Dear Michele,

I must inform you that I have been hired for a consultancy in San Jose of an unknown duration, and therefore must regretfully resign from the Palm Springs Sustainability Commission. I am definitely saddened to miss out on the exciting work that is emerging from this Commission, and I would like to wish all of the members of the PSSC the very best in their efforts to guide our city's future!

Also, I wish you well in your new position with the City. I'm sure you will grow to love this community as much as I do.

Sincere regards,

Paul Lewin

PS - please share this communication with my colleagues on the commission, and please let me know if there is some formal communication I must complete with the City.
