

RESOLUTION NO. 3808

CONCERNING ENFORCEMENT OF STATE HOUSING ACT AS TO
SUBSTANDARD DWELLINGS ON INDIAN LAND IN SECTION
14, T4S, R4E, SBB&M

WHEREAS, the City Building Inspector has reported that there are numerous substandard dwellings on Indian Land in Section 14, T4S, R4E, SBB&M, the use of which should be abated pursuant to the State Housing Act; and

WHEREAS the City Council has heretofore declared a moratorium on the abatement of such use for the reason that there is an extreme shortage of housing for the Negro and other low income groups; and

WHEREAS the said extreme housing shortage has not been alleviated and there remains the problem of housing low income groups elsewhere if the said substandard dwellings are abated as proposed;

NOW THEREFORE BE IT RESOLVED that upon the basis of facts as set forth in the "whereas" clauses hereinabove the Council does hereby declare a moratorium in enforcement of the State Housing Act with regard to the substandard dwellings hereinabove referred to, in the following manner: The City Building Inspector shall give notice to the occupants of substandard dwellings located on Indian Land in Section 14, T4S, R4E, SBB&M, that said dwellings must be brought up to building code specifications within a period of six months from the date of such notice, and that all trailers shall be removed to trailer parks or other areas zoned for the storage or maintenance of trailers within the said period of time.

I hereby certify that the foregoing is a true copy of Resolution No. 3808, duly adopted by the City Council of the City of Palm Springs at a meeting thereof held on June 30, 1953.
