2/16/2024	9:50 PM	21254	2333	N San Clemente	Reporting party stating there is screaming and loud talking in the backyard. Reporting party would like a follow up call from code compliance officer.	ACME House Company	CODE	9:40 PM	I arrived at the property at 9:40 pm and observed the location from the street in front of the property. I could not hear music from the property, but I observed people in the backyard with random outbursts of noise. However, all noise heard was within the allowable decibel limit. No violation of music was observed coming from the property. I contacted the property agency Acme and advised them of the complaint and my observation. I talked to the occupants and advised them of the noise complaint. No violation witnessed and no further action was taken. The reporting party was called and informed of the contact with the occupants.

2/18/2024	1:44 PM	21288	473	N Burton way	Complainant states that the str are playing loud music outdoors and they were also playing music last night - currently ongoing with six or seven vehicles at the str. they would like a call back from the code compliance officer and they do give access to their property.	Hamid Karimi	CODE	2:00 PM	I arrived at the property at approximately 2:00 pm, accompanied by Code Officer Bermudo. I observed 4 vehicles in the driveway and 3 in the street. As I was unable to hear music coming from the property, I made contact with the reporting property which resides directly behind the vacation rental, and was granted access to the backyard. Standing at the property line in the neighbor's backyard, I was able to hear music. After completing my investigation, I responded to the vacation rental and made contact at the front door with the occupants. I was able to confirm that the property was owner-occupied by verifying via photo ID. I re-contacted the reporting party and provided them with the non-emergency PSPD number to report any further disturbances.	YES
