

# City of Palm Springs Development Services Department Office of Sustainability

**TO:** Sustainability Commission

**FROM:** Roy Clark, Commission Chairperson

**SUBJECT:** Priority of Sustainability Projects

**MEETING DATE:** 15 February 2022

---

Below are the results of Commissioners' evaluation of the priority of near-term Sustainability projects from the list provided in January.

Commissioners' responses of "High", "Medium", and "Low" priority were averaged by assigning a numerical value of 9 to High, 5 to Medium, and 1 to Low.

#### High

Reusable food ware pilot project  
Sustainability scholarships

#### Medium

Bicycle routes/survey/planning  
EV charger Phase II expansion  
Pedestrian safety improvements  
Residential energy rebate program  
Turf conversion master plan  
Shredding and e-waste events  
Recycling education in parks, downtown, and in schools  
Leaf blower ban enforcement

#### Low

Dark Sky ordinance  
Smoking ordinance  
Earth Day events  
World Environment Day events  
Mayor's Monarch Pledge  
Arbor Day events
