How Schedule an Inspection

Login to your Palm Springs Online Account

Click My Work from the toolbar toward the top

Find the permit/plan you are wanting to schedule an inspection for

The screenshot shows the 'My Work' page with a table of permits. The 'My Work' tab is selected in the navigation bar. The table has columns for Permit Number, Project, Address, Permit Type, Status, and State. The first row, 'BLD-2022-', is highlighted with a yellow box.

Permit Number	Project	Address	Permit Type	Status	State
BLD-2022-			Residential Building Permit	Issued	Active
BLD-2023-			Commercial/Industrial Building Permit	Approved	Attention, Pending (On Hold, Resubmit File)
BLD-2023-			Residential Building Permit	In Review	Active, Recent
ELE-2023-			Residential Electrical Permit	Issued	Active, Recent
PLM-2023-			Residential Plumbing Permit	Void	Recent
PLM-2023-			Residential Plumbing Permit	Issued	Active, Recent

How Schedule an Inspection

Click on inspections in the middle of the page

Screenshot of the Palm Springs Online interface showing project details and navigation tabs. The details include:

- Square Feet: 413.00
- Valuation: \$50,000.00
- Finalized Date:
- Description: E-PLAN New Pool and Spa

Navigation tabs include: Summary, Locations, Fees, Reviews, Inspections (highlighted), Attachments, Contacts, Sub-Records, More Info.

Bottom navigation: Progress, Workflow, Available Actions

All the inspections that are available to schedule will have a box to check. Check off any inspection you want to schedule and with Request Inspection.

**If the inspection you need to schedule is not available, you can schedule the "Any Other" inspection type and let us know any additional information in the comments section.*

Request Inspection

You will be able to select the desired day for your inspection. If staff is unable to accommodate the requested date an alternative date will be provided, or staff will reach out to the applicant. You can continue to see the status of your inspections using Palm Springs Online.
