were presented, examined and approved by Finance Committee, and on motion by Miller, seconded by Sanborn, were approved and ordered certified by Clerk to Treasurer, as read, by record vote; no dissenting vote.

Sanitary Conditions Inside Section 14 (previously discussed in Council meeting of February 18, 1953 and prior):

Mary Lou Alehian, speaking in behalf of Palm Springs Woman's Club, on permission of Mayor, addressed Council with a request that action be taken to improve sanitary conditions in Section 14. Following named also spoke from floor:

Mrs. Melba Bennett, who referred to discussion of such conditions with her friend,

Mrs. Fatheree, a resident in Section 14, who is member of a church group in Section 14, which group is willing and anxious to participate in a cleanup program.

Tilman W. Harrison, a resident in Section 14, expressed opinion that it would be very easy to organize a group of Section 14 residents in such a program.

Mrs. Maggie Darling, a resident in Section 14, stated that she and other residents there will form their own committees from NAACP and the several churches there and expressed opinion that such a group would expend every effort in getting the work done.

Mayor Boyd announced that the City Manager would be very happy to work with any and all people interested, including Tribal Committee and Indian Agent, in cooperating in every possible way, and would furnish trucks for hauling.

There being no further business, on motion by Miller, seconded by McKinney and carried by unanimous vote, the meeting adjourned.
