the hospitals in Riverside County. The Emergency Management Department (EMD), in partnership with the Public Health Department, collects and tracks multiple metrics to assist in the County's response to COVID-19.

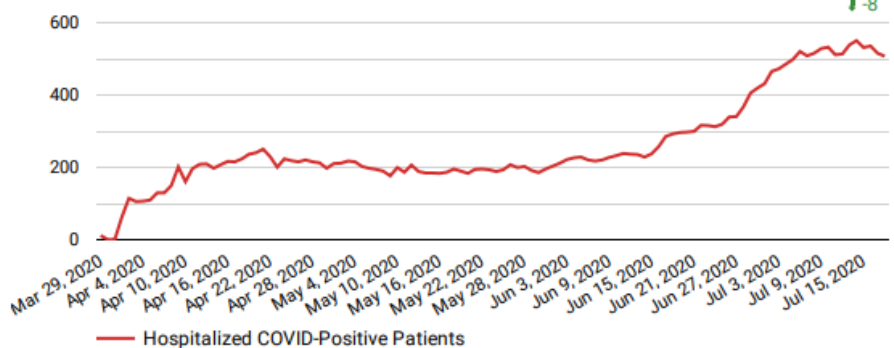

For the most up-to-date Riverside County Coronavirus information, please visit the Riverside County Public Health Department's website: <https://www.rivcoph.org/coronavirus>

For statewide Coronavirus data, please visit the California State COVID-19 Page: <https://covid19.ca.gov/>

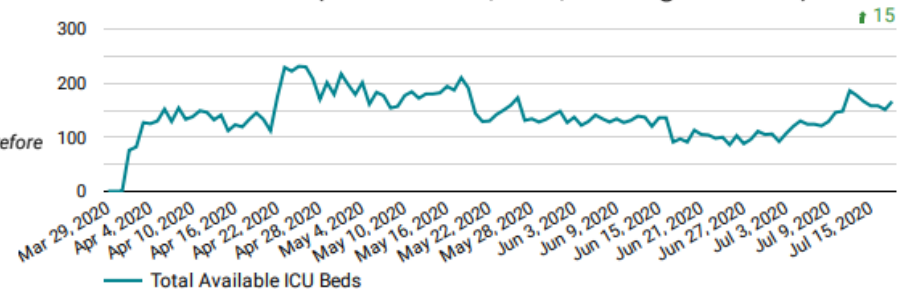

Data Source: State COVID-19 Tracking Database. Reporting of data runs 24 hours behind for State datasets, therefore the metrics below will normally be current with yesterday's data.

Currently Hospitalized COVID-Positive Patients **507**

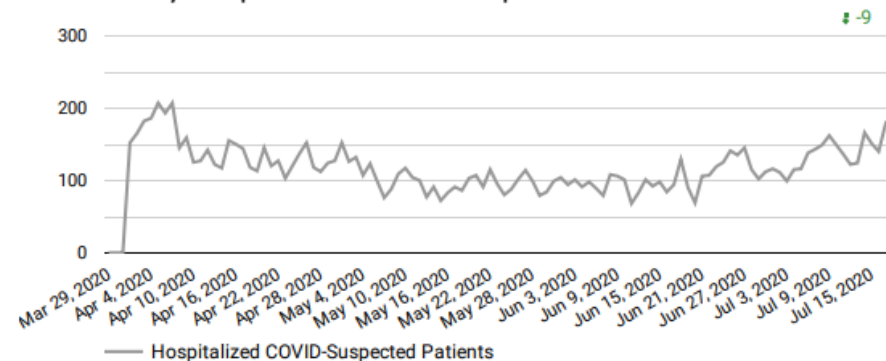

All Available ICU Beds (Includes NICU, PICU, and Surge ICU Beds) **166**

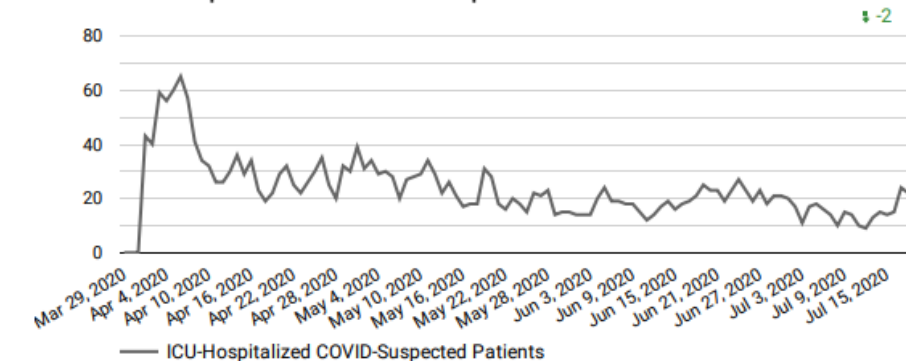

ICU - Hospitalized COVID-Positive Patients **131**

Currently Hospitalized COVID-Suspected Patients **170**

ICU - Hospitalized COVID-Suspected Patients **22**
